

Price Format for Ventilation System and Air Conditioning (VAC) Pacakge for CHP and AHP							
ENQUIRY NO.77/18/6005/SAI							
PROJECT – Rourkela Power Project (PP-II: 1 X 250 MW)						Date	02.05.2018
Equipment : Supply OF Ventilation System and Air Conditioning (VAC) Pacakge for CHP and AHP						vendor	
SL NO	Description	QTY	U.O.M	Unit Ex-works price including Freight, Packing & Forwarding Charges	Total Ex-works price including, Freight, Packing & Forwarding charges	GST % as applicable	HSN No./ SAC Code
A	Design, Engineering, document submission, manufacturing, arranging the inspection as per standards at shop, testing, packing, supply of following to project site as per the scope mentioned in BHEL technical enquiry specification and NSPCL NIT documents & amendments & clarifications						
A.1	Complete mechanical dry ventilation (push pull) system in all underground buildings and tunnels like WT complex, TP-1, conv-1AB, conv-2AB, conv-9, conv-10, RH-1, RH-2, pent houses etc along with associated Electricals, C&I, ducting work, duct supports, supporting brackets, foundation bolts, fixing accessories for CHP	LOT	1				
A.2	Complete dry type Pressurized ventilation system for all the CHP MCC rooms along with associated Electrical, C&I items, supporting brackets, foundation bolts, fixing accessories etc	LOT	1				
A.3	Complete dry type exhaust ventilation system for battery rooms, charger rooms and toilets for CHP MCC buildings along with associated Electrical, C&I items, supporting brackets, foundation bolts, fixing accessories etc	LOT	1				

A.4	Complete dry type exhaust ventilation system for bunker bay along with associated Electrical, C&I items, supporting brackets, foundation bolts, fixing accessories etc	LOT	1				
A.5	Complete ventilation system for AHP Compressor cum Ash water Pump house along with associated Electrical, C&I items, supporting brackets, foundation bolts, fixing accessories etc	LOT	1				
A.6	Complete ventilation system for AHP HCSD Pump house along with associated Electrical, C&I items, supporting brackets, foundation bolts, fixing accessories etc	LOT	1				
A.7	Complete ventilation system for ash slurry pump house house along with associated Electrical, C&I items, supporting brackets, foundation bolts, fixing accessories etc	LOT	1				
A.8	Complete ventilation system for all AHP MCC rooms along with associated Electrical, C&I items, supporting brackets, foundation bolts, fixing accessories etc	LOT	1				
A.9	Complete ventilation system for Battery rooms and toilet rooms for AHP MCC buildings along with associated Electrical, C&I items, supporting brackets, foundation bolts, fixing accessories etc	LOT	1				
A.10	Complete Air cooled type Packaged Air conditioning system for CHP control room along with associated Electrical, C&I items, supporting brackets, foundation bolts, fixing accessories etc	LOT	1				
A.11	Complete Air cooled type Packaged Air conditioning system for AHP control room along with associated Electrical, C&I items, supporting brackets, foundation bolts, fixing accessories etc	LOT	1				

A.12	Complete Air cooled type Packaged Air conditioning system for wagon tippler control room along with associated Electrical, C&I items supporting brackets, foundation bolts, fixing accessories etc	LOT	1				
A.13	Complete Split type AC system for RIO room of WT MCC, CH MCC, TP-5 MCC, AHP MCC-1 and AHP MCC-2 along with associated Electrical, C&I items supporting brackets, foundation bolts, fixing accessories etc	LOT	1				
B	SUPPLY OF MANDATORY SPARES - MECHANICAL, ELECTRICAL AND C&I (AS PER ANNEXURE-1)	LOT	1				
C	INSTALLATION SERVICES						
C.1	Local transportation at site, Erection, Testing, Trial run, Commissioning, carrying out PG test, final painting after erection and handing over of all equipment & systems with associated electricals and C&I and other accessories covered in technical enquiry specifications including any items which are free issue to the bidder. Consumables, flushing oil, first fill and topping-up of oil till completion of PG Test / handing over to NSPCL	LOT	1				
	Grand Total for Deciding L1 Vendor						
In words :							

D	OPTIONAL PRICE FOR SUPPLY (NOT TO BE CONSIDERED FOR PRICE EVALUATION)						
D.1	Complete dry type exhaust ventilation system for dust suppression pump house (DSPH) along with associated Electrical, C&I items, supporting brackets, foundation bolts, fixing accessories etc	LOT	1				

NOTE:							
1	Above BOQ is inclusive of all the equipments & items, accessories, hardware, foundation Bolts, Gaskets, Couplings, Grouting materials, Paintings, shim etc. including vendor supplied electrical & instrumentation, items required for completing Ventilation and air conditioning System Package						
2	Above is inclusive for all contractual obligations including submission of Drawings, Documents, QAP, Painting schedule, O&M manual, Erection manual etc in required number of hard and soft copies as per enquiry specification, bidder's offer and all recorded discussions etc.						
3	GST shall be payable extra at actuals at prevailing rates.						
4	In Price bid submitted by the vendor, all the columns and rows should be filled						
5	Any column/ row left blank the same shall be treated as included in the total price Quoted.						

Bidder's Signature & Stamp
