

Special Instruction for “Supply of Interlocking Tiles (paver blocks)” at BHEL-CFP Rudrapur.

The following shall be in the Supplier's Scope:

- 1) Supply of M-30 grade 60mm thick Interlocking Cemented Tiles (paver blocks) at BHEL-CFP, Rudrapur.
- 2) The Interlocking tiles (paver blocks) will be supplied to BHEL CFP Rudrapur. Loading, unloading & transportation of materials will be in supplier's scope.
- 3) Delivery Schedule: Supply of Interlocking tiles (paver blocks) to be completed within 3 months from the date of award of PO.
- 4) The Interlocking tiles (paver blocks) should conform to strength as per IS 15658:2006. The Interlocking tiles (paver blocks) found not conforming to IS 15658:2006 shall be replaced by the supplier free of cost with required specification.
- 5). Onsite warranty of 24 months against defective supply of items shall be applicable from the date of receipt of materials at BHEL Rudrapur. Any defect / non-performance found in supply during the warranty period shall be replaced free of cost by the contractor.
- 6) Contractor shall be required to deposit an interest free Performance Bank Guarantee of @ 5% of total order value, which shall be retained by BHEL up to two months after successful completion of the warranty period.
- 7) Payment terms: e-Payment shall be made to supplier's account on submission of invoice and relevant documents, as follows:
 - I). 40% payment shall be released within 15 days of receipt and acceptance of 50% of material by BHEL.
 - II). Balance 60% payment shall be released on receipt and acceptance of balance 50% of material by BHEL.
- 8). Risk Purchase: BHEL reserves the right to exercise risk purchase in case of failure on the part of supplier to meet the supplier obligations under the contract w.r.t. supply of material and/or quality & failure to meet delivery schedule. BHEL shall not be liable to compensate the supplier for any loss arising out of risk purchase action.
- 9). Inspection of material: Inspection of material shall be carried out at BHEL. Three Test samples in every lot will be provided by supplier free of cost for this purpose. The compression testing of these samples against each supplied lots of CC interlocking paver blocks will be done as per specification at BHEL in presence of representative of Supplier.
