

COMMON MATERIALS MANAGEMENT DEPARTMENT (STEEL DIVISION)

Ref: CMM/Steel/E1413067/Corrigendum-2

Date: 11.02.22

Subject: Corrigendum - 2 for tender notice no. CMM/STEEL/21 – 22/E1413067 for procurement of various sizes of steel plates as per ASTM A 537 Cl. II.

- 1. Bid submission time for enquiry has been extended till 1600 hrs IST of 21.02.22.**
- 2. Following corrigendum related to technical requirement may be noted for compliance:**
 - A. Plate width and thickness dimension tolerances shall be as per our specification.**
 - B. However, length can be increased in multiples of original length provided that total quantity of plates to be reduced accordingly.**
 - C. Alternately, vendor can offer higher length size plates, acceptance of which shall be in BHEL's discretion depending upon wastage generated.**
 - D. The total weight per item should not exceed 10% of weight given in enquiry.**
 - E. Individual plate weight should not exceed 25 MT.**
 - F. The size variation of plates is allowed only during scrutiny of technical offer. After technical evaluation, size variation shall not be allowed.**

Rest all terms and conditions of the enquiry shall remain same.
