ALL BIDDERS

Dear Sir,

SUB : AMENDMENT/CLARIFICATION- 04- REG

NAME OF THE WORK: CIVIL, STRUCTURAL & ARCHITECTURAL WORK FOR MAIN POWER BLOCK ALONG WITH ITS AUXILIARIES AND BALANCE OF PLANT FOR 2x250 MW EXPANSION PROJECT (UNIT Nos. 3 & 4) AT SIKKA THERMAL POWER STATION, GUJARAT STATE ELECTRICITY CORPORATION LIMITED, DISTT. JAMNAGAR, GUJARAT

T. S. No. – BHE/PW/PUR/SKT- CVL/564

Bidder may refer "Part-II (Volume-III) Price Bid- REV-01" issued against this tender vide Amendment-01 ref no : BHE/PW/PUR/SKT- CVL/564/AMD-02 Dt : 18/02/2008. In this BOQ, we have now included some new items and also revised some items considering bidders clarification. As such we are now issuing **"Revised Price Bid- Part-II (Volume-III) – Revision-02"** and therefore earlier price bid **"Part-II (Volume-III) Price Bid- REVISION-01"** shall be null & void. Further BHEL will not entertain any quarries raised by the bidders

Bidders are hence requested to quote their prices in Revised Price Bid- Revision-02 enclosed with this amendment. In case bidder quotes their price in earlier price bid, same **shall not** be considered as valid and will be rejected.

Please find below (i.e. in page no : 2 & 3)the data regarding soil & rock strata and depth of water table for Sikka Civil Work.

This data for soil & rock strata and depth of water table has been given to the bidders with the following condition of contract.

"The data regarding soil/rock strata and depth of ground water table are as per sample test results and are only indicative and for general guidance only. During actual execution of work, we may encounter variations from these indications, also the depth of water table is likely to vary with change of seasons. BHEL will make payments strictly based on actual measurements taken at site as per the existing items in rate schedule. BHEL will not admit any extra claims for payment from the contractor due to variations in depths/thickness of these strata/levels. However in case any altogether new item of work not included in the contractually agreed Rate Schedule is encountered during execution, contractor shall also carry out the same for successful completion of work and same shall be treated as an extra item for which rate shall be mutually decided as per relevant contract clause."

Some more Clarifications are as furnished below:

1) Use of Sulphate Resistant Cement (SRC): Earlier BHEL had indicated use of SRC for sub-soil RCC construction. The matter has further been examined by BHEL and it is now confirmed that use of SRC is NOT REQUIRED for this project. It is further confirmed that cement for all types of RCC work shall be OPC 43 grade.

2) Please refer BOQ Item No. 2215 (Heavy Duty Cast Iron Manhole Cover): Due to oversight, we had stated this manhole cover to be of 'Medium Grade' . This is to confirm that item no. 2215 is for **Heavy Duty** Cast Iron Manhole Cover of size 600 mm x 450 mm.

3) The clarification with regard to Cast Iron Manhole Doors for item no. 2214 of the BOQ (Medium grade CI Manhole Cover) shall however continue to remain applicable.

The amendment/clarification as mentioned above shall be a part of this tender specification. As such bidders are requested to consider above amendment/clarification while submitting their offers.

Bidders may please download these documents from web and enclose print out of same with technical bid duly counter signed by your authorized signatory and stamped with official seal as a token of your unqualified acceptance of this amendment.

THE LAST DATE FOR OFFER SUBMISSION FOR THE SUBJECT TENDER RESCHEDULED TO 12/03/2008. Bidders are requested to submit their most competitive offer on or before 6:00 pm (18:00 Hrs) of 12/03/2008 at our office. The Technical Bids will be opened on 13/03/2008 at 11.00pm (11.00Hrs) in our office. BHEL will not give any further extension for offer submission.

All other terms & condition of the tender specification shall remain unchanged unless and otherwise expressly amended by BHEL.

Thanking you.

Yours faithfully
