TECHNICAL SPECIFICATIONS AND CONDITIONS FOR ANNUAL RATE CONTRACT FOR SUPPLY OF WOODEN PACKING BOXES/CRATES

1. SCOPE OF SUPPLY:

- 1.1 This is the annual rate contract for supply of wooden packing boxes and shall be valid for one year from date of annual rate contract (ARC). Actual drawing or dimensions of wooden boxes shall be given from user department to the supplier as per BHEL's requirement.
- 1.2 The wooden packing boxes are to be supplied in ready-to-pack condition at FSIP, BHEL Jagdishpur (hereinafter called as BHEL).
- 1.3 The estimated total volume of the supply of wooden boxes is only indicative & the actual volume may vary depending upon plant operation/ requirement. No minimum load is assured.

2. TECHNICAL SPECIFICATIONS:

- 2.1 The wood used in making boxes should conform to enclosed specification JP-TP-17 (latest revision).
- 2.2 Wooden packing boxes are to be supplied as per drawing, dimensions and purchase specifications given by BHEL which may vary from job to job/ ceralin.
- 2.3 A reference drawing no. 3 CSK-111 REV 04 for wooden box(for orifices) has been attached for tendering.
- 2.4 In case of unsatisfactory performance of quality / delivery BHEL will have right to discontinue the contract in part or full.
- 2.5 Entry of vehicle/ trolleys etc. loaded with boxes will be allowed between 9:00 AM to 3:00 PM on all working days. The unloading of boxes will be in the scope of supplier. The boxes should be unloaded and properly stacked at the designated places Specified by BHEL.
- 2.6 Deduction from bills will also be made in case of quality deficiency of the packing boxes as recommended by authorized BHEL representative.

3. BUSINESS/ WORK DISTRIBUTION: The business is reserved for Micro and Small Enterprises (MSE). The whole business is proposed to be distributed among 2 (two) successful bidders L1 and L2 in proportion of 60:40. For ranking the vendors as L-1, L-2, the basis will be lowest tender value arrived on the basis of landed cost to BHEL. The load will be distributed among **02 (Two)** most competitive vendors in the ratio of **60:40** subjected to more than three technically suitable offers received. The eligible vendors will be asked to match negotiated L1 price. However the load sharing is subject to acceptance of counter offer that is calculated with reference to the negotiated L1 price and linked with the vendor performance and capacity. In case of more than one vendor having same ranking, the load share corresponding to the ranking and the next ones will be clubbed together and will be equally distributed among such vendors. In case, any eligible vendor does not accept the counter offer, opportunity will be given to the next ranking vendor.

- If No other vendor is accepting L-1 rate, **100%** share will be allocated to L1 vendor.

BHEL may change the distribution of work if the quality of work and/or delivery of any of the contractor are not satisfactory during execution of the contract.

4. INSPECTION: The inspection and acceptance of boxes will be done at BHEL by QC personnel at the time of receipt of boxes. Entries of loaded vehicle of crates will be allowed between 9:00 AM to 3:00 PM on all working days. However BHEL will not be responsible for unloading of crates due to any reason thereof. The Unloading of crates will be in the scope of Vendor. Boxes meeting the
