**PRE-QUALIFICATION REQUIREMENTS FOR "LP BYPASS SYSTEM"**

Clause No.	Pre-Qualification Requirements	Vendor's Response
1.	<p>a. The Vendor to confirm that they have previously designed, manufactured, tested, supplied, erected &amp; commissioned LP Bypass System (consisting of hydraulically actuated LP Bypass Valve along with Water Injection Valve and Hydraulic Power Supply Unit (HPSU)) for 660MW or higher capacity steam turbine unit. Further, design temperature for LP Bypass Valve should be 593° C or above.</p> <p>b. The vendor to confirm that the equipment(s) as per are Clause No. 1.a above are in successful operation in at least one (1) plant for a period not less than one (1) year as on date of issuance of enquiry.</p> <p>c. The vendor to submit experience details as per Annexure-A (copy enclosed) of supplied LPBP system complying the requirements mentioned at Clause No. 1.a &amp; 1.b. above. Further the date of issue of experience certificate shall not be prior to 01.01.2010.</p> <p>d. The vendor to confirm that they must have previously supplied &amp; commissioned the required instrumentation i.e. Transmitters, switches and gauges compatible with HPSU/EHA's of LPBP system for steam Turbine applications.</p>	<p>(a) Yes/No</p> <p>(b) Yes/No</p> <p>(c) Yes/No</p> <p>(d) Yes/No</p>
2.	<p>a. <b>A Joint Venture (JV)/ Subsidiary Company</b> formed for manufacturing and supply of equipment(s) as listed at clause no. 1 above in India, should have a valid collaboration or licensing agreement for design, engineering, manufacturing of such equipment(s) in India with a qualified equipment manufacturer who meets the requirements stipulated at clause no. 1 above (or the technology provider of the qualified equipment manufacturer). Further, in such a case, such qualified equipment manufacturers should have, directly or indirectly through its holding company/ subsidiary company, at least 26% equity participation in the Indian Joint Venture Company/ Subsidiary Company, which shall be maintained for a lock-in period of seven (7) years from the date of issuance of enquiry.</p> <p align="center">OR</p> <p><b>Indian Holding Company</b>, of the Qualified Equipment Manufacturer who meets the requirements stipulated at clause no. 1.a above for the respective equipment(s), should have a valid collaboration or licensing agreement for design, engineering, manufacturing of such equipment(s) in India with the qualified equipment manufacturer. Further, in such a case, such Indian Holding company shall maintain at least 51 % equity participation in the Qualified Equipment manufacturing company either directly or indirectly, which shall be maintained for a lock-in period of seven (7) years from the date of issuance of enquiry.</p> <p>b. In case the qualification is sought as per clause 2.a, The details of vendor (<b>JV / Subsidiary Company/ Indian Holding Company</b>) shall be submitted as per Annexure-B &amp; Experience details of vendor or collaborator (i.e. manufacturer of proven equipment meeting requirements as per clause-1.a. &amp; 1.b.) shall be submitted as per clause-1.c.</p> <p>c. In addition, the vendor (<b>JV / Subsidiary Company/ Indian Holding Company</b>), shall furnish DJU in which executant of the DJU shall be jointly and severally liable for the successful performance of the equipment. The DJU shall be submitted prior to the placement of order.</p>	<p>(a) Yes/No</p> <p>(b) Yes/No</p> <p>(c) Yes/No</p>
3.	<p>In case the vendor qualifies as per clause-2 above: -</p> <p>a. The vendor should have established manufacturing and testing facilities at its works as per Collaborator/licenser's design, manufacturing and quality control system for such equipment duly certified by the Collaborator/licensor as on date of issuance of enquiry.</p> <p>b. Further for subject project, the Collaborator/Licenser shall provide all design, design calculation, manufacturing drawings and must provide technical and quality surveillance assistance and supervision during manufacturing, erection, testing &amp; commissioning of equipment. Evidence/Confirmation to be furnished by the vendor.</p> <p>c. The Vendor to confirm to provide all design documents for offered equipment against this enquiry duly authored/vetted by its collaborator for review and approval by BHEL after placement of purchase order.</p> <p>d. The vendor to confirm that EHA, HPSU, Casting and Forgings shall be procured from its collaborator approved sub vendor only. Collaborator approved sub vendor list is to be furnished to BHEL.</p>	<p>(a) Yes/No</p> <p>(b) Yes/No</p> <p>(c) Yes/No</p> <p>(d) Yes/No</p>

**Signature of authorized signatory.....**

**Notes: -**

- Against vendor's replies, BHEL reserves the right to ask for more information/documents/clarifications. Vendor's offer shall not be considered if vendor fails to furnish the document/information/clarifications as mentioned above or vendor doesn't meet the above acceptance criteria.

**ANNEXURE-A**

**Experience Details for LP Bypass System: -**

S. No.	Details	BHEL Requirement	Vendor's Response
1.	Name of the station and its Location		
2.	Client name and its address, Fax no. & Tel. No.		
3.	Name, designation, e-mail ID & Mobile No. of the responsible person in client's organization		
4.	Purchase Order No. & Date		
5.	Capacity/Rating in MW of individual Steam Turbine Unit	≥ 660 MW	
6.	No. of Units		
7.	Date of Commissioning of LPBP system		
8.	Date of Commencement of Successful Operation		
9.	Years of successful operation as on date of issuance of enquiry	1 years (Min.)	
10.	<b>Mandatory enclosures:</b> - Certificate of satisfactory operation from their client/end user. Date of issue of experience certificate shall not be prior to 01.01.2012. Further, experience certificate shall contain at least the following information: i. Name of supplier ii. Name of power plant & Unit rating (in MW) in which LPBP system is installed iii. Design flow, pressure & temperature of LPBP valve iv. Operating flow, pressure & temperature of LPBP valve v. Performance status of LPBP system vi. Date of commissioning of LPBP system/Power plant start date/ plant synchronization date vii. Date of issuance of certificate		
11.	LPBP system designed & manufactured by		
12.	Control system designed & manufactured by		
13.	Design steam temp. for LPBP Valve	≥ 600° C	
14.	Design steam flow & pressure		
15.	No. of LP Bypass Valves per unit		
16.	Type of LPBP Valve (Single Stem/Double Stem)/ size		
17.	Body material of LPBP Valve		
18.	Type of actuator of LPBP Valve	Hydraulic	
19.	Make & model no. of Actuator of LPBP Valve		
20.	Make & model no. of Servo/Proportional Valve		
21.	Make of Hydraulic Power Supply Unit (HPSU)		
22.	Operating Hydraulic Pressure		
23.	Working Fluid (Mineral Oil/Fire Resistant Fluid)		
24.	Design Spray Water Flow (T/hr)		
25.	Spray Water Press/Temp. (ata/deg.)		
26.	Type of Actuator of water injection valve		

Information against Sl. No.1-14 are to be mandatorily provided by the vendors. Further, the vendor to submit all supporting documents like datasheet & drawing of supplied LPBP Valve, Water Injection Valve and schematic drawings of actuators & HPSU along with their functional write-up for BHEL information.

Signature of authorized signatory.....

**Annexure-B**

Detail of subsidiary/JV company proposed for manufacturing of LPBP System as per clause no. 3 of Pre-qualification requirement			
SL. NO.	Item Description	BHEL Requirement	Applicable data
1	Name and address with telephone no. of the Indian JV /subsidiary company/ Indian holding Company proposed for manufacturing of LP Bypass system.		
2	Name and address with telephone no. of the promoter(s) of the JV/subsidiary company/ Indian holding company.		
3	% of the equity held by the promoter(s).		
4	Equity lock in period	Seven (7) years from the date of issuance of enquiry.	
5	Name and address with telephone no. of the promoter of JV /subsidiary company/ Indian holding Company formed at sl. no. 1 above who meets the requirement of clause 1 of Pre-qualification requirement (PQR).		
6	M/s. .... (JV/subsidiary company/ Indian holding Company) has a collaboration or valid licensing agreement with M/s..... (subsidiary/JV promoter) for design, Engineering, manufacturing & supply of LP Bypass system in India.	The vendor to furnish valid collaboration/licensing agreement which should be in existence before the date of issuance of enquiry & shall be maintained for a lock-in period of seven (7) years from the date of issuance of enquiry.	
7	If Equity held by the qualified equipment manufacturer (as per clause 2.a of PQR).		
i	Whether equity held directly or indirectly?		
ii	If indirectly, then furnish the relationship tree along with all relevant subsidiaries and holding company.		
8	The vendor to furnish commitment for lock in period as per requirement.	Confirmation to be provided by the vendor	

The vendor to submit documentary evidence in support of above requirements.

**Purchase Indent No. 20222827 Rev. 00**

1. Total scope of supply against 2x660 MW Talcher project shall be as per the details given below:

SL. No.	Description	Qty/ TG set	Qty for 2 Units
1.	LP Bypass Valve with EHA & Desuperheater	02 Set	04 Set
2.	Hydraulic Power Supply Unit (HPSU)	01 Set	02 Set
3.	Water Injection Control Valve with EHA	02 No.	04 No.
4.	Flow Nozzle for WIV	02 No.	04 No.
5.	Dump Tube	02 No.	04 No.
6.	Commissioning Spares as BHEL Drg. No. 3-12300-56005	01 Set	02 Set
7.	Steam Blowing devices for LPBP valves	02 Set	
8.	Hydraulic test devices for LPBP valve	02 Set	
9.	Assembly & disassembly device	01 Set	
10.	Flushing Device for Control Fluid System	01 Set	
11.	Filling and gauging device for hydraulic accumulator	01 No.	
12.	Motorized control fluid pump for filling of fluid in CF Tank for HPSU	01 No.	
13.	Special tools & tackles as per clause-8.0 of ST47050 (Refer Point No.3 below)	01 set	
14.	Mandatory spares as per BHEL Drg No. 2-12300-50310	01 Set	
15.	Servo Valve (as spare)	01 No. each type & Model	
16.	Solenoid Valve (as spare)	01 No. each type & Model	
17.	Supervision and Training to customer during erection and commissioning at site for each TG set.		
18.	Lumsum price for supervision work during erection and commissioning of the equipments. (Refer clause no. 15.0 of ST47050).		

2. Following BHEL Drawings/specification may be referred:

- a. Drg. No. 2-12300-50300 Rev.00 (sh.01 & sh.02) for 'LP Bypass System'.
- b. ST47050 Rev.02.
- c. Drg. No. 3-12300-50301 Rev.00 for 'Input/Process data for LPBP valve and actuators.
- d. Drg. No. 3-12300-50302 Rev.00 for 'Arrangement of LPBP valve along with associated equipment'.
- e. Drg. No. 2-12300-50303 Rev.00 for 'Water Injection Control valve'.
- f. Drg. No. 3-12300-56005 Rev.03 for 'Commissioning spare parts for LP Bypass System'
- g. Drg. No. 3-13360-88501 Var01, Rev.00 for 'Flow Nozzle for W.I.V.'
- h. Drg. No. 3-12300-50310 Rev 00 for 'Mandatory Spares-LP Bypass System'.
- i. Drg. No. 0-12321-50000 Rev.00 for 'Suspension of LP Bypass valve'.
- j. Drg. No. 1-12300-56006 Rev 00 for 'Recommended Spares for LPBP system'.
- k. ST22007 Rev.06 (Technical Purchase Specification for Fire Resistant Fluid).
- l. HW0232898 Rev.02 (Sea-Worthy packing for Export Orders).
- m. Annexure-II-A & II-B (Check list to be submitted along with the offer).
- n. Annexure-III Rev.04 (Master list of documents).

- 3. In case special tools & tackles are not offered, these will have to be supplied free of cost, if required, at any stage of the project in future.
- 4. Mandatory spares shall be packed in a separate Box & shall be painted with Green colour for easy identification at site.
- 5. Additional one set of packing/ gaskets applicable for Steam Blowing devices and Hydraulic test devices for LPBP valves shall also be supplied by the vendor to take care the requirement against Unit-2.

1. Vendor must have previously designed (either by itself or under collaboration / licensing agreement), manufactured / got manufactured the equipment of the type and minimum equipment rating as per the details given below, such that the equipment is in successful operation in at least one (1) plant for a period not less than one (1) year prior to the date 23.03.2022: -

Name of Equipment	Type of Equipment	Equipment Rating
LP Bypass System	LP Bypass System For steam turbine generator sets	Capacity of each valve not less than <b>650</b> Ton/hr at pressure corresponding to 100% TMCR condition reheat pressure (abs) 58.52 kg/cm <sup>2</sup> & 600 deg.C reheat temperature at Turbine inlet.

Vendor shall offer and supply only the type of above equipment for which it, itself or the manufacturer proposed by the vendor for the above equipment is qualified.

2. (a) A JV/ Subsidiary Company formed for manufacturing and supply of equipment(s) as listed at clause no. 1 above in India, should have a valid collaboration or licensing agreement for design, engineering, manufacturing of such equipment(s) in India with a qualified equipment manufacturer who meets the requirements stipulated at clause 1 above (or the technology provider of the qualified equipment manufacturer). Further, in such a case, such qualified equipment manufacturers should have, directly or indirectly through its holding company/ subsidiary company, at least 26% equity participation in the Indian Joint Venture Company/ Subsidiary Company, which shall be maintained for a lock-in period of seven (7) years from the date of incorporation of such Joint Venture/ Subsidiary or up to the end of defect liability period of the contract, whichever is later, as per the format F.

OR

Indian Holding Company, of the Qualified Equipment Manufacturer who meets the requirements stipulated at clause 1 above for the respective equipment(s), should have a valid collaboration or licensing agreement for design, engineering, manufacturing of such equipment(s) in India with the qualified equipment manufacturer. Further, in such a case, such Indian Holding company shall maintain at least 51 % equity participation in the Qualified Equipment manufacturing company either directly or indirectly, which shall be maintained for a lock-in period of seven (7) years from the date of acquisition of such Qualified Equipment manufacturing company or up to the end of defect liability period of the contract, whichever is later, as per the format F.

(b) The Vendor shall be required to furnish a letter of support from Collaborator(s)/ Licensor/ Technology provider for successful performance of respective equipment(s) valid up to the end of defect liability period of the contract as per the attached Format-G, at the time of placement of order on the approved vendor.

3. Before taking up the manufacturing of such equipment(s) as per clause 2 above, the Vendor/ its sub vendor(s) must create (or should have created) manufacturing and testing facilities at its works as per Collaborator/ licensor's design, manufacturing and quality control system for such equipments duly certified by the Collaborator/ licensor.

Further, the Collaborator / Licensor shall provide (or should have provided) all design, design calculation, manufacturing drawings and must provide (or should have provided) technical and quality surveillance assistance and supervision during manufacturing, erection, testing, commissioning of equipments.

4. The Vendor shall offer and supply only the type of the above equipment(s) for which it, itself or the manufacturer / Collaborator(s) / Licensor(s) proposed by the Vendor for the above equipment(s) is qualified.
5. The Employer reserves the right to fully satisfy himself regarding capability and capacity of the vendor / its sub-vendor(s) and the proposed arrangement and may prescribe additional requirement before allowing manufacture of the equipment listed above for this contract.
6. The Vendor shall be required to furnish the documents as required in Annexure-D for submission to the customer for their approval.

Signature of authorized signatory.....

- 
1. If qualification sought as per clause 1 (Clause 3.1 of Sub-section-1A, Section-VI, Part-A of customer) then the experience details shall be filled by the vendor in attached Format-E.
  2. If the qualification sought as per the clause 2 (Clause 3.3 of Sub-section-1A, Section-VI, Part-A of customer), then the details of JV/Subsidiary Company/ Indian holding company formed for manufacturing of such equipment in India shall be furnished by the vendor such as,
    - I. Copy of document of incorporation of JV/Subsidiary company in India
    - II. Copy of collaboration or valid licensing agreement for design, engineering, manufacturing, supply of such equipment in India with the collaborator or technology licensor who meets the requirement stipulated at 1.
    - III. Copy of document of at least 26% equity participation of qualified equipment manufacturer in the Indian JV company/subsidiary company directly or indirectly through its holding company/Subsidiary company, which shall be maintained for a lock -in period of seven (7) years from the date of incorporation of such JV/subsidiary or up to the end of defect liability period of the contract whichever is later.

Further, the experience details of collaborator or technology licensor or technology provider of the qualified equipment manufacturer who meets the requirement stipulated at 1, shall be filled by the vendor as per attached Format-E. In addition to that, the vendor along with the Indian JV company/subsidiary company, qualified equipment manufacturer and its holding company/subsidiary company as applicable shall furnish the DJU.

**FORMAT FOR FILLING THE DETAILS OF PROVENNESS  
LETTER OF SUPPORT FOR SATISFACTORY PERFORMANCE OF  
(EQUIPMENT/ SYSTEM NAME- LP BYPASS SYSTEM)  
FOR TALCHER-III STPP (2X660MW)**

TO  
[EMPLOYER'S NAME & ADDRESS]

**Sub:** Letter of Technical Support submitted from ..... (name of the Associate\*/ Collaborator\*/ Technology provider\*/ Licensor\*/ Holding Company\*) undertaking the responsibility for satisfactory performance of LP Bypass System (Name of the equipment/system\*).

Dear Sirs,

1. In accordance with the Award of the Contract by ..... (Name of the Contractor) to M/s. .... (Name of the sub-vendor), we, the aforesaid Associate\*/Collaborator\*/Technology provider\*/Licensor\*/Holding Company, (M/s ..... ) shall be fully responsible for the satisfactory performance of the LP Bypass System (Name of the equipment/system\*).
2. Further, the manner of achieving the objective set forth in point 1 above shall be as follows for LP Bypass System (Name of the equipment/system\*):
  - (a) We shall be fully responsible for design, engineering & commissioning and extending all necessary support for putting in to satisfactory operation and carrying out the Guarantee Tests for LP Bypass System (Name of the equipment/system\*) to the satisfaction of the Employer.
  - (b) We shall depute technical experts to Bidder's/sub-vendor's works for supervision during manufacturing, assembly, inspection, as and when required by Employer. We shall participate in site erection, commissioning and final testing (as and when necessary) of the LP Bypass System (Name of the equipment/system\*).
  - (c) We shall participate in Technical Co-ordination meetings (TCMs) from time to time, as and when required by Employer.
  - (d) We shall promptly carry out all the corrective measures and shall promptly provide corrected design and shall undertake replacements, rectifications or modifications to the equipment/system\* as and when required by Employer in case the equipment/system\* fails to demonstrate successful performance as per contract at site.
3. We, the Associate\*/Collaborator\*/Technology provider\*/Licensor\*/Holding company\* do hereby undertake and confirm that this Letter of Technical Support shall be valid for a period of seven (7) years or up to the end of defect liability period of the contract, whichever is later.

**Buyer Specific Special Terms and conditions (In addition to GTC & ATC of GeM)**  
**Item name: LP BYPASS SYSTEM WITH SPARES, Project: 2X660 MW Talcher project**

**A. SCOPE OF ENQUIRY**

E-bids on GeM are invited from bidders for the supply of **LP BYPASS SYSTEM WITH SPARES** for Talcher project as per requirement mentioned below:

Sl. No.	Project	Material Code	Item Description	Total Quantity	Delivery Schedule
1.	Talchar Unit-1 Project	W90312300581 DRG: 21230050300 REV:00	LP BYPASS VALVE WITH EHA, DESUPERHEATER, HPSU, WATER INJECTION VALVE, FLOW NOZZLE AND DUMP TUBE	01 Set	03.06.2025
2.	Talchar Unit-2 Project	W90312300581 DRG: 21230050300 REV:00	LP BYPASS VALVE WITH EHA, DESUPERHEATER, HPSU, WATER INJECTION VALVE, FLOW NOZZLE AND DUMP TUBE	01 Set	03.10.2025
3.	Talchar Project	W99312301977 DRG: 31230050310 REV:00	MANDATORY SPARES FOR LPBP SYSTEM	01 Set	25.08.2025

**. B. Buyer Specific Special Terms and Conditions:**

Sl. No.	Terms	Description	Bidder's confirmation
1.	<b>Compliance of GTC on GeM</b>	In addition to the terms & conditions mentioned in below table, General Terms and Conditions on GeM 4.0 (Version 1.10) Dt. dt 31 <sup>st</sup> March 2023 or it's latest revision (if revised prior to issuance of enquiry) shall be applicable against this enquiry. Kindly confirm same is acceptable to you.	
2.	<b>Documents Checklist:</b>	Please submit signed and stamped copy of your offer on each page along with following documents; <ul style="list-style-type: none"> <li>• Buyer Specific T&amp;C.</li> <li>• Technical PQR &amp; its supportive document.</li> <li>• Technical drawing &amp; purchase specification.</li> <li>• Quality plan.</li> <li>• Certificate/self-certification for minimum local content as per PPP-MII order.</li> <li>• Integrity pact</li> <li>• EMD submission proof (if, applicable)</li> </ul> <p><b>Please note that technical documents shall be shared against submission of FCA (FCA copy enclosed) .</b></p>

To  
NAME  
& ADDRESSES OF THE BENEFICIARY

Dear Sirs,

In consideration of Bharat Heavy Electricals Limited (hereinafter referred to as the 'Employer' which expression shall unless repugnant to the context or meaning thereof, include its successors and permitted assigns) incorporated under the Companies Act, 1956 and having its registered office at \_\_\_\_\_<sup>1</sup> through its Unit at.....(name of the Unit) having awarded to (Name of the Vendor / Contractor / Supplier) with its registered office at \_\_\_\_\_<sup>2</sup> hereinafter referred to as the 'Vendor / Contractor / Supplier ', which expression shall unless repugnant to the context or meaning thereof, include its successors and permitted assigns), a contract Ref No.....dated .....<sup>3</sup> valued at Rs.....<sup>4</sup> ( Rupees -----)/FC.....(in words.....) for .....<sup>5</sup> (hereinafter called the 'Contract') and the Vendor / Contractor / Supplier having agreed to provide a Contract Performance Bank Guarantee, equivalent to .....% (.... Percent) of the said value of the Contract to the Employer for the faithful performance of the Contract,

we, ....., (hereinafter referred to as the Bank), having registered/Head office at ..... and inter alia a branch at ..... being the Guarantor under this Guarantee, hereby, irrevocably and unconditionally undertake to forthwith and immediately pay to the Employer any sum or sums upto a maximum amount of Rs -- -----<sup>6</sup> ( Rupees -----) without any demur, immediately on first demand from the Employer and without any reservation, protest, and recourse and without the Employer needing to prove or demonstrate reasons for its such demand.

Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs. \_\_\_\_\_.

We undertake to pay to the Employer any money so demanded notwithstanding any dispute or disputes raised by the Vendor / Contractor / Supplier in any suit or proceeding pending before any Court or Tribunal, Arbitrator or any other authority, our liability under this present being absolute and unequivocal.

The payment so made by us under this Guarantee shall be a valid discharge of our liability for payment thereunder and the Vendor / Contractor / Supplier shall have no claim against us for making such payment.

We the .....bank further agree that the guarantee herein contained shall remain in full force and effect during the period that would be taken for the performance of the said Contract/satisfactory completion of the performance guarantee period as per the terms of the Contract and that it shall continue to be enforceable till

all the dues of the Employer under or by virtue of the said Contract have been fully paid and its claims satisfied or discharged.

We .....BANK further agree with the Employer that the Employer shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said Contract or to extend time of performance by the said Vendor / Contractor / Supplier from time to time or to postpone for any time or from time to time any of the powers exercisable by the Employer against the said Vendor / Contractor / Supplier and to forbear or enforce any of the terms and conditions relating to the said Contract and we shall not be relieved from our liability by reason of any such variation, or extension being granted to the said Vendor / Contractor / Supplier or for any forbearance, act or omission on the part of the Employer or any indulgence by the Employer to the said Vendor / Contractor / Supplier or by any such matter or thing whatsoever which under the law relating to sureties would but for this provision have effect of so relieving us.

The Bank also agrees that the Employer at its option shall be entitled to enforce this Guarantee against the Bank as a principal debtor, in the first instance without proceeding against the Vendor / Contractor / Supplier and notwithstanding any security or other guarantee that the Employer may have in relation to the Vendor / Contractor / Supplier 's liabilities.

This Guarantee shall remain in force upto and including.....<sup>7</sup> and shall be extended from time to time for such period as may be desired by Employer.

This Guarantee shall not be determined or affected by liquidation or winding up, dissolution or change of constitution or insolvency of the Vendor / Contractor / Supplier but shall in all respects and for all purposes be binding and operative until payment of all money payable to the Employer in terms thereof.

Unless a demand or claim under this guarantee is made on us in writing on or before the .....<sup>8</sup>we shall be discharged from all liabilities under this guarantee thereafter.

We, ..... BANK lastly undertake not to revoke this guarantee during its currency except with the previous consent of the Employer in writing.

Notwithstanding anything to the contrary contained hereinabove:

- a) The liability of the Bank under this Guarantee shall not exceed.....<sup>6</sup>
- b) This Guarantee shall be valid up to .....<sup>7</sup>
- c) Unless the Bank is served a written claim or demand on or before \_\_\_\_\_<sup>8</sup> all rights under this guarantee shall be forfeited and the Bank shall be relieved and discharged from all liabilities under this guarantee irrespective of whether or not the original bank guarantee is returned to the Bank.

We, \_\_\_\_\_ Bank, have power to issue this Guarantee under law and the undersigned as a duly authorized person has full powers to sign this Guarantee on behalf of the Bank.

For and on behalf of  
(Name of the Bank)

## INTEGRITY PACT

### Between

Bharat Heavy Electricals Ltd. (BHEL), a company registered under the Companies Act 1956 and having its registered office at "BHEL House", Siri Fort, New Delhi - 110049 (India) hereinafter referred to as "The Principal", which expression unless repugnant to the context or meaning hereof shall include its successors or assigns of the ONE PART

### and

\_\_\_\_\_, (description of the party along with address), hereinafter referred to as "The Bidder/ Contractor" which expression unless repugnant to the context or meaning hereof shall include its successors or assigns of the OTHER PART

### Preamble

The Principal intends to award, under laid-down organizational procedures, contract/s for

\_\_\_\_\_. The Principal values full compliance with all relevant laws of the land, rules and regulations, and the principles of economic use of resources, and of fairness and transparency in its relations with its Bidder(s)/ Contractor(s).

In order to achieve these goals, the Principal will appoint Independent External Monitor(s), who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

### **Section 1- Commitments of the Principal**

1.1 The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:-

1.1.1 No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.

1.1.2 The Principal will, during the tender process treat all Bidder(s) with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential/ additional information through which the Bidder(s) could obtain an advantage in relation to the tender process or the contract execution.

1.1.3 The Principal will exclude from the process all known prejudiced persons.

1.2 If the Principal obtains information on the conduct of any of its employees which is a penal offence under the Indian Penal Code 1860 and Prevention of Corruption Act 1988 or any other statutory penal enactment, or if there be a substantive suspicion in this regard, the Principal will inform its Vigilance Office and in addition can initiate disciplinary actions:

## **Section 2 - Commitments of the Bidder(s)/ Contractor(s)**

- 2.1 The Bidder(s)/ Contractor(s) commit himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.
- 2.1.1 The Bidder(s)/ Contractor(s) will not, directly or through any other person or firm, offer, promise or give to the Principal or to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material, immaterial or any other benefit which he/ she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.
- 2.1.2 The Bidder(s)/ Contractor(s) will not enter with other Bidder(s) into any illegal or undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.
- 2.1.3 The Bidder(s)/ Contractor(s) will not commit any penal offence under the relevant Indian Penal Code (IPC) and Prevention of Corruption Act; further the Bidder(s)/ Contractor(s) will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
- 2.1.4 Foreign Bidder(s)/ Contractor(s) shall disclose the name and address of agents and representatives in India and Indian Bidder(s)/ Contractor(s) to disclose their foreign principals or associates. The Bidder(s)/ Contractor(s) will, when presenting his bid, disclose any and all payments he has made, and is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.
- 2.2 The Bidder(s)/ Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
- 2.3 The Bidder(s)/ Contractor(s) shall not approach the Courts while representing the matters to IEMs and will await their decision in the matter.

## **Section 3 - Disqualification from tender process and exclusion from future contracts**

If the Bidder(s)/ Contractor(s), before award or during execution has committed a transgression through a violation of Section 2 above, or acts in any other manner such as to put his reliability or credibility in question, the Principal is entitled to disqualify the Bidder(s)/ Contractor(s) from the tender process or take action as per the separate "Guidelines on Banning of Business dealings with Suppliers/ Contractors", framed by the Principal.

## **Section 4 - Compensation for Damages**

- 4.1 If the Principal has disqualified the Bidder from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover the damages equivalent Earnest Money Deposit/ Bid Security.
- 4.2 If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to section 3, the Principal shall be entitled to

demand and recover from the Contractor liquidated damages equivalent to 5% of the contract value or the amount equivalent to Security Deposit/ Performance Bank Guarantee, whichever is higher.

### **Section 5 - Previous Transgression**

- 5.1 The Bidder declares that no previous transgressions occurred in the last 3 years with any other company in any country conforming to the anti-corruption approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.
- 5.2 If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

### **Section 6 - Equal treatment of all Bidders/ Contractors / Sub-contractors**

- 6.1 The Principal will enter into agreements with identical conditions as this one with all Bidders and Contractors. In case of sub-contracting, the Principal contractor shall be responsible for the adoption of IP by his sub-contractors and shall continue to remain responsible for any default by his sub-contractors.
- 6.2 The Principal will disqualify from the tender process all bidders who do not sign this pact or violate its provisions.

### **Section 7 - Criminal Charges against violating Bidders/ Contractors /Subcontractors**

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

### **Section 8 - Independent External Monitor(s)**

- 8.1 The Principal appoints competent and credible Independent External Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
- 8.2 The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the CMD, BHEL.
- 8.3 The Bidder(s)/ Contractor(s) accepts that the Monitor has the right to access without restriction to all contract documentation of the Principal including that provided by the Bidder(s)/ Contractor(s). The Bidder(s)/ Contractor(s) will grant the monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his contract documentation. The same is applicable to Sub-contractor(s). The Monitor is under contractual obligation to treat the information and documents of the Bidder(s)/ Contractor(s) / Sub-contractor(s) with confidentiality in line with Non- disclosure agreement.
- 8.4 The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the contract provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.

- 8.5 The role of IEMs is advisory, would not be legally binding and it is restricted to resolving issues raised by an intending bidder regarding any aspect of the tender which allegedly restricts competition or bias towards some bidders. At the same time, it must be understood that IEMs are not consultants to the Management. Their role is independent in nature and the advice once tendered would not be subject to review at the request of the organization.
- 8.6 For ensuring the desired transparency and objectivity in dealing with the complaints arising out of any tendering process, the matter should be examined by the full panel of IEMs jointly as far as possible, who would look into the records, conduct an investigation, and submit their joint recommendations to the Management.
- 8.7 The IEMs would examine all complaints received by them and give their recommendations/ views to CMD, BHEL, at the earliest. They may also send their report directly to the CVO and the Commission, in case of suspicion of serious irregularities requiring legal/ administrative action. IEMs will tender their advice on the complaints within 10 days as far as possible.
- 8.8 The CMD, BHEL shall decide the compensation to be paid to the Monitor and its terms and conditions.
- 8.9 IEM should examine the process integrity, they are not expected to concern themselves with fixing of responsibility of officers. Complaints alleging mala fide on the part of any officer of the organization should be looked into by the CVO of the concerned organisation.
- 8.10 If the Monitor has reported to the CMD, BHEL, a substantiated suspicion of an offence under relevant Indian Penal Code/ Prevention of Corruption Act, and the CMD, BHEL has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.
- 8.11 The number of Independent External Monitor(s) shall be decided by the CMD, BHEL.
- 8.12 The word 'Monitor' would include both singular and plural.

### **Section 9 - Pact Duration**

- 9.1 This Pact shall be operative from the date IP is signed by both the parties till the final completion of contract for successful bidder and for all other bidders 6 months after the contract has been awarded. Issues like warranty / guarantee etc. should be outside the purview of IEMs.
- 9.2 If any claim is made/ lodged during currency of IP, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/ determined by the CMD, BHEL.

### **Section 10 - Other Provisions**

- 10.1 This agreement is subject to Indian Laws and jurisdiction shall be registered office of the Principal, i.e. New Delhi.

- 10.2 Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.
- 10.3 If the Contractor is a partnership or a consortium, this agreement must be signed by all partners or consortium members.
- 10.4 Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
- 10.5 Only those bidders / contractors who have entered into this agreement with the Principal would be competent to participate in the bidding. In other words, entering into this agreement would be a preliminary qualification.

**Framework Confidentiality Agreement cum Undertaking**

This Agreement made on this the \_\_\_\_\_ day of (month) \_\_\_\_\_ 20\_\_\_\_ (“Effective Date”) by and between  
M/s BHARAT HEAVY ELECTRICALS LIMITED, having registered office at “BHEL House”, Siri Fort, New Delhi – 110049 (India), acting through its \_\_\_\_\_ Unit (hereinafter may be referred to as “BHEL” or “the Company”).

And

M/s \_\_\_\_\_ (address) \_\_\_\_\_  
represented by authorized representative Sri \_\_\_\_\_ (herein after referred to as the “Supplier”).

The Supplier and the Company may, unless the context otherwise requires, hereinafter be collectively referred to as “Parties” or singly as the “Party”.

**RECITALS**

Whereas, BHEL is engaged in the design, engineering, manufacturing, construction, testing, commissioning and servicing of a wide range of products, systems and services for the core sectors of the economy, viz. Power, Transmission, Industry, Transportation, Renewable energy, Oil & Gas and Defence and providing associated services to varied customers in relation to which BHEL/its affiliates own valuable information of a secret and confidential nature.

Whereas the Company may, in connection with Contract(s) (as defined hereunder) placed or to be placed upon the Supplier, or otherwise, from time to time, make available, Technical Information as is defined hereunder.

And Whereas BHEL is willing to provide such Technical Information to the Supplier from time to time and the Supplier understands and acknowledges that such Technical Information is valuable for the Company and as such is willing to protect confidentiality of such information, subject to the terms and conditions set out hereunder.

Now therefore, in view of the foregoing premises and in consideration of the mutual covenants and agreements hereinafter set forth, the Parties agree as under:

**1. Definitions:**

Unless the context so requires, in this Agreement, the following terms will bear the meaning ascribed to the said term in this clause.

- A. **“Contract”** means the Contract entered into with a Supplier and includes a Purchase Order, or a Work Order for procurement of any goods or for provision of any services.
- B. **“Effective Date”** means the date of this Agreement as mentioned in the preamble of this Agreement.

- C. **“Supplier”** includes a Contractor or a Vendor of the Company whether for supplying of goods or for providing any services under a Contract or both.
  - D. **“Technical Information”** includes Drawings, and/or Product Standards and/or Specifications and/or Corporate / Plant Specifications and/or Technological Process Sheets and/or Technical Data Sheets and/or Jigs & Fixtures and/or Pattern & Dies and/or Special Gauges and/or Tools etc. belonging to or wherein the Company has acquired from a third party a right of user and includes any improvement thereto from time to time whether carried out by the Company or by the Supplier.
  - E. **“Intended Purpose”** means the purpose for which the Technical Information is provided to the Supplier under or in connection with a Contract.
  - F. **“Improvement”** includes any modification made to, or adaptation of, the Technical Information which enhances or is calculated to enhance the performance (whether in terms of effectiveness or in terms of efficiency or both) of the product and/or the service to be provided by the Supplier under a Contract.
2. This Agreement shall come into force/deemed to have come into force, as the case may be, on the Effective Date; or, on the first date when the Technical Information or any part thereof is provided by BHEL to the Supplier; whichever is earlier.
3. **Agreement deemed to be incorporated in each Contract:** Unless and to the extent otherwise stipulated in the Contract, the conditions of this Agreement are deemed to be incorporated in all Contracts which may be entered into between the Company and the Supplier. Further, unless otherwise stipulated, the obligations under this Agreement are and will be independent of the obligations under the Contracts and such obligations of the Supplier hereunder will remain of full effect and validity notwithstanding that the period of validity of the Contracts has expired by efflux of time stipulated therein; or, the contract has been discharged by performance or breach; or, the termination of the Contracts for any reason whatsoever.
4. **Ownership:**
- 4.1 The Company may, from time to time, make available to the Supplier, Technical Information on a non-exclusive basis by way of loan.
  - 4.2 The Supplier acknowledges and agrees that all Technical Information and copies thereof that are or may be provided by the Company to the Supplier, are and shall remain the property of BHEL or that of the concerned entity from whom BHEL has obtained the Technical Information and such Technical Information are and shall constitute trade secrets of the BHEL. Nothing in this Agreement or in any disclosures made hereunder by or on behalf of the Company shall be construed as granting upon the Supplier any patent, copyright or design or any other intellectual property rights of whatsoever description that subsists or may hereinafter exist in the Technical Information. Furthermore, nothing in this Agreement or in any disclosures made hereunder by or on behalf of the Company shall be construed as granting upon the Supplier any license or rights of use of such patent, copyright or design or any other

intellectual property rights of whatsoever description which may now or hereafter exist in the Technical Information except for use of the Technical Information strictly in accordance with this Agreement and the Contract and/or as directed in writing by the Company, solely for the Intended Purpose under the Contract.

- 4.3 Neither Party is obligated by or under this Agreement to purchase from or provide to the other Party any service or product and that any such purchase/sale of any product and/or service by one Party to the other Party will be governed by the Contract if any, that may be entered into by and between the Company and the Supplier.
- 4.4 The Supplier is/has been made well aware and acknowledges that the Technical Information being/which may be shared with it by the Company has been either generated by the Company by incurring huge investment and cost or obtained from foreign collaborators under Technical Collaboration Agreement (TCA) with stringent confidentiality conditions.
- 4.5 The Supplier agrees and undertakes to adhere to confidentiality requirements as applicable to BHEL under a TCA and also ensure that the confidentiality requirements are adhered to by all its concerned employees or sub-contractors/suppliers (where permitted to be engaged by BHEL). Any damages, losses, expenses of any description whatsoever, arising out of or in connection with a breach of the confidentiality requirements under a TCA owing to any act or omission on the part of the Supplier or its employees or sub-contractors/suppliers that is claimed by a foreign collaborator from the Company shall be wholly borne by the Supplier and it shall keep BHEL fully indemnified in this behalf. The demand by the Company shall be conclusive upon the Supplier who shall thereupon forthwith pay to the Company without demur, dispute or delay the amount as demanded without demanding any further proof thereof.
- 4.6 The Supplier agrees and undertakes that unless so decided and advised by the Company in writing all rights/title to any Improvement to the Technical Information shall vest in the Company. The Supplier undertakes and agrees to inform forthwith to the Company of any such Improvement made to the Technical Information and transfer all drawings/documents or other materials connected with such Improvement to the Company and also agrees to fully cooperate with the Company for protecting the Company's interests in such Improvement in the Technical Information including but not limited to obtaining necessary protection for the intellectual property rights in such improvement, if so desired by the Company. If a question arises whether a modification amounts to Improvement to the Technical Information, the same shall be decided by the Company and such decision shall be final and binding upon the Supplier.

**5. Use and Non-Disclosure:**

- 5.1 Unless otherwise stipulated by the Company, all Technical Information made available to the Supplier, by the Company shall be treated as Confidential irrespective of whether the same is marked or otherwise denoted to be Confidential or not.

- 5.2 The Supplier undertakes and agrees that the Technical Information in its possession shall be held in strict confidence and will be used strictly in accordance with this Agreement and solely for the Intended Purpose under the Contract. Use of the Technical Information for any other purpose other than Intended Purpose is prohibited.
- 5.3 In particular, the Supplier shall not use Technical Information or any Improvement in its possession for the manufacture or procurement of the Product(s) or components or parts thereof or use the Technical Information or any portion thereof or any modification or adaptation thereof in any form to provide any product and/or service to any third party, without the prior written consent of the Company.
- 5.4 The Supplier shall not disclose any of such Technical Information to any third party without the prior written consent of the Company. The Supplier agrees that without prior written consent of the Company, the Supplier shall not disclose to a third party about the existence of this Agreement, or of the fact that it is/was in possession of or has experience in the use of any Technical Information nor shall the Supplier share in any manner whatsoever, with a third party, the name or details of any Contract(s) awarded by the Company to it or performed by the Supplier or the scope of work thereof or share any document or correspondence by and between the Company and the Supplier in or in connection with this Agreement or such Contract(s). Notwithstanding what is stated elsewhere, the overall responsibility of any breach of the confidentiality provisions under this Agreement shall rest with the Supplier.
- 5.5 The Supplier undertakes and agrees not to make copies or extracts of and not to disclose to others any or all of the Technical Information in its possession, except as follows:
- (a) The Supplier may disclose the Technical Information to such of its officers and employees strictly to the extent as is necessary for such officer or employee for the Intended Purpose, provided that the Confidential Information (or copies thereof) disclosed shall be marked clearly as the confidential and proprietary information of Company and that such officers and employees shall similarly be bound by undertakings of confidence, restricted use and non-disclosure in respect of the Technical Information. The Supplier shall be responsible for any breach of such confidentiality provisions by such officers and employees.
  - (b) With the prior written consent of Company, the Supplier may disclose for the Intended Purpose such Technical Information as is provided for in such consent to such of its professional advisers: consultants, insurers and subcontractors who shall be similarly bound by undertakings of confidence, restricted use and non-disclosure in respect of such Technical Information.
  - (c) The Supplier shall not be prevented to make any disclosure required by (i) order of a court of competent jurisdiction or (ii) any competent regulatory authority or agency where such disclosure is required by law, provided that where the Supplier

intends to make such disclosure, it shall first consult Company and take all reasonable steps requested by it to minimize the extent of the Technical Information disclosed and to make such disclosure in confidence and also shall cooperate with the Company in seeking any protective order or any other remedy from proper authority in this matter.

**6. Exceptions:**

The obligations of the Supplier pursuant to the provisions of this agreement shall not apply to any Confidential Information that:

- a) was/is known to, or in the possession of the Supplier prior to disclosure thereof by the Company;
- b) is or becomes publicly known, otherwise than as a result of a breach of this agreement by the Supplier.
- c) is developed independently of the Disclosing Party by the Supplier in circumstances that do not amount to a breach of the provisions of this Agreement or the Contract;
- d) is received from a third party in circumstances that do not result in a breach of the provisions of this Agreement.

7. The obligation of maintaining confidentiality of the Technical Information on each occasion, shall subsist for the entire duration during which the Technical Information / equipment is in possession of the Supplier and shall thereafter subsist for a further period of --- years from the date when the complete Technical Information has been returned to the Company and if Technical Information has been returned in portions on different dates then, the period of ---- years will be reckoned from the date when the last portion of the Technical Information has been returned. Notwithstanding the expiry of the confidentiality obligation, the obligation of the Supplier under clause 5.4 shall continue to subsist for a further period of ----- years.

**8. Warranties & Undertakings:**

a) The Supplier undertakes to ensure the due observance of the undertakings of confidence, restricted use and non-disclosure by its persons to whom it discloses or releases copies or extracts of the Technical Information.

b) The Supplier shall keep the Technical Information or improvement made therein properly segregated and not mix up the same with any other material/documents belonging to him/it or to any other third party.

c) The Supplier further undertakes that he/it shall not hypothecate or give on lease or otherwise alienate or do away with any of the Technical Information and/or equipment of the Company, made available to him/it, and undertakes that he/it shall hold the same as a trustee, in capacity of custodian thereof and use/utilise the same solely for the purpose of executing the Contract awarded by the Company.

d)The Supplier further undertakes that he/it shall return all the equipment and/or Technical Information as far as practicable in the same condition in which the same was made available to him/it by the Company together with any Improvement thereon and the documents connected with such Improvement, to the Company forthwith upon completion of the scope

of work or Contract for which such Technical Information was provided by the Company to it or as directed by the Company together with a confirmation by way of an affidavit or in such manner as directed by the Company that it has not retained any equipment and/or Technical Information/Improvement thereof. In case any such equipment and/or Technical Information or Improvement thereof shall remain in his possession or is not capable of being returned, the retention and use of such Technical Information or Improvement thereto shall continue to be governed by this Agreement.

e) The Supplier undertakes to indemnify the Company for all the direct, indirect and/or consequential losses, damages, expenses whatsoever including any consequential loss of business, profits suffered by the Company owing to breach by the Supplier of its obligations under this Agreement and/or the confidentiality requirements, if any, contained in the Contract and that the Supplier hereby agrees that the decision of the Company in all such or any such matter/s shall be final and binding on the Supplier. On mere written demand of the Company, the Supplier shall forthwith and without demur or delay pay to the Company any such sum as determined by the Company as the amount of loss or damage or expense which has been suffered by the Company. The Supplier agrees that the Company shall be entitled to withhold and appropriate any amount payable to the Supplier under any Contract then existing between the Company and the Supplier, in case the Supplier fails to make payment, in terms of the written demand, within 7 days thereof. Without prejudice to the foregoing actions, in respect to any breach of this Agreement, the Company shall be entitled to take any other action against the Supplier as per applicable laws, the Contract, Company's applicable policies, guidelines rules, procedures, etc.

9. Without prejudice to any other mode of recovery as may be available to the Company for recovery of the amount determined as due as per Clause 8(e) hereinabove, the Company shall have a right to withhold, recover and appropriate the amount due towards such losses, damages, expenses, from any amount due to the Supplier in respect of any other Contract (s) placed on him/it by any department/office/Unit/Division of the said Company.

**10. Arbitration & Conciliation:**

a) In case amicable settlement is not reached between the Parties, in respect of any dispute  
or

difference or claim or controversy arising out of the formation, breach, termination, validity or execution of the Contract(or Agreement) or the respective rights and liabilities of the parties or in relation to interpretation of any provision of the Contract or in any manner touching upon the Contract, then, either Party may, by a notice in writing to the other Party refer such dispute or difference or controversy or claim, (except as to any matters, the decision of which is specifically provided for therein) to the sole arbitration by the arbitrator appointed by Head/In-Charge of the Unit/Division/Region.

b) The Arbitrator shall pass a reasoned award and the award of the Arbitrator shall be final and binding upon the parties to the dispute.

c) Subject as aforesaid, the provisions of Arbitration and Conciliation Act 1996 (India), or other statutory modifications or re enactments thereof and the rules made thereunder and for

the time being in force shall apply to the arbitration proceedings under this clause. The seat of arbitration shall be at ----- (**Insert the name of the city/town of the concerned BHEL Unit/Division**).

d) In case of Contract with Public Sector Enterprise (PSE) or a Government Department, the following shall be applicable:

In the event of any dispute or difference relating to the interpretation and application of the provisions of the Contract, such dispute or difference shall be referred to by either party to the arbitration of one of the arbitrators in the department of public enterprises to be nominated by the Secretary to the Government of India in-charge of the Department of Public Enterprises. The Arbitration and Conciliation Act, 1996 shall not be applicable to arbitration under this clause. The award of the arbitrator shall be binding upon the parties to the dispute, provided, however, any party aggrieved by such award may make further reference for setting aside or revision of the award to the Law Secretary, Department of Legal Affairs, Ministry of Law and Justice, Government of India. Upon such reference the dispute shall be decided by the Law Secretary or the Special Secretary or Additional Secretary when so authorized by the Law Secretary, whose decision shall bind the parties hereto finally and conclusively.

e) Notwithstanding the existence or any dispute or differences and/or reference for the arbitration, the Supplier shall proceed with and continue without hindrance the performance of its obligations under this Contract with due diligence and expedition in a professional manner.

**11. Governing Law & Jurisdiction:**

This Agreement shall be governed by and be construed as per applicable Indian Laws in force at the relevant time.

Subject to clauses 10(a) and 10(d) hereinabove, all matters in connection with the subject agreement shall be subject to exclusive jurisdiction of Courts situated at -----(**insert the name of the place where the BHEL Unit/Division is located**)
