

**Bharat Heavy Electricals Limited**  
**IVP, Goindwal**

Date -12/09/2012

**Corrigendum**

Ref: Tender Enquiry No. IT-1213-01 dated 10.09.2012.

- Point **10 and 47.3** in Terms and Conditions of Point to Point Connectivity for the Contract Period Of One Year is amended as:

**10. Local Conditions:**

Each Bidder is expected to fully get acquainted with the local conditions and factors, which would have any effect on the performance of the contract and / or the cost.

The Bidder is expected to visit and examine both the Industrial Valves Plant, Bharat Heavy Electricals Limited, Goindwal and Bharat Heavy Electricals Limited, Tiruchchirappalli site respectively and its surroundings and obtain all information that may be necessary for preparing the bid and execution of the contract at their own interest and cost.

The Bidder and any of their employees/agents/subcontractors will be granted permission by the Purchaser to enter upon its premises and lands for the purpose of such inspection, but only upon the express condition that the Bidder and any of their employees/agents/ subcontractors will be responsible for any personal injury (whether fatal or otherwise), loss of or damage to life, property and other loss damage, costs and expenses however caused, which, but for the exercise of such permission would not have arisen.

**47.3. The CPE (includes Modem and other equipment's) hardware level failure:**

The CPE excludes Router and Switches that will be provided by BHEL for last mile connectivity.

The service providers NOC should automatically get the alert. The downtime will start from the moment alert was recorded by NOC or after BHEL logs. The compliant at vendor's helpdesk, whichever is earlier. Time will be recorded from that point on words till the point compliant is resolved. This duration will be treated as outage.

All other terms and conditions remain unchanged.
