Sub: Empanelment of Travel Agency for booking of domestic air tickets for M/s. BHEL- HPVP, Visakhapatnam for a period of two years - Reg.

Tender Enquiry No: OPS/OS/SC/2020-21/58/095, Date: 12.02.2021

The following changes are effected in the above referred NIT instead of existing clause.

For Existing Clause No. 11 of NIT: REVERSE AUCTION

READ AS:

11. REVERSE AUCTION:

BHEL shall be resorting to Reverse Auction (RA) (**Guidelines as available on www.bhel.com**) for this tender. RA shall be conducted among all the techno-commercially qualified bidders.

Price bids of all techno-commercially qualified bidders shall be opened and same shall be considered as initial bids of bidders in RA. In case any bidder(s) do(es) not participate in online Reverse Auction, their sealed envelope price bid along with applicable loading, if any, shall be considered for ranking."

This will be decided after techno-commercial evaluation. Bidders have to give their acceptance with the offer for participation in RA. Non-acceptance to participate in RA may result in non-consideration of their bids, in case BHEL decides to go for RA.

Those bidders who have given their acceptance to participate in Reverse Auction will have to necessarily submit 'Process compliance form' (to the designated service provider).

If the lowest sealed envelope price bid is the starting price, then the lowest bidder in sealed envelope price bid shall be shown as current L1 automatically by the system. System shall have the provision to indicate this bid as current L1 for further bidding.

1. Reverse Auction will be conducted if two or more bidders are techno-commercially qualified.
2. In case of two or three qualified bidders, there shall be no elimination of H1 bidder (whose quote is highest in sealed envelope price bid). In case of four qualified bidders, the H1 bidder shall be eliminated whereas in case of five qualified bidders, H1 & H2 bidders shall be eliminated.
3. However, in case of six or more qualified bidders are available, RA would be conducted amongst first 50% of the bidders arranged in the order of prices from lowest to highest. Number of bidders eligible for participating in RA would be rounded off to next higher integer value if number of qualified bidders is odd (e.g. if 7 bids are qualified, then RA will be conducted amongst lowest four bidders). However, there will be no elimination of qualified bidders who are MSE or qualifying under PPP-MII, Order 2017, irrespective of the number of bidders qualifying techno-commercially.
4. In case of multiple H1 bidders, all H1 bidders (excluding MSEs and bidders qualifying under PPP-MII, Order 2017) shall be removed provided minimum two bidders remain in fray, else no H1 removal.
5. Start price for RA to be L1 of e-bid/ sealed envelope price bids.
6. Minimum two techno-commercially qualified bidders are required to conduct RA.

In case of no further bidding, RA will be deemed to have been successful with current L1 bidder.
