As mentioned in the BOQ cum Price Schedule (Part of NIT), permanent registration and one-year insurance of the Vehicle in the name of End Customer and handover in flawless condition of the package to End Customer is in the scope of the bidder.

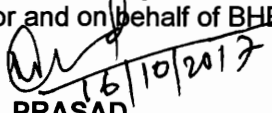

In order to avoid any ambiguity during submission of bid and invoicing of Fire Tenders after placement of order, following is clarified for subject Tender enquiry:

- Since permanent registration of Fire Tender shall be obtained by successful bidder in the name of End Customer, accordingly, after PO placement of Fire Tenders by BHEL PEM and mfg. clearance, the successful bidder shall procure Chassis (tax paid) from Dealer in the name of End Customer.
- Taxes applicable on Chassis to be included in the Basic Prices by the bidders. Bidders shall only mention GST applicable on Fabrication & Equipments value at applicable rates (on Value of Fire Tenders excluding Chassis) to BHEL in their bid and the same shall be applicable for invoicing by successful bidder on BHEL.
- Bidders shall inform the percentage of value of Chassis (including taxes) w.r.t. total Ex-works prices of Fire Tender quoted at Sl. No. 1.10 (a) of the price schedule.
- Evaluation of bids shall be done on total cost to BHEL quoted by bidders after excluding GST on Fabrication & Equipments value, Same shall also hold good during Reverse Auction in case BHEL decides to go for Reverse Auction for finalizing prices.

All corrigenda, addenda, amendments, time extensions, clarifications etc. to the tender will be hosted on BHEL websites only (www.bhelpem.com, www.bhel.com & <https://bheleps.buyjunction.in>) under subject tender reference.
