

**Special Terms and Condition for Supply of 'Bleaching Powder'**

Special Terms & Conditions to be furnished/mentioned in Enquiry and subsequently in Purchase order:-

1. The Supplier shall submit test report of the material obtained from central Govt./NABL/ILAC accredited laboratory. The test report shall conform to IS-1065 Part-2 (Latest revision/amendment).
2. Material shall be unloaded at its user place i.e. BHEL'S Water Treatment Plant, Jail Hill, Bhopal-462004 through CRX (Central Receiving Store) of BHEL,Bhopal. The material shall, firstly, be brought inside factory area for weighment and then taken out for unloading at the above-said plant. After unloading, the empty vehicle shall be weighed again inside the factory area. All the related formalities shall be, duly, gone through during this whole process. The unloading charges of the material shall be borne by the supplier himself.  
No detention/ halting charges of the transport vehicle shall be payable either to the supplier of the material or to the transporter if the transport vehicle get detained/ delayed due to any reason whatsoever. It may be noted that the plant is located in VIP area i.e. opposite the New Vidhan Bhawan which is about 8 Kilometers away from CRX (BHEL) . There is 'NO ENTRY' time from 7 am to 11 pm for heavy Transport vehicles in the area.
3. Permission from Competent Authority of C.I.S.F. for Hammals to get entry in the plant area shall be taken by the supplier himself because the plant premise is a protected/restricted area.
4. First lot of 5 MT shall be supplied within 4 days from the date of placement of PO. Balance quantity shall be supplied within 15 days from the date of PO.
