The vendor should have manufacturing experience of minimum 5 years in the field (relevant Purchase order to be submitted), specify capacity (monthly production) of special paints of Inorganic Ethyl Zinc silicate , Epoxy paints , and their thinner .If vendor is an already BHEL approved supplier and give PO for the same .

4. The vendor has to specify particularly shortest lead time of supply , with their quantity of epoxy paints
5. The Vendor should have self-capability for testing Lab facility like salt spray test etc. for evaluation of paint, should give their testing facility .
6. Vendor should give their painting scheme recommendations for different environment
7. Vendor must specify national and international standards being followed for production and testing of paints
8. Should have Quality policies, qualifying procedure (Quality plan/procedure, sampling plan for inspection of paints and quality system being followed like ISO and any other Quality system and adhering of same.
9. Customer feedback and their rating for the product being supplied

4) For BHEL Approved Vendors:

- a) Offer from BHEL approved vendors with average vendor performance rating (VPR) of more than 75 out of 100 (for the last five years) as on date of technical bid opening only will be considered. Other offers will be rejected for this enquiry. Vendor performance rating (VPR) is a dynamic system, captured data based on their past supply performance pertaining to BHEL-Ranipet purchase orders.
- b) Offer from Vendors with overdue of pending supplies (ie., three months or beyond the stipulated delivery of BHEL-Ranipet purchase order)as on date of technical bid opening will not be considered. Since such delayed supply or non-supply affects our production and projects .

For NON BHEL Vendors:

- a) Vendors need to furnish proof of supplies they have made in time to their customer for the last 2 years as per delivery schedule given in Purchase Order/ contract. Proof of acceptance for the material supplied like receipt & acceptance voucher/ receipt to be submitted along with offer.

Offers that doesn't meeting the prequalification requirements will not be considered for further process.

Quantity Split:

BHEL reserves the right to split the tendered quantity against each enquiry in the ratio of 70:30 among the L1 and L2 vendors respectively. The L1 rate will be counter offered to the L2 vendor and upon acceptance of the counter offer, PO will be placed on L2 vendor for 30% of the enquiry quantity. If L2 vendor does not accept counter offer, it will be counter offered to next higher bidders leaving out H1 bidder (i.e., H1 bidder will not be given any counter offer) and also if no one accepts the counter offer, the entire enquiry quantity will be ordered on the L1 vendor. Pl note that delivery should be staggered as per

our Enquiry. No advance delivery acceptable to us. BHEL may revise the Delivery Schedule / Qty depending up on production requirement and the vendor has to supply accordingly.
