1.		We have a clarification over the pre bid reply on civil portion, kindly refer to the reply given by BHEL for Query in sl. No. 21 that "Specification requirement is clear in this regard. Please refer Cl.No. 9.0 1),Page 29 of 1565" which states that "civil works for Chemical House and Centrifuge shed are excluded from bidder's scope". Therefore to our understanding, we may consider Civil Works for Clarified Water Tank and Pump House and Chemical Lab are in bidder's scope. In case Civil works of these structures are in bidder's scope, then Mechanical GA of the same structures may please be provided to complete Civil estimation works.	Clarified Water Tank and Pump House and Chemical Lab are excluded from bidder's scope.
