AN ISO 9001
COMPANY

Ref: NIT_ 45804

Dt: 06.05.19

Notification No: 2001900070

CORRIGENDA-I TO OUR ENQUIRY REF. 2001900070 Dt.23.04.19
FOR ANNUAL RATE CONTRACT FOR THE SUPPLY OF FLOW METERS, WATER METERS AND
STRAINERS DUE ON 06.05.19
Ref.: 2019_BHEL_431181_1

Technical specifications corrected with the following clarifications:

1. For item nos. 120, 130 & 140, sizes for the bulk enclosed type water meters with flanged ends confirming to IS 2373 are 80 mm NB, 100 mm NB and 150 mm NB respectively.
2. For item nos. 10 to 70 Electromagnetic type flow meters are integral type only. Cable of length 10 m indicated in Sl. No. 17 of Annexure A-Specification for Electromagnetic flow meters is for connecting the integral type water meter to the main power source. Hence, suitable electrical cable of length 10 m as per manufacturer's recommendation shall be supplied.
3. Authorisation certificate from M/s. Chembond Water Technologies Ltd is NOT APPLICABLE and has been removed from Mandatory documents.

The Due date of the Tender under reference is extended up to 13.05.19 (2 pm).

This is for your information.
