NOTE:

1) Sl. Nos. 1 will be considered for Price Evaluation. Each Package (Package 1 to Package 3) shall be evaluated separately.

2) Offer will be rejected incase, offer is submitted without completely filled-in and signed Price Schedule.

3) Vendor shall mention "Quoted" against each material code.

4) Vendor shall Quote same price against identical material code . Incase any discrepancy found after price bid opening, lowest price will be considered against that material code.This is applicable for material codes repeated in all 3 packages (TC9754013055, TC9754013071 & TC9754013080)

5) Any additional requirements which are essential for proper functioning of Fan Assembly but not indicated in specification are included in the main offer.
