1. We, <Firm name>, Chartered Accountants, the Statutory Auditors of M/s <Bidders name> ("the Company") have been requested by the company to verify the amount of value added in India (i.e. the total value of the items procured excluding net domestic indirect taxes, minus the value of the imported content, if any, of the above mentioned items including all custom duties), as a proportion of total value. This certificate is required by the company for purpose of availing purchase preference under public procurement (preference to make in India), Order 2017 to ensure local content in minimum 50% in the above mentioned tender.

Management's responsibility

2. The responsibility for the preparation of the details of total value as well as proportion of value added in India of the aforementioned items is that of the management of the company. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the afore said details. The management is also responsible to ensure local content of minimum 50% in the above mentioned tender for purpose of availing purchase preference under public procurement (preference to make in India), Order 2017. The management also confirms that they are aware that any false declarations in this respect will be in breach of the code of integrity under rule 175(1)(i)(h) of the General Financial rule for the company or its successors can be debarred for upto two years as per 151(iii) of the general financial rules also with such other actions as may be permissible under law.

Auditor's responsibility

3. Our responsibility is only to examine the details of total value as well as proportion of value added in India of the aforementioned items prepared by the management and to ensure that local content of minimum 50% in the above-mentioned items as required in the tender. Nothing contained in this certificate, nor anything said or done in the course of, or in connection with the services that are subject to this certificate, will extend any duty of care that we may have in our capacity of the statutory auditors of any financial statements of the company.
4. We have complied with the relevant applicable requirements of the standard on quality control (SQC) 1, quality control for firms that perform audits and reviews of historical financial information, and other assurance and related services engagements, further, our examination did not extend to any other parts and aspects of a legal or proprietary nature in the previously mentioned details.
5. We have been provided and verified the following documents in this regard; (a) bill of materials, i.e. details of raw and other materials used for production of aforesaid items; (b) sample invoices of raw & other materials procured by the company, and (c) other relevant details in respect of the above including written management representations. We have also relied on management representations that the entire raw and other material is fully indigenous and 100% value has been added in India.

Conclusion

6. Based on the procedures performed by us as referred in paragraph 3 to 5 above, and according to the information and explanations given to us, we confirm that amount of value added in India (i.e. the total value of the items procured excluding net domestic indirect taxes, minus the value of the imported content, if any, of the above mentioned item including all custom duties), as a proportion of the total value is <Mention the percentage> (fully indigenous) i.e. the above within the limits of minimum threshold of 50% as required for availing purchase preference under public procurement (preference to make in India), order 2017.
