

Annexure - B

Pre-Qualification Criteria, Technical Specification & Vendor Details

A. <u>PRE-QUALIFICATION CRITERIA:</u> Only those vendors who satisfy the following conditions will get qualified in the tender:		
SL	PRE-QUALIFICATION CRITERIA	Bidder Confirmation
1	Only OLAER make accumulator spares are acceptable. In this regard the vendor shall submit authorised dealership certificate for supplying OLAER spares from the OEM.	
2	All applicable test certificates such as Material test certificate, Hardness test certificate, Inspection report etc. are to be submitted along with the supply.	
3	The Company profile details of the vendor has to be provided along with offer. Technical Catalogue shall be submitted along with offer for evaluating suitability. Otherwise it is liable for rejection.	
4	BHEL may review/ visit the vendor's credentials/ works for verifying the manufacturing facilities and any other credential furnished by the vendor. In case the information furnished with the offers found to be false/ incorrect, the offer shall be rejected.	
5	The supplied material shall be accepted and cleared only after getting satisfactory results upon inspection at BHEL, Trichy and if required after installation and successful operation of the supplied part in the intended machine at BHEL Trichy, due to the critical nature of the components pertaining to mounting dimensions. Hence if required the vendor shall visit BHEL Trichy with prior notice to BHEL, for better understanding the critical nature and place of application involved.	
6	The material shall be under warranty for defective workmanship for 18 months from the date of invoice or 12 months from the date of commissioning, whichever is earlier.
