REF:MM:PUR:ROUNDS

DT : 07.02.2019

Pre-Qualification requirements (PQR) for the procurement of Rounds/Forgings to Carbon Steel/Alloy Steel/Stainless Steel Specifications through Open Tender – IBR Quality (As per TDC:0:309 Rev 12 & TDC:0:404 Rev 19)

A) Organizational Capability:

1. Manufacturers having Rounds/Forgings manufacturing facilities are only eligible to participate. Offer from traders, fabricators and stockists are not acceptable and will not be considered for evaluation. Product catalogue shall be submitted.
2. Suppliers without basic manufacturing facilities in-house, shall not be considered for evaluation. In house facilities for hot finishing or cold finishing, rolling/ Forging, Heat treatment, UT testing, Wet/Dry MPI as applicable as per TDC are mandatory requirements for consideration of the offer. Details of the mill with list of manufacturing facilities and List of testing equipments & measuring instruments shall be submitted.
3. If the supplier is not having steel making facility, then source of raw material for the manufacturing shall be from IBR approved well known steel maker or certified by IBR approved inspecting authority. If the supplier is dependent on more than one source for steel making, all the sources should be indicated and the supplies should be restricted to the indicated list of raw material suppliers. The supplier shall confirm that the raw material test certificate/s will be furnished along with product test certificate/s.
4. Chemical, Mechanical testing shall be done in house or at Labs certified as per ISO 17025 or Government approved labs.
5. Suppliers shall submit a valid ISO 9001 certificate or Quality Assurance Manual or Written down procedure.
6. BHEL/End customer reserve the right to inspect the item ordered at any stage at vendor's works and if found not meeting the stipulated conditions, material is liable for rejection.
7. BHEL/End customer reserves the right to inspect the sample at vendor's works for giving clearance before bulk production.

B) Technical Competence:

1. Confirmation to the TDC requirements is mandatory for consideration of offer and signed TDCs shall be submitted.

C) Past Experience/ Performance:

1. Suppliers shall indicate their annual installed capacity for the tendered specification & it shall be more than the tendered quantity.
2. Suppliers should have supplied Rounds/Forgings as follows:
 - a) Tendered Specification or any other higher alloy steel grade in case of Carbon Steel and Alloy Steel.
 - b) Tendered Specification in case of Stainless Steel.

Supply credentials in the recent past like unpriced PO copies with corresponding proof of supply (such as invoice / bill of lading copies and test certificates) covering minimum and maximum sizes shall be submitted. If credential is not available for any specific tendered size, then specific declaration shall be submitted by mill stating the capability to produce that quoted size/s.

D) Financial Soundness:

1. Indigenous suppliers shall submit copies of annual reports (Balance Sheets), Profit & Loss statement for last three years (or from date of incorporation whichever is less) and GST certificate.
2. Import suppliers shall submit latest D&B report, Credit reform report for both principal & mill.

Necessary supporting documents shall be submitted for meeting each of the above Pre-Qualification Criteria for evaluation of the offers.

BHEL reserves the right to consider/Not-consider the offers based on the evaluation of documents submitted for the above Pre-Qualification Criteria. If required, BHEL also reserves the right to have on-site assessment of the facilities at supplier's works during the bid evaluation.
