Remarks:

- In case of FOB Basis, the reference date shall be the date of Third party Inspection agency's Signature in the IBR Test Certificates for any LD purposes.
- In case of CFR Basis, the reference date shall be the Bill of Lading date for any LD purposes.
- Suppliers are requested to ensure the delivery of all sizes constituted in a LOT
- If any suppliers, omits any one of the sizes in any particular lot, then the total quantity for that size of hollow shall not be considered for them.
- A loading factor @1.0% per week (7 days) and part thereof cumulatively without an upper limit is considered for delayed delivery against our indicated Lot Delivery.
- LD @0.5% per week and part thereof cumulatively subject to a maximum of 10% of material value for undelivered portion beyond the agreed delivery date.
- Partial shipment within the Lot size is allowed. Any size in a particular lot may be preponed to earlier lots without any loading factors. If shifted to any subsequent lots, then the loading factor shall be applied.
- Suppliers are requested to quote for FOB - Loading Port with applicable Sea Freight per MT, CFR -Chennai Port and CFR - Karaikal Sea Port separately for our consideration. CFR - karaikal port is Preferable for SSTP /BHEL.
- A Quantity Tolerance of +/- 3% on tender quantity of each size is applicable.
