04. For GPS Instrument

The GPS instrument (Web Based Vehicle Tracking System) should be installed by Transport Contractor only in their Vehicle –(Hydraulic Axles to be placed by them). BHEL will not provide this System. The Contractor should ensure that the instrument for GPS is not detached from the vehicle till it reaches the destination. If it is found that the instrument for GPS is detached from the vehicle en route, a penalty of 1 % of the contract value shall be levied. In case of repeated detachment of GPS instrument, it will be viewed very seriously and reflect on the performance of the carrier and suitable action will be initiated thereafter. Any technical snag of GPS instrument, while in transit at en route, immediate action to restore the System should be taken by the Transporter.

05. It is the responsibility of the Contractor to make proper and prior assessment for making Statutory payments to the Government authorities for the transportation of the subject consignments. The quoted rate shall be inclusive of all the charges to be made to Government Authorities. It is the responsibility of the carrier to make all such Statutory payments to Government authorities.

06. The required Wood / Steel Saddles for the transportation of DRUM shall be supplied by the BHEL at the time of loading of the Consignment.

07. The Transporter has to inform BHEL daily about the status of the day-to-day movement of the DRUM ,till it reaches the destination.

08. IMPORTANT TO NOTE:

(a) To get Entry Permission from State / Central Government authorities (viz. RTO, Check posts, NHAAI, CPWD, etc.) is the sole responsibility of the Transport Carriers only. BHEL will not take the responsibility. The Transporters should take note of and to follow MoRTH guidelines as and when released / to be released by MoRTH / NHAI authorities.

(b) After finalization of the Transport Contract, if the Transport Contractor is not in a position to move the DRUM in the originally envisaged route for some reasons, the Contractor should be in a position to move the Consignment safely through alternate / diverted route with the prior approval of BHEL at their own risks and costs. BHEL will not pay additional costs towards taking alternate / diverted route. The Contract rate is firm and final throughout the execution of the Contract.

09. The Quoted Transit Time (including to get Entry Permission from State Government / NHAI / PWD, etc. authorities) in the Technical bid shall be final. The Transporter is expected to transport the DRUM safely for a minimum distance of **50 km per day**. For unforeseen circumstances or as per guidelines / procedures of Central / State Statutory authorities that may be revised / changed, written permission should be sought from BHEL for change in Transit Time. However, BHEL will consider only genuine reasons.

10. Before Loading the DRUM , BHEL will examine the condition of axles, the vehicle and the Prime Mover and only after ascertaining suitability, the DRUM will be loaded.

11. With regard to the readiness of the DRUM for dispatch, the date / period indicated in the tender enquiry is **tentative**. By and large BHEL will communicate in the LOI or followed by Mail mDRUM .about the date of placement of axle in assembled condition giving two weeks time.

(i) In case of **advancement / postponement** of the dispatch schedule of the DRUM from the date / period given in the Tender Enquiry, then a suitable date will be fixed by mutually agreeing upon by BHEL with the carrier for placing the trailer in a fully assembled condition.

(ii) **Necessary communications from BHEL will be sent for axles mobilization, assembling work at BHEL premises and to place Hydraulic Modular inside factory premises (in fully assembled condition)**. As such, the tender conditions in respect of placement of trailer with axles shall also apply.
