

Annexure-C
Technical Specifications

A. Item wise Technical Specifications		
Enq. Item SL.No	Technical Specifications	Bidder Confirmation
1	PUMP Model No: CM3-4 Multistage horizontal mounting coolant/water pump with motor(close coupled) Model : CM3-4 A-R-A-V-AVBVF-A-A-N Make : Grundfos Flow : 3.1 M ³ / Hr @ 27 m (Approx. @ Maximum efficiency point) MOC : Casing: CI and Impeller: Stainless Steel Suction : End Suction	
2	PUMP Model No: CM3-5 Multistage horizontal mounting coolant/water pump with motor(close coupled) Model : CM3-5 A-R-A-V-AVBVF-A-A-N Make : Grundfos Flow : 3.1 M ³ / Hr @ 35 m (Approx. @ Maximum efficiency point) MOC : Casing: CI and Impeller: Stainless Steel Suction : End Suction	
3	PUMP Model No: CM3-6 Multistage horizontal mounting coolant/water pump with motor(close coupled) Model : CM3-6 A-R-A-V-AVBVF-A-A-N Make : Grundfos Flow : 3.1 M ³ / Hr @42 m (Approx. @ Maximum efficiency point) MOC : Casing: CI and Impeller: Stainless Steel Suction : End Suction	
B. General Technical Conditions for all the items		
1	Vendors shall quote the pumps equivalent to the enquired above mentioned make (Grundfos) exactly matching its dimensions and performance curves, preferably from any of the following makes. BE pumps/KSB/SEA PUMP/SUGUNA/RAJAMANE/SULZER	
2	Valid authorization dealership certificate from OEM shall be submitted along with the offer.
