Qty Split in the ratio of 70:30 is applicable for ordering between L1 & next higher bidder (who accepts the L1 price), excluding H1 only for Enq SIno: 17, 25, 26 & 29 only.									
All the ERW tubes shall be supplied with plain ended and with rust preventive oil coated condition.									
Notes:- "Offers from Chinese Sources will not be entertained".									
1. Quantity Tolerance: +/- 5% applicable on individual item and on over all qty also. Supplies beyond this tolerance are liable to be rejected and returned back to the supplier.									
2. Pointwise specific confirmation to BHEL TDC to be given in the Techno-Commercial Bid without fail; otherwise offer may not be considered.									
3. In case of supplies from any new foreign suppliers, who are not in BHEL Product Material Directory, material inspection shall be carried out by Third Party Inspection Agency like Lloyds or SGS or BVQI prior to shipment at Supplier's work and total inspection charges shall be borne by the supplier only. (Quoted price shall be inclusive of TP inspection charges). For indigenous suppliers, first inspection will be carried out by BHEL only and subsequent inspections will be by BHEL/BHEL approved Third Party Inspection Agencies.									
4. In case of offer with equivalent material grade, then copy of the entire specification of that equivalent grade shall be sent along with the techno-commercial bid without fail.									
5. Offer to be submitted through Enterprise Procurement System (EPS) only .In case of direct hard copy offers, the same will be returned to the supplier without opening.
