

Parallel Tender System to cope lockdown / COVID- 19 Situation

Due to lockdown / COVID- 19, a few vendors are unable to submit hard copy of their bids and are unable to physically witness the event of opening bids.

To cope with the situation, following systems developed-

1. All vendors submitting their bids through e-mail may be advised to have following clear subject line-

(i) Tender Enquiry Reference No. _____

(ii) Bid Opening Date (Part 1, Techno-Commercial) _____

Vendor to submit their bids as attachment (pdf format) with password protection and share the password through mail (tendercell.heep@bhel.in) after 1:45 PM (IST) on the day of bid opening, however if no password is received up to 4:00 PM (IST) bids will not be opened and will be ignored. Submission of bids through email shall be considered as consent to open the bid without physically witnessing the event.

2. Tender box is also placed in Ground floor in Main Admin Building so that vendors can submit their bid easily.

3. Video display of bid opening activities placed in Ground floor reception so that vendor's representative can witness the event.
