The party shall primarily fulfill the Qualifying Requirements (QR) mentioned herein before BHEL invites competitive offer from such short-listed parties.

INTRODUCTION

Bharat Heavy Electricals Limited, a Public Sector Undertaking, is the largest Engineering and manufacturing enterprise in India in the energy-related/infrastructure sector, today. BHEL was established more than 50 years ago when its first plant was set up at Bhopal, ushering in the indigenous Heavy Electrical Equipment Industry in India- a dream that has been more than realised with a well recognised track record of performance. The company has been earning profits continuously since 1971-72 and paying dividends since 1976-77.

BHEL's operations are organised around three business sectors, namely Power, Industry and overseas Business.

To serve the customer better, 4 Power Sector regions were formed as Business Centres. Power Sector-Western Region (PS-WR) headquartered at Nagpur primarily covers the states of Gujarat, Maharashtra, Madhya Pradesh, Chattisgarh and Goa in the Installation of Power plants.
