NOTE																		
1	Quantities indicated above for S. No. A.1 to A.3 & B.1 to B.2 shall be known as Order Quantities.The variation in quantities of all sizes for Main item (A) & (B) put together shall be limited to (-) 30% to (+) 30% of the total contract value derived on the basis of the Ordered quantities of Main item (A) & (B).																	
2	The bidder shall indicate the unit price of each type and size of cables listed as per the BOQ-Cum-Price Schedule, the unit prices shall apply for adjustment of variation in quantity as stipulated above.																	
3	Manufacturing of the cables shall be taken up by the successful bidder only after approval of technical and quality documentation.																	
4	Delivery schedule of cables shall be as per NIT.																	
5	The standard drum length for power cables shall be as mentioned against each cable size above, The length per drum shall be subjected to a maximum tolerance of +/- 5% of the standard drum length.																	
6	Overall tolerance on total dispatched quantity of each size shall be (-) 2% and (+) 0%, Cables consumed for testing and inspection shall be to bidder's account.																	
7	For each individual cable size, one short length of not less than 200m may be accepted only in the final drum length to complete the supply, The overall tolerance limits stipulated above shall continue to apply (in case short lengths are accepted).																	
8	Bidder shall indicate unit price of cables inclusive of type test charges, No separate charges shall be payable for type tests.																	
9	In case the quantities cleared by BHEL for manufacturing are manufactured and offered for inspection by succesfull bidder in more than one batch, BHEL reserves the right to witness type testing on all batches.																	
10	Bidder shall quote for all sizes/types of cables as per specification, failing which their offer shall be rejected.
