## **SPECIFICATIONS FOR EIGHT BLADE WORKSTATION**

### **1.0 INTRODUCTION**

The present requirement is for One **Eight Node Blade Workstation**.

The Blade Workstations shall host individual applications on each Blade system which are authenticated by USB Dongles. The intention is to have a high performance, reliable and compact solution avoiding cabling between Blade systems. The scope of supply consists of all the hardware and OS required to meet the requirement detailed below including system administration and diagnostic tools. Specification for each Blade WorkStation is as follows

### **2.0 ENCLOSURE**

- |     |                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|-----|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2.1 | Number of Bays | <p>The enclosure shall support a minimum of <b>Eight</b> numbers of <b>Bays for</b> workstation Blades. The bays shall be oriented to allow easy access to slide in and out the Blade stations and swapping of hard disks of individual Blade systems.</p> <p><b>The enclosure shall have provision to house minimum of two numbers, backplane-integrated Gigabit Network Switches</b></p>                                                                                                                                                                                                                                            |
| 2.2 | Backplane      | <p>A Backplane or equivalent arrangement in the enclosure shall provide for accessing all the ports and I/Os of individual Blade Stations on to the enclosure, to facilitate interconnection between Blade Systems, Network switches and Power supplies.</p> <p>The Backplane should support standard interconnects like Gigabit Ethernet, 10Gb Ethernet and FC-SAN etc. (<b>Vendor should specify supported interconnects</b>)</p>                                                                                                                                                                                                   |
| 2.3 | Network Switch | <p>The Vendor should offer Backplane integrated <b>10GB</b> Ethernet network switch for connecting all the Sixteen ports of Eight Blades with following features:</p> <ul style="list-style-type: none"><li>• Should support port aggregation (IEEE 802.3AD) to be demonstrated during installation</li><li>• should have Minimum of <b>Four (4) External</b> Ethernet Ports. Out of which Two should be 10 GBPS with Fibre interface and Two should be 1 GBPS with RJ45 interface. The connectivity has to be demonstrated with the existing switch.</li><li>• The vendor should submit the schematic of the connectivity.</li></ul> |

- |      |                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|------|---------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2.4  | Power Supplies and Cooling Fans | <ul style="list-style-type: none"> <li>• The Enclosure shall have <b>hot swap</b> Power Supplies and <b>hot swap</b> Cooling Fans for 100% Redundancy &amp; Optimum Noise levels <b>for full capacity</b> of the Enclosure to be operated in Controlled Environment.</li> <li>• The Vendor should explicitly specify the number of bays for cooling fans and power supplies for the offered enclosure.</li> <li>• All the cooling fan bays and power supply bays should be fully populated.</li> </ul> |
| 2.5  | Form Factor                     | Compact enclosure, for housing all the blade systems and blade switches, with industry standard rack mount Form Factor should be supplied with all the necessary accessories to mount in a rack. The vendor should mount/install the enclosure in the rack.                                                                                                                                                                                                                                            |
| 2.6. | Enclosure Management Module     | On Board Administrator (Management) module to Support management of all the blades for troubleshooting, installation and diagnostics.                                                                                                                                                                                                                                                                                                                                                                  |
| 2.7  | DVD                             | One no of DVD with either internal (or) external having R/W support, for loading of OS and application.                                                                                                                                                                                                                                                                                                                                                                                                |

### 3.1 **BLADE SYSTEM**

The Eight Blade System shall be offered with eight blade work station. Specifications for each Blade work station are as given below

- |           |                                                                                                                                            |
|-----------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Processor | Two Nos. of Intel® Xeon® x5670 (2.93 GHz) Processor (12MB L3 Cache, 95W, DDR3-1333, HT, Turbo)                                             |
| Memory    | 12GB (6x2GB) Reg. DDR3-1333 (PC3-10600) SDRAM                                                                                              |
| NIC       | Two Nos. Multifunction 10GB Ethernet.                                                                                                      |
| HDD       | One no. 146GB 6G SAS 15K rpm SFF and One no. 300GB 6G SAS 10K rpm SFF<br>RAID controller : SAS 6Gbps Hardware with RAID 0, RAID 1 Support. |
| Graphics  | Graphics Controller with Min. 1GB RAM                                                                                                      |
| USB Ports | Minimum 1 No. of Internal USB-2.0 Port for Dongle/Key                                                                                      |
| OS        | Microsoft® Windows® 7 Professional 64-bit with legal license and media. Should be able to downgrade to Windows XP professional.            |
- 3.2. Front USB Ports: Min 2 Nos. of external USB-2.0 ports for connecting Dongle/Key/USB storage for at least Four Blade systems.

- 3.3. Anti Virus : The vendor should supply and install Anti virus with internet security for windows on each system. Should be from McAfee / Symantic / Quickheal / Trendmicro / Kaspersky .

**Offer should include definition update support for Three years.**

#### 4.0 Console

- 4.1 The application requires any Blade system to be monitored continuously on dedicated console having second generation intel Core – i5 processor / 4GB Ram / 500GB HDD / windows – 7 professional / keyboard / mouse with 2 nos. **24” LCD TFT** Colour Monitor with IPS panel and displayport interface.

- 4.2 The hardware, firmware/software necessary to meet the above requirements has to be included in the offer.

#### 5.0 **BENCHMARKING**

The system should be tested for continuous operability for at least 72 hours by installing and executing the given application under **Windows XP** environment.

#### 6.0 **UPS**

One number of 10 KVA UPS with double conversion online technology with pure sine wave output for full load operation of the proposed Blade enclosure with 30Minutes backup time at Full Load of the UPS Capacity and recharge time below seven hours.

#### 7.0 **WARRANTY**

All the offered items should cover **3 Year** comprehensive Warranty from OEM.

## **8.0 INSTALLATION AND SUPPORT**

- The vendor should install Microsoft® Windows® XP Professional and demonstrate the functionality
- The vendor should also install and demonstrate Linux OS
- The vendor should also install and demonstrate the given application which is currently working in the existing blade systems under windows – xp professional 32 bit.
- The vendor should install / configure and demonstrate
  - i. the virtual machines by using virtualisation software like virtual PC / Parallels Work station / VMware Workstations / or equivalent on Windows / Linux host.
  - ii. windows / linux OS in virtual machine
  - iii. application software which is already working in windows XP
- The vendor should also install / reinstall Windows 7 / Windows XP / Linux as and when required during the warranty period.

**9.0** Remote desktop Software to be installed in Two blade systems for supporting **more than** 1024 x 768 resolution and 16 bit colour depth.

## **10.0 MAKE**

Offers for reputed makes viz. IBM/ SUN/HP/DELL shall only be submitted.

**11.0 Rack** Industry standard 42U rack to accommodate blade enclosures or rack mountable servers.

- o The rack should
  - Be approximately 1000 mm depth and width 600 mm
  - have front door and rear doors with at least sufficient perforation for fully loaded rack.
  - Have slidable tray for keeping standard monitor and keyboard / system
  - Roof Mounted Fan Kit 220V
  - Be from HP/DELL/SUN/IBM/RITTAL/APC
  - Have sufficient number of Power Distribution Units (PDUs)

## General Terms and Conditions of Enquiry & Contract for the Purchase of Goods/ Services

1. The quotation and any order resulting from this enquiry shall be governed by these General Terms and Conditions of enquiry and contract for the supply of goods and the supplier quoting against this enquiry shall, unless specifically stipulates any different terms or conditions, be deemed to have read and agreed to the same.
2. Sealed quotations in double cover with tenderer's distinctive seal, superscribing enquiry number, date and due date are to be submitted so as to reach on or before due date & time, addressed to **Additional General Manager(MM), Bharat Heavy Electricals Limited, Corporate Research & Development Division, Vikasnagar, Hyderabad, Andhra Pradesh, India – PIN-500 093, India** to be deposited in Tender Box located at Security gate for hand deliveries.  
In the case of **Two-part bid**, each inner cover shall clearly be labeled as a) **Technical & Commercial Bid** containing technical data/ drawings/ catalogues/ quality plans along with commercial terms and conditions & **copy of the price bid with the price columns left blank (unpriced price bid)**, b) **Price bid** containing prices quotes. Installation and/or Commissioning charges shall be spelt out in absolutely lucid terms, taking into account total charges, rather than quoting vaguely, such as charges per man-day or charges per engineer per day etc. **If the price bid was found later to be different from the unpriced price bid in any way, the offer will be rejected summarily.** The rate shall be quoted in both figures and in words.
3. Any Supplier (Agents/distributors/ representatives )desirous of quoting imported goods/ services, they should submit the quote in foreign currency along with agency agreement copy, failing which their offer is liable for rejection. In case of non-submission of agreement copy, the principal should submit quotation to BHEL directly. Foreign suppliers will also indicate in their offer Indian agent's name, if any, and address with percentage of agency commission out of the quoted price, if any. Name and Address of the supplier's Bankers address should also be given
4. **Tender/ Technical bid Opening:** Unless specified otherwise, tenders/ technical bids will be opened on appointed date and time as mentioned in the enquiry or as communicated changed date/time, if any, in the presence of such of those tenderers who may be present.
5. **Late Tender:** Tenders received after tender due date/ time (12:00 hrs) shall be treated as late tenders and will not be considered..
6. The Quotation should be free from overwriting and erasures. Corrections and additions, if any, must be attested. Incase of difference in unit price and corresponding total value or figures or words/text, the buyer (BHEL) reserves the right to select the figures or words/text leading to lowest cost to buyer.
7. Supplier should indicate in the quotation dimensions (Size), weight, rate etc., in the metric system unless the enquiry calls for different unit.
8. **Validity of Quotation:** All quotations shall be kept open for acceptance for a period of ninety days from the date of opening of Tenders/ Technical bid and this shall be deemed to be an express condition of all quotations.
9. In the case of Two-part bid, the vendor should furnish technical clarifications, if any, within stipulated time mentioned, failing which, it will be construed that the vendor is not interested in the tender and BHEL shall not consider the offer for further evaluation.
10. **Price Impact:** In the event of any bidder, after finalizing the technical specifications and scope of supply, opting to revise their original bid, they have to submit the Price-Impact only. The Original price bid along with Price-Impact bid shall be opened during pricebid opening. Unsolicited bids will not be considered.
11. **Pricebid Opening:** Unless specified otherwise in the enquiry, the Price bids of technically qualified vendors shall be opened with prior intimation in the presence of such of those tenderers who may be present.
12. **Conformity to Specifications:** The material should be of the best quality and shall be conforming to our specification given in our enquiry. Unless otherwise agreed upon by BHEL, no payment shall be due by BHEL in respect of any sample. Offers without details of specifications/ applicable catalogues will not be considered and are liable to be rejected.
13. **Terms of Delivery:** All Suppliers shall quote the lowest prices on EXW/ FOB/ FCA basis in case of foreign suppliers and on ex-works /Free-on-Rail/Road /F.O.R-destination basis in case of Indian/ indigenous Supplies, indicating packing & forwarding charges if any, separately.
14. **Taxes and Duties:** Unless specified otherwise in the enquiry, BHEL do not provide "C" Form as it is engaged in R&D. All Indian suppliers shall clearly mention current Sales Tax/ VAT, Excise Duty, and Service Tax etc, if any, payable in addition to the quoted price and indicate applicable rates/ percentage, item-wise clearly. The vendors should mention applicable Registration Number(s) specifically in their quotation. Being a research institution, BHEL R&D is exempt from Customs duty against direct imports from foreign suppliers and exempt from Central excise duty against indigenous suppliers as per Govt. of India. Hence, suppliers are requested to submit their bids clearly stating applicable taxes/ duties. The quoted taxes/ duties will be taken for cost evaluation & order placement and no change will be entertained later except in the case of changes made by the Government.
15. **Insurance:** Insurance will be arranged by BHEL in case of Ex-Works as well as FCA / FOB basis supplies.
16. **Terms of Payment:** Full payment will be made within 30 days after receipt, inspection and acceptance of the material (and where involved, Erection and commissioning of the material/ equipment at BHEL/Destination) though Electronic Fund transfer (RTGS/NEFT/SEFT) with bank charges, if any, to the supplier's account. For foreign suppliers, the preferred payment term will be on wire transfer basis and bank charges inside India will be to BHEL account and outside India will be to supplier's account.
17. **Pricebid evaluation:** All offers shall be evaluated based on unit price, P&F, taxes/duties, freight charges if any, loading due to non-acceptance of our standard terms. All foreign offers shall be evaluated based on monthly exchange rates announced by Customs dept., Govt. of India as applicable at technical bid opening date. Suppliers shall quote competitive price and best delivery for all the items mentioned in the enquiry. BHEL reserves the right to reject partial quotations and to place order on overall landed cost basis. Correct date of effecting supplies in the event of an order should be indicated in the offer. If the supplier's quoted terms are different from BHEL standard terms , their offers will be evaluated as per Loading factors form sent along with enquiry.
18. **Packing:** The supplier shall be responsible for the goods being properly and adequately packed so as to prevent any loss, damage or deterioration during transit and indicate packing charges, if any, separately.
19. **Part/ Split Ordering:** BHEL reserves right to Order part of the item/ quantity of the enquiry and/or split the order among qualified vendors.
20. In case the goods enquired are on Rate Contract basis with any other unit of BHEL, such fact should be clearly indicated in the quotation giving full particulars of Rate Contract number, validity and price and also your willingness to comply with order if placed against such Rate Contract. A true copy of Rate contract signed by the supplier should be sent with the quotation.
21. **Inspection:** On receipt, the goods shall be subjected to inspection and also test, if necessary, and our decision regarding the acceptability of the goods shall be final and binding on the suppliers.
22. **Penalty for late delivery:** The time stipulated for delivery of goods shall be deemed to be the essence of the contract and delivery must be completed within the stipulated date/s. In the event of supplier's failure to supply the goods by the stipulated date/s, a penalty of ½% per week for the delayed no of weeks or part thereof for the undelivered portion of PO subject to a maximum of 10% of total order value shall be levied at the discretion of BHEL.
23. **Withdrawal from the Contract:** In case the supplier withdraws their offer before placement of order, BHEL reserves the right not to send next enquiry(ies). In case the supplier withdraws the quotation after its acceptance by BHEL or fails to supply the goods as per the terms and conditions of contract, or at any time repudiated the contract wholly or in part, BHEL shall be at liberty to cancel the Purchase Order and to recover from the supplier the extra cost and other loss, incidentals due to the breach of contract on the part of the supplier through risk purchase.
24. **Guarantee/ Warranty certificate and Manufacturer's Test report:** Invariably in all cases where it is so stipulated, the supplier should furnish Guarantee/ Warranty certificate valid for a period of 18 months from date of supply or 1 year from the date of receipt, acceptance and commissioning (or more, if provide by oem) whichever earlier and manufacturer's Test report along with the goods, failing which, BHEL shall have the right to reject the goods.
25. **Recovery of Dues:** BHEL shall recover any amount due from the supplier or any amount outstanding to the credit of the supplier with BHEL R&D unit or any other BHEL unit(s) and/or by legal action.
26. **Arbitration & Forum for Legal Proceedings:** All disputes arising in connection with indigenous/ foreign supplies shall be settled through arbitration held at Hyderabad, AP, India and arbitrator shall be appointed by BHEL from the enlisted panel. The Courts at Secunderabad/ Hyderabad, AP, India shall have jurisdiction in respect of any suit or other legal proceeding arising from or relating to this contract

The rights and remedies of BHEL stated in these General terms and conditions shall be in addition and supplemental to its rights and remedies under law and custom or usage of trade or business and shall in no way be deemed to limit, curtail, supercede or derogate from its said rights and remedies.
