Tender Notification No. : PUR/E-7410141

Tender Due Date : 08.05.12

This is Notice Inviting Tender for tender notification No. **PUR/E-7410141** for Supply of 3D CAD software 'Solidworks', maintenance and familiarity building for engineering applications

1. Bidders shall read carefully the enclosed documents that comprise this Tender:
 - Section I:- Terms and Conditions
 - Section II: Technical Specifications.
3. The offers shall be in accordance with Terms and Conditions and Technical Specifications enclosed. Deviations, if any, shall be clearly indicated. Bids not in conformity with the Terms and Conditions and Technical Specifications and/or are not in the prescribed format will not be considered and are liable to be rejected. Bids with deviations may be rejected.
4. The fact of submission of tender implies that the Bidder has actually inspected the site and examined all the requirements relating to execution of the contract.
5. The Bidders shall bear all costs associated with the preparation and submission of the bid. BHEL shall in no case be liable for these costs regardless of the conduct or outcome of the process.
6. All clarifications to be obtained by vendor before due date 08.05.12 and to quote accordingly.
7. The offers should be in two-part bid (i.e., Part-I: Technical bid and Part-II: Price bid).
8. Sealed Tenders shall be addressed to the "Head(MM), BHEL, Khailar, JHANSI(UP), Pin:284129" and the envelope shall be superscripted with Tender Notification Number & stamp of the Bidder and the Tender due date.
9. The sealed tenders will be received by us at his office at 07.05.2012 up to 13:15 hrs on the tender due date. The technical bid (i.e., Part-I of the offer) will be opened on 07.05.2012 at 14:00 hrs in presence of the Bidders or their authorized representatives who choose to be present.
10. During the course of finalization of Tender and Award of Contract, the Bidder shall promptly and completely respond to all clarifications sought by the undersigned and attend any meeting on the date and time called by us with written intimation to the Bidder.
11. At any time prior to the Tender due date, BHEL may, at its sole discretion or in response to a clarification sought by a Bidder, modify the bidding documents. For compliance of the requirements by the Bidder owing to the change, BHEL may, at its sole discretion change the Tender due date.
12. BHEL reserves the right to accept or reject any bid and to annul the bidding process and reject all bids at any time prior to the award of contract without assigning any reason therefore.

TERMS & CONDITIONS

Tender Document

Supply of 3D CAD software Solidworks, maintenance and familiarity building
for engineering applications

Tender Notification No: PUR/E-7410141

1. Instructions

1.1 TWO-PART BID:

- 1.1.1 The offer shall be submitted in a sealed envelope which would contain two separate sealed envelopes as (i) Technical Bid and (ii) Price Bid.
- 1.1.2 The Technical bid, in English, shall contain (i) separate sealed envelope Tender cost; (ii) confirmation of compliance to all terms & conditions; (iii) technical offer in detail for the entire scope of work as given in the Technical Specification; (iv) Assumptions / Deviations in format as per Annexure-D and (v) Price schedule (without prices).
- 1.1.3 The price bid shall consist of the Price Schedule format with prices filled in (see ANNEXURE-B). Bidder shall indicate prices for all the items indicated in the Price Schedule. All prices should be firm for the duration of the contract. All applicable duties and taxes shall be clearly indicated in the offer. The tariff rates as applicable on the date of bid shall be specified. Wording like "Extra as applicable", etc., will not be acceptable.
- 1.2 Each sealed envelope shall be superscripted with the type of bid (Technical or Price), Tender Notification number and Bidder's name, stamp & signature. Both these envelopes should be submitted through one covering letter in a sealed envelope super scribing the Tender Notification number and bidder's name, stamp & signature.
- 1.3 The sealed Bids shall be submitted on or before the time & date specified and shall be addressed to the official as mentioned in the Notice Inviting Tender. Tenders received after the due date and time of opening are liable to be rejected. Tenders received through e-mail / fax will not be considered.
- 1.4 Bidder shall fill up all the schedules and furnish all the required information as per the instructions given in various sections of the tender specification. Each and every page of the Tender Specification shall be SIGNED, STAMPED AND SUBMITTED ALONGWITH THE OFFER by the Bidder in token of complete acceptance thereof. The information furnished shall be complete in itself.
- 1.5 The Bidder shall quote the PRICES in English Language and international numerals. These rates shall be entered in figures as well as in words. In case of difference in rates between words and figures, THE LESSER OF THE TWO will be treated as valid for the purpose of the tender. In case of difference in (i) sum of the items and (ii) total indicated, the former will be considered. The metric system of units shall be used.
- 1.6 All entries in the tender shall either be typed or be written in ink. Erasures and overwriting are not permitted and may render such tenders liable to rejection. The Bidder shall duly attest all cancellations and insertions.
- 1.7 Conditional and unsigned tenders, tenders containing absurd or unworkable rates and amounts, tenders which are incomplete or otherwise considered defective and tenders not in accordance with the tender conditions, specifications, etc., are liable to be rejected.
- 1.8 Tenders shall be signed by persons duly authorized / empowered to do so. Certified copies of such authority and relevant documents shall be submitted along with the tenders. The Declaration (see ANNEXURE-A) shall be signed by the duly authorized person.

- 1.9 In the event of the Bidder merging with or getting acquired by another company, all obligations under the contract shall automatically get transferred to the acquiring company till the end of the period, including the guarantee period and AMC, if opted for.

Bidder shall intimate BHEL if there is any change in their legal status, within fifteen days of such change. BHEL shall review the implications and take necessary action.

- 1.10 Bidders are required to comply with the provisions of all existing Acts, Statutes, Rules, Notifications and Regulations of both Central and State governments as the case may be. If necessary, Bidders shall get themselves duly registered in compliance with such Acts, Statutes, Rules, etc., before Price Bid opening.
- 1.11 Should a Bidder or, in the case of a Firm or Company, its Partner(s) / major Shareholder(s)/ Director(s) have relation(s) employed in BHEL, the authority inviting tender shall be informed of the fact along with the offer. Otherwise, BHEL may, at its sole discretion, reject the tender or cancel the contract at any stage of the contract.
- 1.12 Any attempt by a Bidder to exert influence on BHEL during the process of bid evaluation or award of the contract, would make their bid liable for rejection.

2. Scope of Tender

- 2.1 This tender is for supply, installation, testing, demonstration, training, handholding and familiarity building of the software 'Solidworks' modules as per the requirements identified by BHEL in the enclosed Technical Specification (Section-II).
- 2.2 All expenses towards logistics and incidentals, including lodging, boarding, travel, etc., incurred in connection with the execution of this contract shall be borne by the Bidder and shall not be reimbursed by BHEL.
- 2.3 In case of Technical clarification bidder may contact directly to Engineering Division, Head(TRE), BHEL Khailar, Jhansi(UP) Pin:284129, email: arkuls@bheljhs.co.in or AGM TRE/RPD prasad@bheljhs.co.in or Mgr(TRE) email: rahul@bheljhs.co.in

3. Validity of Offer and Evaluation

- 3.1 The techno-commercial offer shall be kept open for acceptance for a period of 180 days from the date of opening of Technical Bid. Only the Technical Bid will be opened on the due date mentioned in the enquiry.
- 3.2 Bidders shall not be permitted to make changes in their Technical or Price bids after bid submission, unless asked to do so by BHEL. Unsolicited clarifications are liable to be rejected.
- 3.3 Bidder shall comply, entire Qualifying mandatory requirement. **[Refer Clause 7].** Bids not confirming the above are liable to be rejected.
- 3.4 Price Bids of only the qualified and technically acceptable Bidders will be opened.
- 3.5 Prices should be quoted on FOR BHEL, Jhansi basis inclusive Packing & Forwarding charges, Freight charges etc.
- 3.6 In case BHEL calls for negotiations, such negotiations shall not amount to cancellation or withdrawal of the original offer, which shall be binding, on the Bidder. All expenses for attending

Tender Document

Tender Notification No: PUR/E-7410141

such negotiations are to be borne by the Bidder.

- 3.7 The total price for entire scope of work, together with taxes and duties (but excluding ED, Service Tax and VAT if applicable), will be considered for bid evaluation purposes (i.e. the Net cost to BHEL on FOR BHEL Jhansi basis).
- 3.8 AMC price to be indicated in the offer and should be valid for 5 years after warranty period.
- 3.9 The entire work covered in this Tender shall be entrusted to a **single Bidder**. The successful Bidder is not permitted to off load part or whole of the work to a sub vendor without the prior written consent of BHEL.
- 3.10 The successful Bidder shall attend the office of the Official as mentioned in the Notice Inviting Tender on the date fixed by the Official through a written intimation. The Bidder shall forthwith accept award of the contract and complete the execution of the agreement by signing all documents connected therewith.

4. Warrantee Period & Annual Maintenance Charges

- 4.1 The software shall have warranty for trouble-free operation for a period of twelve (12) months after installation, training, generation of required assemblies and issue of acceptance certificate from all concerned departments
- 4.2 Bidder shall quote AMC charges valid for a period of five (5) years after the 12 months warrantee period in the price schedule. The AMC shall commence after expiry of warrantee period.

5. Terms of Payment

All payments shall be done as per BHEL standard terms of payment i.e. 60 days after submission of bills or successful completion of milestones.

- 5.1 No Advance Payments will be made.
- 5.2 80% of Software charges (Sr no 1 to 4 of schedule price) after installation and acceptance. Balance 20% shall be paid alongwith cl. No. 5.3.
- 5.3 Training and handholding Charges (Sr no 5 of schedule price): After successful completion and acceptance.
- 5.4 12 Months Onsite Support (Sr no 6 of schedule price): After completion of 12 months and acceptance.
- 5.5 Yearly AMC Charges for five years after Warrantee Period (Sr no 9 to 12 of schedule price): Quarterly payment after completion of each quarter. This will be subject to placement of order.
- 5.6 Bidder shall submit the invoices to BHEL Project Leader within ten (10) days from the date of successful completion of milestones.
- 5.7 Payments to Bidders will be subject to deduction of taxes at source as per prevailing laws.
- 5.8 Service Tax, if any, shall be payable extra as applicable from time to time. It shall be claimed separately to enable BHEL to avail credit of it.

Tender Notification No: PUR/E-7410141

5.9 In case the government (Centre/ State) imposes any new taxes/ duties on the output services/ work after the award of contract, the same shall be reimbursed by BHEL at actuals. All necessary documents as required by BHEL shall have to be provided by the Bidder. However, in the event of delay in work execution attributable to the Bidder, the new taxes/ duties imposed during the delay period shall not be reimbursed to the Bidder. BHEL's decision in this regard shall be final.

5.9.1 In case any taxes/ levies are imposed after submission of Bidder's offer, the Bidder shall convey its impact on the price, duly substantiated by documentary evidence, before opening the Price Bid. Claim for any such impact after opening the Price Bid will not be considered by BHEL for reimbursement of tax or reassessment of offer.

6. Reverse Auction (RA)

6.1 BHEL may go for Reverse Auction (on line bidding on Internet) instead of opening the submitted sealed price bid. The decision to go for Reverse Auction will be taken after techno-commercial evaluation. Information and general terms and conditions governing RA are given below.

6.2 For the proposed reverse auction, technically and commercially acceptable bidders only shall be eligible to participate.

6.3 BHEL will engage the services of a Service Provider who will provide all necessary training and assistance/ demonstration before commencement of on line bidding on internet.

6.4 BHEL will inform the Vendors in writing the details of Service Provider to enable them to contact for training/ demonstration.

6.5 Business rules like event date, time, start price, bid decrement, extensions etc. also will be communicated through Service Provider for compliance.

6.6 Vendors have to fax the Compliance form in the prescribed format (provided by Service provider) before start of Reverse Auction. Without this, the vendor will not be eligible to participate in the event.

6.7 BHEL will provide the calculation sheet which will help the Vendors to arrive at "Total Cost to BHEL" by including items like Packing & Forwarding charges, Taxes and Duties, Freight charges, Insurance, Service Tax for Services and loading factors (for non-compliance to BHEL Commercial terms & conditions, if any) for each of the Vendors to enable them to fill-in the price and keep it ready for keying in during the Auction.

6.8 Reverse auction will be conducted on a scheduled date & time.

6.9 At the end of Reverse Auction event, the lowest bid value will be known on the network.

6.10 The lowest bidder has to fax the duly signed filled-in prescribed format as provided to BHEL through Service Provider within 24 hours of Auction without fail.

6.11 Any variation between the on-line bid value and the signed document will be considered as sabotaging the tender process and will invite disqualification of vendor to conduct business with BHEL as per prevailing procedure.

6.12 In case BHEL decides not to go for Reverse Auction procedure for this tender enquiry, the Price bids already submitted and available with BHEL shall be opened as per BHEL's standard practice.

Tender Notification No: PUR/E-7410141

1. INTENT OF SPECIFICATION

BHEL Jhansi is looking for procurement of several modules 3D CAD software 'Solidworks' and its training, handholding, familiarity building in Transformer and Locomotive engineering departments and its maintenance for one year.

2. INTRODUCTION ABOUT BHEL

Bharat Heavy Electricals Ltd. (BHEL) is a premier Govt of India undertaking and ranks among the top ten power generation equipment manufacturers in the world. BHEL manufactured and supplied (approx.) 70% of power generation equipment in India.

BHEL is manufacturing and marketing a wide range of products with the Involvement of its different units at different stages, particularly Jhansi products which are primarily marketed by Industry Sector and Regional Operations.

3. PRODUCT DESCRIPTION

BHEL Jhansi is having two Main Products i.e. Transformers and Locomotives Engineering. BHEL Jhansi is also under development of many new products. BHEL Jhansi is presently developing WAG7 electric loco and AC EMU coaches for Indian Railways and has developed DE Shunters in the range of 350 hp to 1400 hp, various other utility vehicles including Rail cum Road Vehicle, Battery Powered Road Vehicle, dynamic track stabilizer, ballast cleaning machine, Hoist assembly for ship lift system etc. BHEL has also done many enhancements in existing products like eye bolt CT, Aluminum foil cast resin Dry type Transformer, 132 KV Live Tank CT, 400KV CT Design, StepLap Core and many more.

4. OBJECTIVES OF THE PROPOSED 3D CAD SOFTWARE "Solidworks"

To generate 3D models of various products and components alongwith detailed manufacturing drawings and BOM. The 3D models must be suitable for FEM and other analysis.

5. SCOPE:

- 5.1. To supply Solidworks software modules – Professional, Premium, Simulation premium and module to convert standalone to floating .
- 5.2. Installation of application software .
- 5.3. Training / Implementation / Handholding of the software for as per details below –

5.3.1 For solidworks professional and premium (To be quoted separately for transformer engineering and locomotive engineering departments)

1. Initial Trainings to be provided by experienced person at BHEL Jhansi premises to 2 batches of approx. 10 persons in both transformer and locomotive divisions (the team will be working on live project during the trainings also). All the trainings include tips & tricks and best practices -
19-20 days
2. Handholding and Pilot Project Assistance for 2 assemblies of transformer and locomotive
Till completion of work
