Notice Inviting Tender

Tender Enquiry No: TE-072

Dtd: XX.01.2022

E-Tenders are invited in Two Part Bid System for the Supply of M S Casing Orifices as per BHEL Drawing and Other technical documents for entering into Rate Contract valid for one year.

(I) General:

- The tender will be under Two-part bid system i.e PQR cum Techno commercial bid and Price bid. Price bid shall be opened to those bidders who will qualify in PQR cum Techno-commercial evaluation.

Following is the Pre-Qualification Requirement.

Sl No	Criteria	Supporting document
1	Supplier should be manufacturer of M S Fabrication item/s. Supplier should have Lathe Machine, Welding Machine and Rolling Machine (these are compulsory machines) . Supplier shall have to submit Machinery List and Manpower list.	A. Supplier's confirmation for Manufacturer. B. Machinery and Manpower List.
2	The supplier should have to submit audited Balance Sheets and Profit Loss statements of last three years (FY17-18, FY18-19 and FY19-20 or latest three).	CA certified Audited Balance sheet and Profit Loss statement
3	Vendor should have supplied M S fabrication item/s to reputed companies in past 02(Two) Years. Copies of purchase orders are required to be submitted as a documentary proof.	PO copy/ies

BHEL FSIP permanent registered suppliers under MS casing category need not to submit above PQR.

- Mode of Submission of offer:** Mode of Submission of offer: Being e-tender, offer will be submitted online through e-tender portal:

<https://eprocurebhel.co.in/nicgep/app>

Important dates are given below:

EVENT	SCHEDULE
Last Date & Time for receipt of tender	Date : XX.02.2022 Time : 14.00 hrs (IST)
Tender Part I opening date & Time	Date : XX.02.2022 Time : 15.30 hrs (IST)

- In case of any difficulty faced while registering on BHEL's e-Procurement portal developed by NIC, queries may be addressed to 0120-4001002, 0120-4001005 and 0120-6277787; email: support-eproc@nic.in. These details are also available on 'Contact Us' page of the portal
- Offer to be submitted only on e-procurement portal. Hard copy/email offer is not required to be submitted to BHEL-FSIP. **Any offer received in Hard copy/Email shall not be accepted and straightway rejected by BHEL-FSIP**

MATERIAL MANAGEMENT

Notice Inviting Tender

5. The offer shall be submitted as per the instructions of tender documents and as detailed in this NIT. Non acceptance of any term may lead to rejection of quotation.
6. This tender is for Rate contract (Frame Work Agreement) and shall be valid for one year from date of finalization of tender. BHEL shall release PO within validity of rate contract for supply of M S Casing MDVs and Orifices.
7. Supplier should have online inspection facility for inspecting the material online.
8. Following Price Variation clause shall be applicable for this tender.

The rates finalized will be subjected to price variation as per the PV formula indicated below. Price variation computed in Rs/Kg will be applied for each of the item pro-rata. Unit weight as indicated in BHEL drawing will be applicable for calculation.

Basis for fixing indices/ Base rates:

Base of Data: Joint Plant Committee (JPC) constituted by Govt of India

Material Base: Rate of MS Plates of 10 MM as published in "JPC" (Delhi) Rates

PV Formula:

Price variation in Rs per Kg of casing wt = 1.0 (Difference in Plate Rate for 10 mm Thickness)
= 1.0 (Pi-Po)

Pi: The Average rate of MS Plate of 10 mm of the previous month of Placement of Order date published in JPC **excluding GST**

Po: The Base Rate of MS Plate Given in TE excluding GST i.e **Rs 63.564**

Average JPC price for Month of January-2021 is 75.005/Kg (Inclusive of GST),

So, **Po = 75.005/1.18 = 63.564 per Kg**

The purpose of providing the base rate is for intended use of calculating PV only. The above is Delhi price. However the vendor has to take into consideration the steel availability rate at their place, difference in rates if any & other related expenditure is in supplier's account. No claim on account of purchase of steel at different rates as indicated in JPC will be entertained by BHEL during finalization or execution of contract.

Operation of PV Clause

- a. Rate taken for PV calculation shall be exclusive of GST of rate of plate 10 mm at Delhi.
- b. BHEL shall be released PO after calculating rate per Kg as per above formula considering average JPC price of 10 MM plate of previous month e.g if PO is released in month of March, Average JPC of Month of February shall be taken.
- c. Supplier does not need to submit PV bill.

9. Supplier has to quote prices in Rs per Kg.

10. Please note that BHEL shall release PO in numbers after calculating the rate by multiplying the drawing weight (kg) with finalized rate (Rs/kg after PV). BHEL may release PO of smaller quantity e.g 11, Nos, 30 Nos, 20 Nos etc. Bidders should quote their rates by considering the above facts.

Notice Inviting Tender

(II) Item Description and Scope of Supply:

Sl.No.	Item Description	Quantity	Unit
1	M S Casing for Orifices	23000	Kg

- Quantity Variation 20% is applicable after confirmation from BHEL. The above requirement is tentative. BHEL is not bound to release orders for above quantity in a period of one year, BHEL shall release order only upon requirement. Quantity variation +20% is allowed. It means based on requirement, BHEL may release order 20% more than the above value.

(III) Attachment to Tender Enquiry:

Sl. No.	Description	Annexure/Enclosure
1	General Terms & Conditions (Including Make in India Declaration, Sister concern declaration and Annexure I)	Annexure: II
2	Special terms and Conditions	Annexure: III
3	Reference Drawing	Attached
4	Welding and Painting procedure	Attached
5	Quality Plan	Attached
6	Suppliers capacity declaration format	Enclosed (Annexure IV)
7	PQR cum Techno commercial Format	Enclosed (Annexure V)
8	Third Part Non-Disclosure Agreement Format	Enclosed (Annexure VI)
