3	Technical details of 200 T Capacity Hydraulic cylinder of POWER TEAM or ENERPAC make : Qty 01 No		
3.1	Shall be of single acting load return type		
3.2	Cylinder make: Vendor to specify(POWER TEAM or ENERPAC)		
3.3	Model no:Vendor to specify		
3.4	Cylinder capacity :200T (Vendor to note)		
3.5	Oil capacity of cylinder: Vendor to specify		
3.6	Cylinder effective area:Vendor to specify		
3.7	Cylinder weight:Vendor to specify		
3.8	Cylinder collapsed Height: 300 mm (Approx)		
3.9	Cylinder stroke: 150 mm		
4	Catalog for this offered model has to be submitted along with the offer		

Sl.No.	Description for BHEL Requirement				Offered	Deviations	Remarks
5	Technical details of Hand operated pump of POWER TEAM or ENERPAC make suitable for above mentioned cylinder : Qty 01 No						
5.1	Make:Vendor to specify(POWER TEAM or ENERPAC)						
5.2	Model no:Vendor to specify						
5.3	Oil reservoir capacity of pump: Vendor to specify(Initial fill of oil is vendor responsibility)						
5.4	Max operating pressure : 700 bar						
5.5	The pump shall be operated with less handle effort :Vendor to note						
5.6	The pump shall be fitted with all the safety features such as internal pressure relief valve in case of over pressurization etc.,						
5.7	Catalog for this offered model has to be submitted along with the offer						
6	The system shall be supplied with 6 feet length hose pipe perfectly suitable for operation with above mentioned pump and cylinder : Vendor to confirm						
7	The hose shall be fitted with quick connect couplers and shall be highly safe in operation even when working in Max pressure condition:Vendor to note & conform						
8	The system shall be supplied with high quality Glycerine filled pressure gauge : vendor to confirm						
9	The main equipment price shall include the price of Cylinder,Hand pump,Gauge,hose & necessary accessories for normal operation of the jack						
10	The spares shall be quoted Separately in price bid. The spares shall include the end fittings,seals,O rings & other necessary items 01 SET Each.The list shall be provided with the offer						
11	COMMISSIONING & PROVEOUT :Vendor to take full responsibility for carrying out the commissioning and prove out at our BHEL works and shall provide Suitable training on all operational aspects.The acceptance of the 200T Hydraulic jack system is subject to successful commissioning and proveout of equipment at BHEL RCPURAM works.
