संदेश

कॉर्पोरेट सामाजिक उत्तरदायित्व (सीएसआर) की दृष्टि से यह वर्ष अत्यंत महत्वपूर्ण रहा और हम सीएसआर की विभिन्न गतिविधियों को पूरा करने में सफल रहे। बीएचईएल का 51वां स्थापना दिवस देश के प्रत्येक भाग में स्थित हमारी इकाइयों के आस-पास सीएसआर कार्यक्रमों का आयोजन करके मनाया गया। बीएचईएल की 51 वर्षों की यात्रा काफी महत्वपूर्ण रही है और हमने अपनी सीएसआर गतिविधियों के माध्यम से समाज से जुड़ने के लिए उल्लेखनीय कार्य किए हैं। तथापि, समाज के उत्थान के लिए हमें अभी बहुत कुछ करना है।

हमारे मार्ग में चुनौतियां होंगी, किंतु इन पर विजय प्राप्त करना असंभव नहीं है। ये चुनौतियां हमें अवसर प्रदान करेंगी, जिससे समाज में हमारी पहुंच बढ़ेगी तथा निरंतर जटिल होते हुए व्यावसायिक वातावरण और स्टैकहोल्डरों की बढ़ती हुई अपेक्षाओं के बावजूद हम सीएसआर गतिविधियों का निर्वहन भली-भांति कर पाएंगे।

अतः इस स्तर पर, हमें सीएसआर के अंतर्गत अल्पकालीन हितों के बजाए समाज के जीवन स्तर में दीर्घकालीन सुधार पर बल देना होगा, जो नैतिक मूल्यों पर आधारित हो। यह हमारे सामूहिक प्रयासों से अवश्य संभव होगा।

मैं पहले भी, आपको सीएसआर नीति और सीएसआर कार्यक्रमों तथा योजनाओं के कार्यान्वयन संबंधी प्रक्रियात्मक दिशानिर्देशों का पूरी गंभीरता से अनुपालन करने की आवश्यकता के बारे में अवगत करा चुका हूँ। अतः हमें राष्ट्रनिर्माण के पुनीत कार्य में योगदान करते हुए संवेदनशील और उत्तरदायी कॉर्पोरेट नागरिक के रूप में हमारी कंपनी द्वारा किए जा रहे सद्प्रयासों की गति को कायम रखना होगा।

बीएचईएल वर्ष 2016-17 में स्वच्छ भारत अभियान के लिए एक लाख श्रम घंटे समर्पित करने के लिए प्रतिबद्ध है और मुझे विश्वास है कि हम अपने प्रयासों और समर्पण के फलस्वरूप इस लक्ष्य को अवश्य पार करेंगे। आइए, हम संकल्प लें कि **"स्वच्छ बीएचईएल..... स्वच्छ भारत"** के माध्यम से इस प्रतिबद्धता को साकार करेंगे।

मैं **'सीएसआर प्रयास'** के प्रकाशन हेतु बीएचईएल की सीएसआर टीम को हार्दिक बधाई देता हूँ। इस पत्रिका में हमारी इकाइयों द्वारा बुनियादी स्तर पर किए गए प्रयासों को समाहित किया गया है। सीएसआर समन्वयकर्ताओं के सम्मिलित प्रयासों ने ही बीएचईएल की स्थापना की 51वीं वर्षगांठ के उपलक्ष्य में आयोजित किए गए सीएसआर उत्सव को भव्य एवं गौरवपूर्ण बनाया।

शुभकामनाओं के साथ,

डी बन्धोपाध्याय

Message

The year has been very dynamic on CSR front and we have been able to accomplish various CSR activities. The 51st BHEL Foundation Day was celebrated in BHEL by holding CSR events around our establishments having presence in every part of the country. The journey of BHEL in these 51 years has been quite eventful and through our CSR initiatives, we have done remarkable work to connect with the society. However, there is still a long way to go in terms of upliftment of society.

There will be challenges in our path but they are not insurmountable. These challenges provide us an opportunity for expanding our outreach to the society & showcasing our good CSR practices, despite the fact that the business environment is becoming increasingly complex with ever soaring stakeholders' expectations.

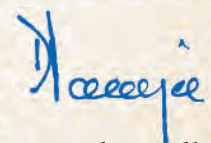

Hence, the overriding priority at this stage is to shift the focus from short-term considerations to long-term sustainable value creation for the society, built around corporate responsibility and ethics. This shall indeed be possible by the collective action that we can display.

I have earlier shared with you about the need to religiously follow our CSR Policy and the Procedural Guidelines for implementation of CSR programmes and initiatives. Let us, therefore, keep up the tempo of good work being done by our company as sensitive and responsible corporate citizens by rising to the mammoth task of nation building.

BHEL has given a commitment to dedicate one lakh man-hours for Swachh Bharat Abhiyaan in year 2016-17 and I am confident that our efforts and dedication will surely help to surpass this target. Let's take pledge to convert this into reality through the slogan "**Swachh BHEL... Swachh Bharat...**"

I congratulate the CSR team of BHEL for their efforts in bringing out the compendium - '**CSR Prayas**' which showcases the efforts made by our establishments to implement the CSR initiatives at the ground level. It was the combined effort of all the CSR coordinators that made the CSR celebration commemorating the 51st Anniversary of BHEL's incorporation a grand and glorious success.

With best regards,

(D. Bandyopadhyay)
Director (Human Resources)

Bhopal

Mass tree plantation program at Piplani:

On the occasion of 51st anniversary of BHEL's incorporation, a mass tree plantation program was initiated at B-Sector, Piplani, BHEL-Bhopal. The program was spearheaded by Executive Director, Shri A M V Yugandhar. 100 nos. of trees were planted during the program. A total of 2000 nos. of trees are planned to be planted during the year 2015-16. Senior BHEL-Bhopal officials, Union representatives, CSR team members and a large number of employees were present on the occasion.

Inauguration of Solar Street lights at Kamla Nehru Park:

On the occasion of 51st anniversary of BHEL's incorporation, a function marking the installation of 33 nos of solar street lights (30 Watt each) was held at Kamla Nehru Children's Park, Barkheda. Inaugurating the street lights, Shri A M V Yugandhar, Executive Director, BHEL-Bhopal stressed upon the need to harness Solar Energy in a big way. Expressing satisfaction and appreciating the efforts put in by the Unit. Shri Yugandhar said that provision of solar street light system at the Children's Park will help in creating awareness amongst visitors specifically children about the importance/usefulness of solar energy in their daily lives.

Mobile Medical Van program organized at village Sankal, Padariya:

On the occasion of 51st anniversary of BHEL's incorporation, a medical camp was organized at village Sankal, Padariya. The camp was organized as a part of Corporate Aligned Mobile Medical Van CSR Project for rural/poor people in 20 villages of BHEL Township through PHD Rural Development Foundation, New Delhi. During the camp, a total number of 72 patients (17 males, 28 females and 27 children) were treated and provided with medicines free of cost.

Agriculture Technology Intervention Project at Khargone Distt.:

On the occasion of 51st anniversary of BHEL incorporation, a meeting of farmers was organized at village Kadvali, Block Bhagwanpura, Khargone district. The meeting was organized as a part of “Agriculture Technology Intervention” a Corporate Aligned CSR Project being executed by Manthan Gramin Evam Samaj Sewa Samiti (MGSSS). Objective of the meeting was to make farmers aware about the reasons for reduction of Kharif crop during last year, prepare strategy for Rabi crop and use of limited water resources available due to low rainfall. Agriculture Scientist and officials interacted with the farmers and guided them on how to increase crop yield through usage of technology and scientific methods.

CFP Rudrapur

On this occasion, GM-I/c (CFP) laid the foundation bricks. GM (CFP) and DGM (HR/ PPC) also laid the foundation bricks. The foundation bricks were also laid by Sr. Executive (HR) and representative of INTUC on behalf of CFP-Rudrapur.

CSU & FP

On occasion of 51st Anniversary of incorporation of BHEL i.e. November 13, 2015, BHEL-CSU&FP, Jagdishpur inaugurated a CSR project related to distribution of Benches and Desks to students of Atrona Primary School at Atrona Village, Jagdishpur, Amethi, UP. The inauguration function was graced by Shri Vishwas Bhawe, GM-I/c, CSU&FP and Shri R K Paul, GM. The staff and students of the school, local authorities, public representatives, village Pradhan/ Pramukh, local villagers and CSR team of CSU&FP unit were present on the occasion. The people of the village, students and teachers were overjoyed to receive the benches & desks and profusely thanked BHEL for the same.

EDN Bangalore

To commemorate the "51st Anniversary of incorporation of BHEL" BHEL-EDN, Bangalore signed an MoU with Mobility India on November 13, 2015 to render financial support of Rs. 9.50 lakh for providing Assistive Devices to physically challenged & children with cerebral palsy, under Corporate Social Responsibility (CSR) programme of the unit for 2015-16. The Implementing Agency, Mobility India is working in the field of supporting people with physical disabilities. The MoU was signed by Shri K Parthiban, AGM/HR on behalf of BHEL-EDN and Mrs. Albina Shankar, Director, represented Mobility India.

Shri R.K.Tiwari, Executive Director, BHEL-EDN, Bangalore presided over the MoU signing function organized at the premises of Mobility India. Shri Tiwari distributed the assistive devices viz. developmental devices, wheel chairs, Jaipur foot and knee ankle foot orthosis, artificial limbs etc. to the beneficiaries. Senior BHEL-EDN officials, representatives of Unions & Associations were present on the occasion. Mobility India expressed its sincere gratitude to BHEL for supporting this noble cause.

EDN supports Cataract surgeries under CSR

In an event on November 13, 2015, Shri K Parthiban, AGM/ HR, BHEL-EDN signed an MoU to support 300 free Cataract Surgeries to be performed in rural districts of Karnataka under "Drishtidhana Yagna" project of Sri Vivekananda Sevashrama, a registered Trust under

Trust Act, 1982. The support is to the extent of Rs 4.5 lakh under CSR project of 2015-16.

EPD Bangalore

Shri S. Raj Sabapathy, Executive Director (CBU) laid the Foundation Stone for construction of Toilet Building for Boys and Girls at Govt. School premises under EPD's CSR project initiatives for 2015-16 at Jalahalli, Bengaluru on 13th November 2015 as part of the CSR Celebrations to commemorate the 51st Anniversary of BHEL's Incorporation.

Officer/Office of Head - ISG and School Development Management Committee Members and beneficiaries of the Govt. High School & Primary School, B. Narayanapura, Bangalore attended this event.

Jhansi

Implementation of the Corporate Social Responsibility Project "Cutting & Tailoring Training for poor Girls/Ladies of Pathari Village, Teekamgarh (MP)":

BHEL/Jhansi implemented the CSR project - Cutting & Tailoring training for the weaker sections of the society with the help of an NGO named "Nav Jyoti Shiksha Avem Samaj Kalyan Samiti, Gwalior". A training programme with a duration of three (3) months was provided to 70 nos. of women beneficiaries of the Pathari village, Distt. Teekamgarh (MP) under CSR initiatives for the year 2014-15.

After completing the training, participants will acquire various skills which will help them to get opportunities to go for employment or self-employment to support themselves & their families.

Implementation of the Corporate Social Responsibility Project "Distribution of Wooden Furniture to school of nearby villages".

1. Govt. PV Taparian, Block-Babina, Jhansi (UP)
2. Govt. PV Kanya Taparian, Block-Babina, Jhansi (UP)

BHEL-Jhansi has provided 58 Sets of Dual Desk-cum-Benches, under CSR Projects (2014 -15) for the benefit of the students of rural Govt. schools.

The furnitures have been handed over formally to Govt. Prathmik Vidhyalaya, Taparian, Block-Babina, Jhansi (UP) & Govt. Prathmik Kanya Vidhyalaya, Taparian, Block-Babina, Jhansi (UP). This is an attempt to encourage the students from rural areas for joining the school as well as to inspire the children to study well and achieve greater things in their endeavor and bring laurels to the families and to the society.

A total of 150 students from socially and economically weaker sections of the society and from rural background are studying in these schools.

The teaching faculty and students wholeheartedly expressed their gratitude to BHEL for supporting their institution under Corporate Social Responsibility with "THANKS TO BHEL".

Implementation of the Corporate Social Responsibility Project "Provision of Playground Equipments & Sports facilities for 2 village schools":

1. Govt. Kanya PV, Ganeshpura, Block-Babina, Jhansi (UP)
2. Govt. PV, Rajpura, Teekamgarh (MP)

As a part of CSR initiatives for the year 2014-15, BHEL JHANSI has provided the playground equipments & sports facilities for village schools to develop the physical and mental growth of the students & to encourage the students to attend the school regularly.

Play ground equipments (like Slide, See-saw, Rainbow Ladder) & sports facilities (like Carom Boards, Cricket Kits, Footballs, Skipping ropes, Flying Discs etc.) have been handed over to the village school's children. This is an effort to encourage the students from rural areas for joining the school and to promote them for participating in the games because "A Healthy Mind Lives In A Healthy Body".

The authorities of education department, teaching faculties and students thanked to BHEL - JHANSI for support towards providing sports equipments & sports facilities. Further, they informed that totally 300 village school's children of weaker section of the society are being benefitted by this CSR project.

Shri. H K Verma, AGM (HR), Shri. Dinesh Parte, Sr. Manager /HR / CSR Coordinator, CSR Committee Members and Officials from Jhansi were present on this occasion.

Implementation of the Corporate Social Responsibility Project "Providing Water Hand Pump in nearby villages".

1. PV, Heerapur, Block Babina, Jhansi
2. Near PV, Lehar Thakurpura, Block Babina, Jhansi

CSR celebrations commemorating the 51st Anniversary of BHEL's incorporation

CSR celebrations commemorating the 51st Anniversary of BHEL's incorporation

3. Junior High School, Rasoi, Block Babina, Jhansi

4. PV, Anandpur Thanga Block Babina, Jhansi

As a part of CSR initiatives for the year 2014-15, BHEL Jhansi has provided 4 Nos. of water Hand pump sets at nearby villages to provide clean water to the rural public & students of rural areas.

The water hand pumps have been handed over to the community. During the programme, the committee members interacted with the rural public and shared various initiatives taken up by the Companies under Corporate Social Responsibility towards nurturing the talents and skills of the youngsters, promoting education, health and community development, etc.

Totally 340 rural students from economically backward communities studying in these schools and the general public from the weaker section of the society are the beneficiaries of this project.

Implementation of the Corporate Social Responsibility Project "Providing Bus Stop at junction near Pathari (on the way from Chakarapur to Orchha)"

As a part of CSR initiatives for the year 2014-15, BHEL Jhansi implemented construction of the Bus stop this project with the help of our Township Civil Department (TCX) to provide the stoppage/waiting facility to the passenger of nearby villages.

Shri. M. Khasgiwala, ED (Jhansi) handed over the "Bus Stop/Passengers waiting" to the community in the presence of Shri D.K. Dikshit, GM (O), Shri Subhash Saxena, GM (Loco), Shri S.C. Gupta, GM (Trfr.), Shri H.K. Verma, AGM (HR), CSR Committee and other Senior Officials of Jhansi Unit and shared about the various initiatives taken up by the Unit under Corporate Social Responsibility towards nurturing the skills of the weaker section of the society, promoting education, health and community development etc.

This project will be beneficial to the passengers of 4 nearby villages and other passengers during their visit from one village to other villages. Also to quench the thirst of the travelers, a hand pump was provided under the CSR project during 2012-13.

This CSR Project has been implemented in association with our Township Civil Department (TCX), the contractor M/s A.B. Construction Jhansi & our CSR Committee.

Construction of Cremation Ground with shed in nearby village

Near Rajpura Village in the Premises of BHEL Campus

Under the CSR Initiatives 2014-15, BHEL-Jhansi has implemented construction of the Cremation Ground with shed, with the help of our Township Civil Department (TCX), to maintain hygienic environment.

Under this project, a new cremation shed is constructed and an old cremation ground was refurbished near Rajpura village in the premises of BHEL campus used by the residents of nearby villages and satellite colonies.

Approx. 500 families of nearby village Rajpura & satellite colonies of BHEL are the beneficiaries.

Agreement signed for "Financial Support for Mobile Science Labs (MSL) for Schools"

Jhansi & Nearby Schools/Colleges.

A Bipartite Agreement has been executed between BHEL and Agastya International Foundation, Bangalore for implementing the CSR Project - Financial Support for "Mobile Science Lab (MSL)" for Schools of Jhansi & nearby places under CSR project initiatives.

The agreement signed by Shri H.K. Verma, AGM (HR), BHEL Jhansi and Mr. G. Hariharan, Director (Partner Relation), Agastya International Foundation, Bangalore on 05.02.2015 in the presence of Shri M. Khasgiwala, ED, Jhansi, other Sr. Officials of BHEL, Jhansi and representatives of Agastya International Foundation.

During the programme held on 05.02.2015, Mr. G. Hariharan, Director (Partner Relation), Agastya International Foundation, Bangalore discussed that how MSL plays a role to improve the curiosity about the science subject in the students and understanding of the basic principles of Science.

During the Flag-off ceremony held on the eve of Independence Day (14.08.2015) at Main Gate (Factory) of BHEL, Jhansi, Shri M. Khasgiwala, ED, Jhansi handed over the Mobile Science Lab (MSL) to the community. During his speech, he said that this will help in sparking curiosity, nurturing creativity, and building confidence among economically disadvantaged children and teachers in rural India, through hands on science education (MSL). The representatives of Agastya International Foundation, Bangalore demonstrated the Physics, Biology, Astronomy and Chemistry experiments during the Programme.

Shri. D.K. Dikshit, GM(O), Shri Subhash Saxena, GM (Loco), Shri S.C. Gupta, GM (Trfr.), Shri Tarun Nigam, GM (WEX & CM), Shri Arun B. Gupta, GM (MM & CDC), Shri H.K. Verma, AGM (HR), Sr. Officials from BHEL, Jhansi, CSR Committee members, Representatives of Associations / Unions & a large no. of employee were present on these above occasions.

PEM Noida

Biofeedback Machine for TLM Community Hospital, Shahadra: -The Leprosy Mission India is in this service for leprosy patient for the last 140 years through various hospitals across the country. Lakhs of people affected by leprosy have been treated and gained from their

programs for over a century. Hospital at TLM Community Hospital, Shahadra mainly treats patient with Leprosy along with general patients. In this hospital, complete treatment of Leprosy Patients is being done. Leprosy patients were treated with free of cost OPD services and medicines. Agreement Signing Function of providing Biofeedback machine has been organized on 13th Nov 2015 on the occasion of 51st Anniversary of BHEL Incorporation under PEM's CSR initiatives. The Biofeedback Machine will reduce time and effort required for the transferred muscle into new muscle action. This will enable saving a lot of time of the patient and also increase the speed of treatment.

PPPU

On 51st Anniversary of incorporation of BHEL, BHEL-Thirumayam celebrates the occasion by way of giving back to the society through CSR initiatives

Under Healthy India, which also emphasizes promotion of sports as a means of preventive health care, Power Plant Piping Unit Thirumayam (PPPU) handed over Judo mat to Govt. Girls High School authorities at Thirumayam, Pudukkottai District, Tamil Nadu.

During the function organized at the Govt. Girls High School, Thirumayam on 13-11-15 Smt J. Janaki Govindaswamy handed over the Judo mats to Smt. T. Manonmani Headmistress/Govt. Girls High School, Thirumayam, in the presence of Shri J. Govindaswamy General Manager (Incharge) PPPU Thirumayam and B.Balasubramanian General Manager / PPPU Thirumayam.

Speaking on the occasion, Shri B. Balasubramanian General Manager/PPPU apprised the gathering of the continued commitment and endeavour of BHEL towards promotion of sports to facilitate preventive health care. The Judo mats will be utilized by the students of the Govt. Girls school students, many among whom belong to the Below Poverty Line category families.

Smt T. Manonmani, Headmistress/Govt. Girls High School, Thirumayam appreciated BHEL's concern and contribution towards this end and expressed confidence that utilization of these means would definitely bring about improvement in the standard of Sports of Students.

Also, under the BHEL's CSR thrust area - Educated India, PPPU-Thirumayam handed over Floor Mats to Panchayat Union Primary School authorities at Thirumayam, Pudukkottai District, Tamil Nadu.

As per the practice in Government primary schools, Activity Based Learning is being imparted to students from the First to Third Standard which requires them to take part in various learning activities while sitting in

groups on the floor. Floor mats will be utilized for this purpose.

During the function organized at the Panchayat Union Primary School, Thirumayam on 13-11-15, Shri J. Govindaswamy, General Manager/Incharge, PPPU Thirumayam, handed over the Floor Mats to Shri S. James, Asst. Education Officer Thirumayam, in the presence of Shri B. Balasubramanian, General Manager, PPPU Thirumayam.

Smt A. Arul Arockia Mary Headmistress/Panchayat Union Primary School Thirumayam informed that many students studying in the school are orphans or are having single parent with inadequate source of income. She also expressed that the initiatives being taken by BHEL will benefit such students belonging to rural and backward areas in and around Thirumayam.

The school with a total strength of 41 children studying in LKG & UKG standard were the beneficiaries of this medical camp. The student of the school are from the downtrodden and economically weaker sections of the society.

The medical camp was conducted by Dr. K. Hari Prasad, Sr. DGM / Medical, during which all the CSR committee members participated.

BAP Ranipet

The following two CSR events were organized by BAP, Ranipet on 13th November, 2015 to commemorate the 51st Anniversary of incorporation of BHEL.

Event 1 : Foundation Stone Laying Ceremony:

Foundation stone laying ceremony was organized for two projects viz. Construction of Science Lab and Construction of Computer Lab at Government Higher Secondary School located Poottuthakku Village, Vellore District. These two projects are being undertaken under unit level CSR projects for the year 2015-16. The estimated cost of each project is Rs. 9.5 Lakh.

Event 2: Providing Furniture to Sri Ramakrishna-BHEL School:

Shri. K.Mysaiah, Executive Director handed over 120 sets of Bench & Desks to Sri Ramakrishna- BHEL School located at BHEL Township. 2850 students are studying in this school of which 99% of the students belong to non-BHEL category from under privileged background. The total cost of the project is Rs. 5.88 Lakh and is being taken up as one of the Unit level CSR Projects for the year 2015-16. Due to shortage of furniture, a section of students were sitting on the ground. By providing the furniture, the students will feel comfortable and can concentrate on their studies.

Shri. C.V.Rajagopalan, GM/Engg., Shri. C.Ramiah, AGM/HR&IC, officials from BHEL, representatives from participative fora, Supervisor & Executives associations, Head Masters and staff of both the schools participated in the events.

HPEP Hyderabad

Solar Lighting in Errvally village-Corp. Aligned Project 2015-16

As per the agreement signed for the project, 440 nos. 1 kW solar lighting systems are being provided in the village Erravally in Medak Dist. The Project is being executed by TNREDCL as state Govt. owned Corporation (SPV) for renewable energy projects. In the project out of an estimated Rs. 1.57 Lakh for each 1 kw domestic solar lighting system, State Govt. is providing 30% of the cost as State subsidy, another 30% cost is MNRE subsidy, of the remaining cost 10% is to be borne by Individual beneficiary and remaining 90 % of the balance amount of 40% would be supported by BHEL under CSR. In addition to domestic solar lighting systems, 80 nos. solar street lights for Erallavally village and 70 nos. street lights for Bnajerpally village is provided in the scope of the project at an estimated cost of Rs. 7 Crore (approx), BHEL is providing Rs. 2.98 Crore financial support for the project.

On completion of the project, it is estimated that use of conventional energy would come down in Eravally village by more than 75% as compared to existing consumption.

Solar Street lights in Peddapur village & Thogarpally village - MOU project under 2014-15

100 nos (50 nos. for each village) solar street lights each of 36 watts are installed in both the village. The villages are selected based on recommendation of Distt. collector and Unit CSR committee with approval of Unit Head. Under the project, finalization of specifications of street lights, procurement is carried out by BHEL and identification of locations for installation of street lights is done by Village Panchayat through a Gram Sabha and communicated to BHEL through panchayat resolution. One of the important features of the project is automatic sensor based operation of street lights. These street lights would be switched on and off automatically at dusk and dawn based on the fall/rise of natural light. Even the battery specified is of higher capacity to illuminate for nearly two days with a single charge. Even the street light poles are designed to be raised to a height of 5 meters from ground to have proper lighting and prevent theft of accessories.

Villagers have expressed immense happiness in both the villages and requested for few additional numbers to completely shift to solar street lighting for the villages.

TBG

BHEL-TBG/CSR reaches to Hemophilics in Kashmir Valley

On 14.11.2015, as a part of "Celebration of 51st Anniversary of incorporation of BHEL", TBG/CSR team in association with Hemophilia Society Srinagar (J&K) organized the event of free distribution of AHF (Anti Hemophilic Factor) worth about Rs. 12 lakhs to 30 hemophilic children in Kashmir valley. The event was organized in Auditorium, Department of Media Education, Kashmir University.

The event was blessed with presence of Mr. Subodh Gupta GM-Fin (BHEL-IS) as Chief Guest of the event. Divisional Commissioner (IAS Officer) Jammu & Kashmir, Mr. Asgar Samoon graced the occasion as Special Guest. In his special address Divisional Commissioner highlighted the condition of health sector in the valley and applauded the initiative taken by BHEL for improving the living condition of hemophilics in the region. He also stressed upon joint effort of BHEL and Govt of J&K for betterment of the society.

Mr. Subodh Gupta and Mr. Asgar Samoon distributed the medical aid to the needy. 30 Hemophilics (8 from Kupwara Region and 22 from Srinagar Region) benefited from this CSR activities.

Eminent Social Worker Mr. Javed Ahmad Tak (founder of NGO Humanity Welfare Organization Helpline) also graced the occasion by his presence.

Dr. Shahid Rasool, Director, Media Education and Research Centre, Kashmir University delivered the vote of thank and formally thanked BHEL for the support

BHEL's CSR POLICY STATEMENT

BHEL, a global engineering enterprise providing solutions for a better tomorrow, is committed towards holistic welfare of the society by undertaking CSR activities within the ambit of Schedule-VII of the Companies Act, 2013, as amended from time to time. However, thrust areas for CSR activities will be:

I. Clean India:

Sanitation and making available Safe Drinking Water, Cleaning and preserving the Rivers, Clean surroundings and toilets in schools especially for girls;

II. Educated India:

Promoting education with thrust on informal education to reduce dropouts at primary school level, value education and digital education;

III. Green India:

Ensuring environmental sustainability with emphasis on projects based on Solar Energy;

IV. Healthy India:

Promoting health care including preventive health care and sports;

V. Heritage India:

Protection of national heritage, art and culture;

VI. Inclusive India:

Mitigation of hunger and poverty through livelihood promotion/augmenting income generation and Imparting vocational skills;

VII. Responsible India:

Women Empowerment, Setting up Old Age homes, Day Care Centre and such other facilities for senior citizens, Rural Development Projects and Slum Development Projects;

In the above thrust areas priority will be given to underprivileged, neglected and weaker sections of the society. The company shall give preference to the local areas for spending at least 75% of the amount earmarked for CSR activities. The remaining amount may be utilised beyond local areas. However, contribution made to the Central Government Schemes, where defining the area as well as the scope is not possible for the company, will be excluded while arriving at the 75:25 ratio.

It is desirable that CSR initiatives should be taken up in project mode, to the extent possible. However, it shall exclude any contribution made to the Central Government Schemes. Periodic review of this policy shall be done to ensure its continued suitability, adequacy and efficacy.

CSR Initiatives undertaken by Units

HPBP, Trichy

The CSR team of BHEL, Trichy has undertaken Projects worth Rs. 280 Lakh under two broad categories: Infrastructure development in villages as part of MoU projects and others under Unit Level CSR projects initiatives of Trichy Unit.

Clean India

Financial support to Thuvakudi Municipality for construction of Drinking Water tank under SSS: Rs.30.0 Lakh

Baseline Information:

Thuvakudi was one of the three villages that provided land to set up the Tiruchirappalli Unit of BHEL. Today, Thuvakudi is one of the Municipal Corporations in BHEL's neighbourhood. From a small village, Thuvakudi is now a town within municipal limits and is developing fast. The Municipal Commissioner and Elected Chairman of the Corporation submitted a proposal to build overhead water tank to augment the drinking water facility to meet the demand of an ever-growing population, under Tamil Nadu Government's Self Sufficiency Scheme (SSS).

SSS aims for creating basic infrastructure facilities with public participation in rural and urban areas. Public participation is a pre-requisite in planning, organising and funding of community activities which ensure the sustainability of those assets.

The total project cost is Rs.90 lakh of which two thirds will be contributed by the State Government and one third by BHEL, as per the SSS. The tank capacity is 500 cubic Meter (5,00,000 litres)

Execution of Project:

Inauguration of Devarayaneri Centre

An agreement was signed between BHEL and the Municipal Corporation. The Collector of Trichy District was given Rs. 30 Lakh for constructing the water tank. Foundation stone was laid by Shri A V Krishnan, the then Executive Director, BHEL, Tiruchirappalli.

Health care (Incinerator) to girl students: Rs. 19.25 Lakh

Baseline Information:

Disposal of sanitary napkins by girl students in colleges and Schools is an issue which involves stigma and uneasiness in addition to cleanliness issues. The NSS wing of Bharathidasan University, Trichy and WISH (Women Involved in Sanitation and Hygiene) came out with a proposal to provide Sanitary Napkin Incinerators (SNIs) to burn these napkins. BDU NSS wing and WISH made a baseline study and projected the request from Government and government aided colleges and Schools.

Execution of Project:

Distribution of Sanitary Napkin Incinerators to Bharathidasan University

An agreement was signed between BHEL and Bharathidasan University to provide 170 SNIs in a period of three years at a total cost of Rs. 57.18 Lakh. Through tendering process of Bharathidasan University incinerators were purchased and were issued to beneficiaries in the presence of Executive Director of BHEL and Vice Chancellor of Bharathidasan University. Girl students of fifteen Colleges and 45 Schools were the beneficiaries. In 2012-13 also, 25 such SNIs were provided to schools and colleges.

Educated India

The BDO of Thiruverumbur and elected president of Thirunedungulam forwarded the request of the Head

Construction of classroom at Asur Primary School

Mistress of the Government Girls Higher Secondary School for building additional class rooms, under the SSS scheme, to meet the need that arose as the school was upgraded to Higher Secondary level. BHEL signed an MoU to this effect with BDO and Rs. 20 Lakh has been given to the District Collector. The balance amount of Rs. 40 Lakh will be provided by the State Government.

Agreement Signing of construction of classroom at Thirunedungulam

Providing Furniture to Govt. & Govt. Aided schools: Rs. 12.33 Lakh

Many requests were received from Government schools for provision of furniture for use by students and teachers. Students studying in Government schools are from economically backward communities. Based on the requests received, BHEL purchased steel benches, Steel desk, Almirahs and Teachers' tables. These were distributed to eight schools in Trichy district.

Other projects implemented during 2014-15 under Educated India :

- Connecting of Roof in Government Girls High school buildings at Thirunedungulam.
- Renovation of class rooms and construction of Toilet at Primary School in Arasangudi village was carried out during the year.

Construction of connecting roofs at Govt High School, Thirunedugulam

- BHEL Provided Play items like, Slanting Bed, Sea saw, etc. for a primary School at Udhamanagalam, Thittai at a cost of Rs.65,000/- . This has resulted in increased attendance in the primary school as the play items attracted the children towards the school.

Inauguration of renovated Class Rooms Arasangudi

Green India

Providing Feeding cost of one Indian elephant: Rs. 2.89 Lakh

List of Feeding cost for rare animals in Arignar Anna Zoological park, Vandaloor, Chennai was obtained and it was agreed to bear the feeding cost of a few animals like Blackbuck, Wild Boar, Grizzled Giant squirrel, Nilgiri langur, Sea Eagle and Indian Elephant. A cheque for Rs. 2.89 Lakh was handed over to the Director, AAZP, Vandaloor, Chennai.

Solar Power Plants in Three Schools: Rs. 47.48 Lakh (MoU projects)

Grid-connected, Solar Power plants were installed in three of the government-aided Schools where the student strength of non-BHEL wards is nearly 100%, coming from working class families. The School names and capacity of the solar power plants are given below:

- a) Boiler Plant Boys Higher secondary School provided with 30 kW Solar power plant

Cheque distribution ceremony for providing feeding to rare species in Arinagar

- b) Boiler Plant Girls Higher Secondary School provided with 25 kW solar Power Plant
- c) Saradha Middle School Provided with 5 kW Solar Power Plant

Inauguration of Solar Power Plant

Healthy India

Conducting Medical camps and issuing medical items/ sanitary Napkins: Rs. 3.27 Lakh

Three medical Camps were conducted every year as follow up of previous year medical camps. The Three villages are a) Devarayaneri – a residential area of Gypsy Population. b) Pachamalai Hills, belt of tribal population and c) Asoor, village with a majority of population belonging to BPL families.

Free of cost sanitary napkins were distributed to girls of Govt. /Govt. Aided Schools.

Free Medical camp

Promotion of Sports: Rs. 4.0 Lakh

There were two projects. BHEL partnered with Indian Express Group in conducting an Inter Collegiate Cricket Tournament and partnered with Trichy Tennis Association to conduct Trichy Open Tennis, participated by international ranking players. BHEL provided Rs. 2 Lakh each for these two tournaments.

Heritage India

Promotion of Arts and Culture: Rs. 8.05 Lakh

Baseline Information:

Two of the oldest and popular musical instruments of Tamil Nadu are Nadaswaram and Thavil. The Nadaswaram, Nagaswaram, Nadhaswaram or Nathaswaram (Tamil: நாதஸ்வரம்), is a double reed wind instrument. It is a traditional classical instrument originated in Tamil Nadu and also used in Andhra Pradesh, Karnataka, and Kerala (India). The Thavil (Tamil: தவில்) is a barrel shaped drum from Tamil Nadu. It is used in temple, folk and Carnatic music, often accompanying the Nadaswaram. The Thavil and the Nadaswaram are essential components of traditional festivals and ceremonies in South India. Dr. Chinna Moulana Trust, a well-known name in the promotion of these arts came up with two proposal to provide music instruments to students who cannot afford them. Another proposal was to teach nuances of these arts to students passing out of government music colleges by renowned Gurus who are practising personalities.

Execution of Project:

An agreement was signed between Dr Chinna Maulana Memorial Trust and BHEL with milestone activities and payment schedules. Selection of Beneficiaries, selection of trainers, identifying manufacturers of Instruments

Signing of Agreement with Dr. Chinna Maulana Memorial Trust

and buying music instruments were the activities of the Trust. A function was held to provide the Music instruments. 6 Nadaswarams and 3 Thavils were given to 10 students who are being given advanced training with 4 Gurus in 4 centres.

Inclusive India

Skill Training to the prisoners: Rs. 15.04 Lakh.

Baseline Information:

Trichy central prison has many prisoners, many of whom are going to be released soon. In order to facilitate their rehabilitation after their release, CII Foundation submitted a proposal with the consent of Prison Authorities to provide training in welding to 200 prisoners in eight batches at a total cost of Rs. 36 Lakh in two years.

Execution of the project:

An agreement was signed between CII Foundation and BHEL for carrying out this project. The CII Foundation in turn entered into an agreement with the Prison Authorities. BHEL provided the cost of training infrastructure and training staff. CII Foundation partnered with TREAT as the execution partner to provide the training. The WRI agreed to test the trainees and issue certificates. First batch training has been completed. It is a two year project.

Employability through TREC STEP

To create employability to unemployed from BPL families through TREC STEP: Rs. 12.84 Lakh.

Baseline Information:

There are many unemployed youth in Trichy District and adjoining Districts. The programme is receiving good response from youth since there are many young people who could not afford even the nominal fees charged by TREC STEP. The project cost was Rs. 18 Lakh.

Implementation:

BHEL had signed an agreement project with TREC-STEP for sponsoring the cost of training these young people for three months. The Institute advertised, selected candidates and trained them. The following four different vocational courses a) Diploma in Computer Hardware & Technology, b) Certificate Programme for Mobile Phone, c) Diploma in AC & Refrigeration and d) Diploma in Electronic servicing were conducted and 250 persons were trained.

To Provide Sewing Machines, Agricultural Tools, etc. through Lions Clubs: Rs. 14.25 Lakh.

Baseline Information

Lions club of Trichy came up with the proposal to provide Sewing machines, Agriculture tools for poor woman and agricultural labourers. These people were from BPL families according to Government records.

Implementation

BHEL signed an agreement with the Lions club of Trichy. Procurement of sewing machines, agricultural tools and selection of beneficiaries was done by the Lions club. A grand function was held and 174 of persons were given sewing machines and 150 farming labourers were given agricultural tools.

Distribution of Sewing Machines & Agricultural Tools

Responsible India

Financial support to Anbalayam for procuring a vehicle: Rs. 5.72 Lakh

Baseline information:

Anbalyam is a home for wandering mentally ill, run by Anbalayam Trust. Now, Anbalayam is home for 120 such persons. The agency picks up the mentally ill from the streets and provides medical treatment, food shelter, etc. and rehabilitation to them. A few of them have rejoined their families after being cured of their mental illness. The agency also goes around the city and provides food

Van for differently-abled children of Anbalayam

for the mentally ill people who refuse to come to the home.

Implementation:

The NGO was required a vehicle to take these people to the hospital, for picking up mentally wandering ill, and for providing food. BHEL signed an agreement with Anbalayam Trust to provide financial support for the vehicle.

Renovation of Community Centres in three villages: Rs. 25.22 Lakh

Three villages were identified for renovating Community Centres depending on the need of the village and request received from villagers and the concerned government authorities. The beneficiaries are agricultural labourers of the village and in one village the beneficiaries are nomad tribe of Narikuravas.

- Krishnasamuthiram
- VazhavanthanKottai
- Devarayaneri

Four halls constructed earlier by the State Government were condemned and deserted by the people in the past. The local authorities and the people requested BHEL to renovate them so that they can use them for community functions, social gatherings, conducting classes for children etc. BHEL took up the task and renovated the four Halls and handed over the same to the local authorities.

Before & After - Renovation of Krishnasamuthiram

Construction of Compound wall, and Renovation in Schools of 3 Villages : (MoU projects): Rs.8.59 Lakh

3 infrastructure development activities were carried out in the following Schools where children belonging to economically weaker families study:-

- a) Construction of unfinished Compound Wall in Navalpattu Puththeru Panchayat Union School and providing borewell for drinking water facility

Before & After : Renovation of Devarayaneri

- b) Renovation of Government Panchayat Union School at Malaikoil, Tiruverumbur

- c) Renovation of Arasangudi Government PU School.

CSR Section of BHEL, Trichy carried out Projects worth Rs.280 lakh under two broad categories – (i) Infrastructure development in villages and ii) other projects undertaken by the Unit under its unit-level CSR project initiatives.

Augmenting Drinking Water Project at Valayur, Pachamalai Hills : Rs. 12.69 Lakh

Baseline Information:

Valayuris, a hamlet, is located at Pachamalai Hills, about 80 kms from BHEL, Trichy at an altitude of 1000 meters from sea level. The village is inhabited by tribal

Construction of Compound wall at Navalpattu PU School

population of 500 people and all of them are below the poverty line (BPL).

Requirement of Drinking water:

One of the requirements put forward by the District administration and village panchayat leader was the requirement of an additional well to augment the existing drinking water facility along with an appropriate motor to pump water to the existing water tank.

Execution of project:

An agreement was signed between BHEL and the Block development Officer (BDO) of Thurairur Taluk with

Provision of Drinking Water at Valayur Pachmalai Hills

Drinking Water Well at Valayur Pachmalai Hills

project milestone activities and payment schedule. The BDO was the nodal agency for this project. The Well was dug out and a pump set installed for pumping water to the adopted villages. The total Cost of the Project is Rs. 12.69 Lakh.

Provision of Furniture and Invertor

Deaf enabled Foundation Education Centre, an NGO working to educate deaf and dumb people, being run by deaf and dumb people. In this centre, Computer skills and English Skills are taught. BHEL has provided furniture and invertor worth Rs. 55,000/- to the centre.

State government run, a leprosy patients rehabilitation centre in the nearby Manaiyeripatti village was provided with assistance by BHEL on a regular basis to improve the inmates' living standards. Last year, BHEL provided a Public Address System to the Rehabilitation Centre, at a cost of Rs. 55,000/-.

BAP, RANIPET

Clean India

A Step Towards Swachh Bharat

In line with Prime Minister's ambitious 'Swachh Bharat Abhiyan', BHEL-Ranipet has undertaken several projects to construct toilets in the government schools of nearby areas. The Unit had constructed separate toilets for boys and girls at Govt. Higher Secondary Schools located at Rendadi and Guruvarajapet villages of Vellore District (Tamil Nadu) under its CSR project initiatives for the year 2014-15. Around 2300 students belonging to underprivileged sections of the society are studying in these schools. Previously, both the schools did not have any toilet facility. The construction of toilets by BHEL has come as a big boon for the students and staff of both the schools, especially for the girl students. This also helped to improve the sanitation and personal hygiene of the school children and staff. Besides, now both the school campuses look clean and tidy thus raising the students' morale as well as their comfort levels.

Executive Director inaugurating newly constructed separate toilets for girls and boys at Government Higher Secondary School, Rendadi Village.

Educated India

BHEL Ranipet Contributes its Might towards improving infrastructure in Govt. Schools

With the objective to improve the education scenario of India, BHEL-Ranipet has contributed its might towards improving the infrastructure of the nearby government schools under its CSR initiatives for the year 2014 - 15.

In this regard, BHEL constructed a Computer Lab for

Gathering of beneficiary students during inauguration of water sump at Government Girls Higher Secondary School, Arakkonam.

Govt. Hr. Sec. School located at Kodaikal Village in Vellore district. This is a state government run Higher Secondary School with a strength of around 850 students

Executive Director inspecting the Computer Lab at Government Higher Secondary School, Kodaikal Village.

belonging to the under-privileged sections of the society. Computer subject forms a part of higher secondary curriculum. As the school was not having a computer lab, these students were taught only the theory part of the subject and were not getting exposed to using computers to improve their practical skills. Construction of computer lab will bridge this gap and students will be immensely benefitted by this endeavor. The state government officials being highly impressed with the facility provided by BHEL, have sanctioned required hardware components to upgrade the lab as a "Smart Visual Lab" which comes as a big boon to the school children. BHEL also renovated/constructed the existing damaged compound wall of this school thus rendering safety for the school children.

To ensure the safety of girl students, Ranipet Unit constructed compound wall for the Govt. Girls Hr. Sec. School at Walajha in Vellore district. This is a state government run Girls Higher Secondary School wherein

Executive Director inaugurates newly constructed Computer Lab at Government Higher Secondary School, Kodaikal Village.

approx. 2500 girl students from under-privileged sections of the society study. The compound wall was in a damaged/dilapidated condition making the girl

Executive Director inaugurating compound wall at Government Girls Higher Secondary School, Walajha

children as well as the school property unsafe. Frequent trespassing by public and grazing by cattle were posing problems and affecting the studies of the students. Now, after construction of the compound wall, the girls feel safe and are able to concentrate on their studies without any disturbance.

To improve the safety of the nursery students of SRK-BHEL Higher Secondary School, the existing damaged asbestos roof of nursery class room was replaced with RCC roof. This is a state govt. aided school located in BHEL Township with a strength of around 2700 students. 99% students of this school belong to non-BHEL category living in the nearby areas of BHEL-Ranipet.

The unit constructed water sump to store water for Girls Hr. Sec. School at Arakkonam in Vellore district. The area where the school is located is a drought prone area and the available water need to be stored for better water management. The school authority did not have the facility to store water and was finding it difficult to make water available continuously for drinking and sanitary purposes. With a helping hand from BHEL-Ranipet, the school management is now able to store water in the sump and use it efficiently.

Gathering of beneficiary students during inauguration of Computer Lab at Government Higher Secondary School, Kodaikal Village.

IS & TBG

Healthy India

BHEL-TBG's CSR support to hemophilic patients in Kolkata, Varanasi, Bangaluru, Chennai, Hyderabad and other cities across the country

BHEL-TBG, in association with Hemophilia Federation (India), is undertaking a Pan India CSR project called "Heal A Soul 2" to provide free of cost Anti-Hemophilic Factors (AHFs) to 720 poor children suffering from Hemophilia and Prevention of Hemophilia - support for Carrier Detection (CD) and Prenatal Diagnosis (PND) of 120 women from Hemophilic background. This corporate-aligned CSR project of BHEL would cost Rs. 3.2 Crore and would be implemented during 2014-15, 2015-16 and 2016-17.

Distribution of Anti Hemophilic Factor (AHF) medicines to Hemophilia affected children by Director(HR)

As part of the above project, 5 CSR events were organized on 18.03.2015; 20.03.2015; 28.04.2015; 02.05.2015 and 23.07.2015 in Kolkata, Varanasi, Chennai, Bangaluru and Hyderabad chapters, respectively. Similar events were organized in Jabalpur, Bhopal, Indore, Varanasi, Kolkata, Agra, Jammu, Dehradun, Coimbatore, Gangavathi and other chapters all over India. In 2014-15 and 2015-16, 300 beneficiaries, out of a target of 720, have been covered with budget utilization of Rs. 126 lakh till date. In 2012-13 and 2013-14, TBG utilized a total budget of Rs. 72 lakh for the benefit of 301 Hemophilic patients spread over 35 locations all over India. This time, we are also supporting assistance of Rs. 17.7 lakh for CD and PND, out of which Rs. 8.85 lakh has been utilized. In addition to this, in 2015-16, we are also planning to provide Solar water heater to Varanasi

Hemophilia Society and Physiotherapy equipments to Bangalore Hemophilia Society.

Patients receiving Anti Hemophilic Factor (AHF) medicines

Shri Amitabh Mathur, the then ED (PSER), Kolkata graced the function of the Kolkata Chapter as the Chief Guest and distributed AHFs to 25 Hemophilic children.

In Varanasi Chapter, Shri Narinder Thakur, GM (HSE, CSR & NE) distributed the medical kit containing AHFs to 20 Hemophilic patients.

In Bengaluru Chapter, Shri J. P. Srivastava, GM (HR and P&MS), Industry Sector, distributed the medical kits containing AHFs to 19 Hemophilic patients.

The Chennai Chapter function was graced by Shri D. Bandyopadhyay, the then ED (PSSR), Chennai as the Chief Guest. Shri Bandyopadhyay distributed AHFs to 21 Hemophilic children.

At a function organized in RC Puram, BHEL-Hyderabad, Shri R. Krishnan, the then Director (HR) and Shri W. V. K. Krishna Shankar, the then Director (IS&P)

Anti Hemophilic Factor (AHF) medicines distribution Program

distributed the AHFs to 30 beneficiaries from Hyderabad and nearby areas and expressed their solidarity with the Hemophilic children and for the noble cause. Shri Ramesh Koul, the then Executive Director, TBG, Shri Narinder Thakur GM/HSE,CSR & NE, Shri Laxminarayan, GM/HR, RC Puram, Shri Balvir Talwar, GM/CSR were present on the occasion.

Hemophilia Federation (India) thanked BHEL for the support to this noble cause.

Educated India

BHEL-TBG distributes "Projector-cum-Laptop" to 44 Govt. Schools each in Bhopal and Delhi

TBG-BHEL in association with Ramakrishna Mission, Delhi had undertaken "BHEL-Jyoti CSR project" for distribution of "Projector-cum-Laptop" worth Rs. 40 Lakh to 44 Government Schools each in Bhopal and Delhi.

Distribution of projector cum Laptops

On August 25, 2015, in an event organized at Cultural Bhavan, BHEL Bhopal, Chief Guest of Event, Honorable Minister of State for Education, Government of Madhya Pradesh, Shri Deepak Joshi, distributed the Projector-Cum-Laptops to 44 Government Schools in Bhopal in the august presence of Smt. Dipti Gour Mukherjee, Commissioner, Rajya Shiksha Mandal, Government of Madhya Pradesh, Executive Director, BHEL Bhopal, Shri AMV Yughandhar, Secretary, Ramakrishna Mission, New Delhi, Swami Shantatmananda, Secretary, Ramakrishna Mission, Bhopal, Swami Nityadnanananda and Principals/Heads of Schools and BHEL Officials.

In his key note address, Honorable Minister of State for Education, Shri Deepak Joshi highlighted the importance of value education in education system and

the desirable impact that it could generate in the minds of the children. He emphasized upon the need to cover village schools, located in remote areas, under this project.

A Similar event was organized on August 27, 2015, at Sarada Auditorium, Ramakrishna Mission, New Delhi, where Director (HR) BHEL, Shri D. Bandhyopadhyay distributed the Projector-Cum-Laptops to another 44 Government schools of Delhi in the presence of Dr. Sunita Kaushik, Additional Director (Education), Government of Delhi, Swami Shantatmananda, Secretary Ramakrishna Mission, New Delhi, Dr. Balvir Talwar, GM/CSR BHEL, New Delhi, Shri A. K. Agrawal, GM/Transmission Projects-TBG, Shri K. Mohan, AGM(HR), Principals/Heads of Schools, and BHEL officials.

In his key note address, Director (HR), BHEL, Shri D. Bandhyopadhyay stressed upon the importance of value education and the quality of education in India. He said that BHEL had since inception been providing assistance for education and providing infrastructure to schools and other educational institutions through its various Units and offices spread across the country.

The events were followed by training session for teachers of Schools to handle the projectors with a view to holistically carry forward the project to meet the ultimate objective of imparting learning/training students in value education

Responsible India

BHEL (TBG) CSR support to differently-abled persons in Mathura

On April 29, 2015, as part of "BHEL-Kalyanam Karoti CSR Programme", TBG CSR team in association with NGO-Kalyanam Karoti (Mathura) organized an event for free distribution of artificial limbs and medical aid instruments worth Rs. 5.15 Lakh in Kalyan Dham, Mathura.

Beneficiaries along-with their tricycles

The event was graced by Shri Ramesh Koul, ED/TBG as Chief Guest.

Distribution of Tricycles to Persons with Disabilities (PwD)

ED/TBG Shri Ramesh Koul applauded the contribution of the NGO, Kalyanam Karoti to the society particularly the work being done by them for social upliftment of differently-abled persons. Shri Koul distributed artificial limbs and medical aids to the needy.

111 persons benefited from this CSR initiative. Maharshi Maheshanand, Shri Andre Vamsey, CDO, Mathura, Shri S K Jain, SDGM/TBG, BHEL and other eminent social workers of the town graced the occasion.

Shri Sunil Kumar Sharma, General Secretary of Kalyanam Karoti (Mathura), profusely thanked BHEL for the noble cause the company is supporting.

Inclusive India

Implementation of the Corporate Social Responsibility Project "Cutting & Tailoring Training for poor Girls/ Ladies of Pathari Village, Teekamgarh (MP)"

BHEL-Jhansi has implemented the CSR project "Cutting & Tailoring training for the weaker sections of the society" with the help of an NGO named "Nav Jyoti

Inauguration of Cutting & Tailoring Program

Shiksha Avem Samaj Kalyan Samiti, Gwalior". Three month training was provided to 70 women beneficiaries of the Pathari village, Distt. Teekamgarh (MP) under the Unit's CSR initiative for the year 2014-15.

The three-month Cutting & Tailoring training programme held at Pathari village, Distt. Teekamgarh (MP) under CSR was inaugurated on February 28, 2015 by Shri M. Khasgiwala, Executive Director, BHEL-Jhansi. Shri Tarun Nigam, GM (WEX), Shri H.K. Verma, AGM (HR), CSR Committee members and other senior officials of Jhansi Unit were present on the occasion.

This CSR Project has been implemented in association with the NGO "Nav Jyoti Shiksha Evam Samaj Kalyan Samiti, Gwalior". The Agency is involved in several social initiatives such as, making the women self-reliant by developing their skills, helping school children by

Shri. M Khasgiwala, ED, Jhansi inaugurating Cutting & Tailoring Program

Inauguration of Cutting & Tailoring Program

providing them with financial assistance and books etc. The organization is also associated with activities like, organizing medical camps, providing drinking water facilities for the socially and economically backward communities, helping in environment protection by organizing environment awareness programmes, tree plantation, etc.

Women from nearby villages attending Cutting & Tailoring Program

The 70 women participants belonging to the weaker sections of the society, on completion of their training, would be fully equipped with different types of cutting & tailoring skills that would enable them to avail opportunities for employment or self-employment to earn a livelihood for themselves & their families.

Educated India

Implementation of the Corporate Social Responsibility Project "Distribution of Wooden Furniture to school of nearby villages"

1. Govt. PV Taparian, Block-Babina, Jhansi (UP)
 2. Govt. PV Kanya Taparian, Block-Babina, Jhansi (UP)
- BHEL / Jhansi has provided 58 Sets of Dual Desk and Benches (combined), under their CSR Projects (2014 -15)

for the benefit of students of rural Govt. schools.

The furnitures were formally handed over to Govt. Prathmik Vidhyalaya, Taparian, Block-Babina, Jhansi (UP) & Govt. Prathmik Kanya Vidhyalaya, Taparian, Block-Babina, Jhansi (UP) at functions organized in the school campuses. This is a CSR endeavour by BHEL-Jhansi to encourage students from rural areas to join/attend school as well as to inspire them to study well to achieve academic excellence and bring laurels for themselves, their families and the society.

A total of 150 students from socially and economically weaker sections and rural backgrounds are studying in these schools.

Desk & Benches for School children

The teaching faculty and students overwhelmingly expressed their gratitude and thanked BHEL for the enormous support given to their institution - "THANKS TO BHEL".

Shri H K Verma, AGM (HR), Shri Dinesh Parte, Sr. Manager /HR / CSR Coordinator, CSR Committee Members and officials from Jhansi unit attended the function.

Healthy India

Implementation of the Corporate Social Responsibility Project "Provision of Playground Equipments & Sports Facilities for 2 village schools":

1. Govt. Kanya Prathmik Vidyalaya, Ganeshpura, Block-Babina, Jhansi (UP)
2. Govt. Prathmik Vidyalaya, Rajpura, Teekamgarh (MP)

As part of CSR initiatives for the year 2014-15, BHEL-Jhansi has provided playground equipments & sports facilities for village schools to develop the physical and mental growth of the students & to encourage them to attend schools regularly.

Play ground equipments (like Slide, See-saw, Rainbow ladder) & sports facilities (like Carom boards, Cricket

Playground equipments for School children

Kits, Footballs, Skipping ropes, Flying Discs etc. were handed over to the village school children. This is an effort to encourage the students from rural areas for joining school and also for participating in games with the motto "A Healthy Mind Lives In A Healthy Body".

Playground equipments for School children

The authorities of education department, teaching faculty and students thanked BHEL-Jhansi for the support towards augmenting the sports facilities of the schools. A total of 300 village school children belonging to the weaker sections of the society are being benefitted by this CSR initiative of Jhansi Unit.

Shri H K Verma, AGM (HR), Shri Dinesh Parte, Sr. Manager /HR / CSR Coordinator, CSR Committee Members and officials from BHEL-Jhansi were present on the occasion.

Playground equipments for School children

Clean India

As a part of CSR initiatives for the year 2014-15, BHEL-Jhansi has provided 4 Nos. of water Hand pump sets to the nearby villages to enable the villagers including school children have clean drinking water.

The water hand pumps were formally handed over to the community. During the programme, the CSR committee members interacted with the rural public

Hand Pump installed at Village

and shared the various initiatives taken up by BHEL-Jhansi under Corporate Social Responsibility with the objective of nurturing talent and skills of the youngsters, promoting education, health, community development etc.

A total of 340 rural students from economically backward communities studying in these Schools and also the under-privileged village people are the beneficiaries of this project.

Hand Pump installed at School Village

Shri H K Verma, AGM (HR), Shri. Dinesh Parte, Sr. Manager /HR / CSR Coordinator, CSR Committee Members, officials from Jhansi Unit, representatives of the society (Gram Pradhan/Sarpanch) and the beneficiaries were present on the occasion.

Responsible India

Implementation of the Corporate Social Responsibility Project “Providing Bus Stop at nearby villages Junctions” near pathari (On the way from Chakarpur to Orchha)

Construction site for Bus Stop Shed

As a part of CSR initiatives for the year 2014-15, BHEL-Jhansi has undertaken to construct a Bus stop at a nearby village of the Unit. The project has been implemented with the help of the Unit’s Township Civil Department (TCX). The construction of the bus stop has immensely benefitted the villagers who are able to beat the vagaries of nature like the summer heat, rain, etc.

Shri M. Khasgiwala, ED, BHEL-Jhansi inaugurated the “Bus Stop / Passengers waiting room” and handed it

Bus Stop Shed under construction

over to the community. Speaking on the occasion, Shri Khasgiwala shared with the villagers the various initiatives being undertaken by BHEL-Jhansi under its CSR project initiatives viz. nurturing skills/promotion of talent amongst the weaker sections of the society, promoting education, health and Community Development, etc.

This project will largely benefit the villagers from the

four nearby villages besides other passersby during their visit from one village to the other. To quench the thirst of the travelers, earlier a hand pump was also provided near the bus stop under CSR initiatives of the unit during 2012-13.

Shri H K Verma, AGM (HR), Shri Dinesh Parte, Sr. Manager/HR/CSR Coordinator, CSR Committee Members, Officials from Jhansi Unit, representatives of the society (Gram Pradhan/Sarpanch) and the local villagers/beneficiaries were present on the occasion.

Bus Stop Shed

Construction of cremation ground with shed in nearby village

Under CSR Initiatives 2014-15, BHEL-Jhansi constructed a Cremation Ground with shed at a nearby village. BHEL-Jhansi has implemented this project with the help of our Township Civil Department (TCX) to maintain a

hygienic environment in the surroundings.

Shri. M. Khasgiwala, ED (Jhansi) handed over the "Newly constructed Cremation Shed & Refurbished old Cremation Shed to the community.

Cremation Ground under construction

Under this project, a new cremation shed has been constructed and the existing old cremation ground refurbished. The cremation ground is located in Rajpura village in the premises of BHEL campus and is used by the residents of nearby villages and satellite colonies in the area.

Around 500 families of nearby Rajpura village and the satellite colonies of BHEL-Jhansi are the beneficiaries.

Shri H K Verma, AGM (HR), Shri Dinesh Parte, Sr. Manager/HR/CSR Coordinator, CSR Committee Members, officials from Jhansi Unit, representatives of the community (Gram Pradhan/Sarpanch) were present on the occasion.

Educated India

Agreement Signed for “Financial Support for Mobile Science Labs (MSL) for Schools” in nearby Schools/Colleges of Jhansi.

Inauguration of Mobile Science Lab (MSL)

A Bipartite Agreement has been executed between BHEL and Agastya International Foundation, Bangalore for implementing the CSR Project - Financial Support for “**Mobile Science Lab (MSL)**” for Schools of Jhansi & nearby places under CSR project initiatives of BHEL.

The agreement was signed by Shri H.K. Verma, AGM (HR), BHEL-Jhansi and Shri G. Hariharan, Director (Partner Relation), Agastya International Foundation, Bengaluru on 05.02.2015 in the presence of Shri M. Khasgiwala, ED, BHEL-Jhansi and other senior officials of BHEL, Jhansi and representatives of Agastya International Foundation.

During the programme held on 05.02.2015, Shri G. Hariharan, Director (Partner Relation), Agastya International Foundation, Bengaluru gave a presentation on the project plans/objectives and how it

shall improve/enhance the curiosity amongst the school children about science and create a scientific temper and understanding of the students about the basic principles of Science.

Later, the Flag-off ceremony of the MSL vehicle was held on the eve of Independence Day (14.08.2015) at the Main Gate (Factory) of BHEL, Jhansi, Shri M. Khasgiwala, ED, BHEL-Jhansi presided over the function. Speaking on the occasion, Shri Khasgiwala said that this unique MSL

Flag off ceremony of Mobile Science Lab (MSL)

project will help ignite the spark of curiosity, nurture creativity and build confidence of the economically disadvantaged children and teachers of rural India, through hands-on science experiments. The representatives of Agastya International Foundation, Bangalore demonstrated several experiments on Physics, Biology, Astronomy and Chemistry at the function venue.

Shri. D.K. Dikshit, GM(O), Shri Subhash Saxena, GM (Loco), Shri S.C. Gupta, GM (Trfr.), Shri Tarun Nigam, GM (WEX & CM), Shri Arun B. Gupta, GM (MM & CDC), Shri H.K. पर्यावरण को सुधारने का लिया संकल्प

● पर्यावरण रक्षाना की 51वीं वर्षगांठ काविक्रम शुरू
● सौर ऊर्जा और सौर सेवाएं पर जोर

भारत, 12 नवंबर, 2015। पर्यावरण को सुधारने के संकल्प को 51 वर्षों का या होने के उपलक्ष्य में भेल भारता के कार्यकारी निदेशक सु. गोपिनाथ ने शुक्रवार को बंगलूर, कर्नाटक में शुभारंभ कर संकेतिक पर्यावरण संकल्प कार्यक्रम का शुभारंभ किया।

शु. गोपिनाथ ने 51वीं वर्षगांठ काविक्रम (कविक्रम) की एक वर्ष यात्रा, सौर ऊर्जा, पर्यावरण, ट्रेड प्रशिक्षण के समाज उत्थान, पर्यावरण रक्षा, सौर ऊर्जा के अंतर्गत परियोजनाओं के शुभारंभ में भाग लिया।

शु. गोपिनाथ ने कहा कि पर्यावरण को सुधारने के लिए हमें अपने कर्मियों को प्रेरित करना होगा और उन्हें पर्यावरण के प्रति जागरूक बनाना होगा।

51 projects to mark BHEL's 51st year, says PSU's ED

DC CORRESPONDENT TIRUCHY, NOV. 13

The public sector Bharat Heavy Electricals Limited (BHEL) would launch as many as 51 projects across the country to mark the 51st year of its inception. Disclosing this here on Friday, the BHEL Tiruchirappalli unit's executive director S Gopinath said that of the 51 projects, the public sector's Tiruchirappalli unit itself has launched ten.

Inaugurating projects worth over ₹1.4 crore under its corporate social responsibility (CSR) scheme at the BHEL township premises, he dedicated four 30 kw grid-connected solar power projects installed at RSK Higher secondary school, BHEL Matriculation Higher secondary school, BHEL Tamil Medium school and RSK Primary school, each installed at a cost of ₹23.56 lakh. The total cost of the project is worth ₹94.24 lakh.

BHEL Launches CSR Projects worth ₹1.4Cr

Express News Service

Gopinath said that a total of 51 projects were inaugurated across the country by BHEL to mark the 51st year of its inception.

BHEL Tiruchy alone has inaugurated 10 such projects, he said and added that these solar power plants will also help to check power bills.

Mr Gopinath also dedicated a Community Hall built at a cost of ₹39.09 lakh at Vengur village.

Earlier, 30 solar street lights in Navalpattu and Devarayaneri villages at a cost of ₹4.8 lakh were also inaugurated.
