

**PRE-QUALIFICATION REQUIREMENTS FOR  
ELECTRICAL LAB EQUIPMENT**

DOC. NO. PE-PQ-999-556-E001

REVISION NO. 04 DATE 18.03.2017

SHEET NO. 1 OF 1

**ITEMS :** Electrical Lab Equipment for Metering, Measuring, Testing, Calibrating & Diagnostic

**SCOPE:** Supply : YES; Erection & Commissioning : NO;

|   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|---|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | Vendor should be either OEM (Original Equipment Manufacturer) or should have Authorization letter from OEM.<br><br>(i) In case of bidding for a tender enquiry, evaluation against this point shall be done for each equipment offered.<br><br>(ii) In case of applying for vendor registration, evaluation against this point shall be done for each "make" for which registration is being sought. In case of OEM applying for vendor registration, vendor to furnish list of self manufactured equipment along with catalogue/technical particulars of the equipment. |
| 2 | Vendor should have supplied Electrical Lab equipment to process plant/ refinery/ power plant/ nuclear plant / testing Lab.                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| 3 | Vendor should be in business of supplying electrical lab equipment for at least last two (2) years from the date of application for registration or date of techno commercial bid opening (as applicable).                                                                                                                                                                                                                                                                                                                                                               |
| 4 | Minimum two nos. purchase orders for electrical lab equipment shall be submitted which should not be more than 5 years old from the date of application for registration or date of techno-commercial bid opening (as applicable) for establishing continuity in business.                                                                                                                                                                                                                                                                                               |

**NOTES-**

1. Consideration of offer shall be subject to customer's approval of bidders, if applicable.
2. Bidder to submit all supporting documents in English. If documents submitted by bidder are in language other than English, a self-attested English translated document should also be submitted.
3. Any other project specific requirement shall be as per Annexure-I and bidder shall submit relevant supporting documents.
4. Notwithstanding anything stated above, BHEL reserves the right to assess the capabilities and capacity of the bidder/collaborators to perform the contract, should the circumstances warrant such assessment in the overall interest of BHEL.
5. After satisfactory fulfillment of all the above criteria/ requirement, offer shall be considered for further evaluation as per NIT and all the other terms of the tender.

|                                                                                                                                                     |                                                                                                                                          |                                                                                                                                                 |
