			100.00%		577		-

- Note:
1. Drum unit, Magnetic Roller, PCR Roller or any other parts has to be replaced by vendor at its own cost without charging to BHEL.
 2. BHEL will not pay any extra cost apart from refilling price quoted in above field.
 3. Only the better quality ink (make: ITDL / FORMUJET/ ProDot) must be used for refilling.
 4. The empty cartridge will be either fresh or refilled one as available.
- However, refilling will be allowed to maximum 8 times in any individual cartridge.
