Sl. No.	Tender Clause	Tender Specification	Bidder's Query	BHEL Reply
1	S.No 2.1.3 of Technical Enquiry Specs S.No.2	For the convenience in communication/ sharing of information, the bidder's manpower shall be stationed in Bangalore. As per the requirement, the man power can be deputed to ISG office Bangalore with all resources to execute the job. The minimum manpower to be engaged on this project is as shown below. Draftsman 8 Nos. Engineers 4 Nos.	As per price format price of only 10 man-visits and 20 man-days has been asked whereas technical enquiry specs asks for deputation of 12 personnel for 6 months. Kindly clarify the ambiguity.	<p>1. As per the requirement of the contract specification bidder shall necessarily have their presence in Bangalore through main/ branch office or satellite office with fully equipped with office resources and minimum manpower of executives and draughtsman as stipulated in NIT spec. capable of executing the project. No separate price towards this is asked in price format and shall be included in main price. BHEL –ISG being located in Bangalore shall request bidder's design manpower to visit BHEL office as and when required by BHEL and since it will not be an outstation visit no separate man visit / man day cost will be reimbursed.</p> <p>2. Whereas as per Clause 2 of technical enquiry specification & Price format, Cost towards the Participation in discussions/ meetings, providing technical assistance during technical discussions/ meeting with customer for approval of drawing / documents etc. Boarding and lodging to attend these meetings shall be borne by the bidder. Bidder to consider minimum 10 visits and minimum 20 working man-days for participation in technical discussion. This separate provision for man visits and man day's rate is asked in price format for any visit / deputation outside Bangalore, required to attend meetings at Customer / Customer's consultant place for participating in technical discussion/ meeting. And the rate quoted under these headings will hold good for any additional man visits/ man days required outside Bangalore over and above the nos. indicated in price format till completion of the contract.</p> <p>3. Also, we wish to clarify the engagement /deputation of manpower is not limited to 6 months as presumed by the bidder and it shall be till submission of as built drgs. and completion of complete engineering activity. However, it is desirable that initially for minimum 6 months the minimum manpower of executives and draughtsman as stipulated in NIT shall work exclusively for this project.</p>
2	Form F-13	Indemnity Bond	Kindly specify defects liability period since the same is not mentioned in tender document.	This document shall not applicable for this tender.

3	S no. 7	LIST OF ENCLOSURES	<p>The following 3 Annexures listed in BHEL enquiry are not available with the documents uploaded. Please note that all documents enclosed are for Kothagudem. Please provide the relevant documents urgently, to enable us to take further action.</p>	<p>For the said tender, annexure are available in the m-junction website under file name ANNEXURE_1 to 6. Bidder shall download the same from the website. TSGENCO NIT specification of Kothagudem shall be followed for 5x800 MW Yadadri TPS.</p>
