Note # 23

We have floated open tender no E-588-23-0010-69-1 dated 12.10.2023 with due date of opening as 26-10-2023. Up to schedule date and time, we haven't received any quotation against this enquiry. However, three Parties namely M/s MTEK Pro- Ahmedabad, M/s MEC- Bangalore and M/s Gibson, UK have shown their interest to submit the offer and requested to extend the tender opening date by at least one week to submit the offer.

As we haven't received any offer upto scheduled tender opening date, hence to get maximum participation in this enquiry, tender opening date may be extended from 26-10-2023 to 02-11-2023. This proposal needs the approval of MM Head.

Submitted for kind approval.
