	MEL MAHAN STG II (2X800MW)	SPARES	L183258290102005	POSITIONER UNIT ASS-2 & ASS-7	NO	1			

Note:

Tender will be finalized on Package wise evaluation SCAPH01(items37-42) & SCAPH02(items43-48) as per BoQ.

SCAPH01(items37-42):

Quantity shall be split between L1 and L2 in the ratio of 3:2 only for package 1 subject to matching of L1 price. Out of Five Projects, 3 Projects will be order on L1 and 2 Project will be counter offered to L2 upto N-1. (N – No of Techno commercial qualified bidders)

Bidder other than L1 supplier on acceptance of counter offer shall get the following project orders: Raigarh U1 & U2, Mirzapur U1 & U2.

Split will not be applicable in case of MSE bidder has accepted the counter offer for two project as per MSE guidelines in package No. 1.

Case 1- In case of eligible MSE bidder(s) for counter offer, Counter offer will be given to such eligible bidders as per MSE guidelines in package No. 1 for two projects. In case of non-acceptance, counter offer will be given as per Case-2.

Case 2- In absence of Non Eligible MSE for counter offer, counter offer will be given to L2, L3, L4 and so on (based on seniority) for 2 Projects as given above. Both the projects will be awarded to a single bidder only.

In case of more than 3 techno-commercial qualified offer, counter offer (for non-MSE bidder under case 2) will not be given to H1 bidder.

SCAPH02(items43-48): There will be no splitting -100% ordering on L1 only and counter offer will be done on eligible MSE bidder as per MSE guidelines
