

BHARAT HEAVY ELECTRICALS LIMITED/PEM-NOIDA

PROJECT: 3X800 MW PVUNL PATRATU TPP PHASE-I

Date:18.05.2018

PACKAGE: D/G EOT CRANES ABOVE 100 T

ENQUIRY NO: E-5932 /2018 Dated. 07.05.2018

Corrigendum-2

Regarding availability of Construction Power, Construction water & storage Space kindly refer as following: -

Construction Power: - BHEL will provide the single point power source to all working agencies from where they have to extend it up to their work areas. Agency has to also make the Suitable metering arrangement along with associated Instrument transformers and Metering Cubicles for the measurement of actual energy consumed by him. The charges only for the actual energy consumed shall be recovered from the agency based on prevalent rates. Agency has to arrange also the capacitor banks (if required).

Construction Water: - Construction water will be made available at one point on chargeable basis and agency has to extend the water supply up-to their working areas.

Storage Space: Storage space shall be made available to the agencies free of cost on the basis of space availability from customer end.

All other terms and condition shall be remaining unchanged. All the bidders are requested to quote accordingly.

Kindly ensure submission of offer on or before the due date and time.
