

## Corrigendum to NIT-31157

## Project: FPS- Mangdechhu Bhutan

(A) Pl. refer document named "Common.docx" in corrigendum dtd 01.04.17

1. Point no. 3 in (6) Construction power:  
The present rate of electricity is 3.79 per unit + 10 % service charges. The rate may change as per the directives of Bhutan Power Corporation. Vendor will be provided only one point at the service bay. Extending the supply to the point of working will be in their scope including providing and fixing of Energy Meter. Whatever cost of electricity charged by MHPA will be passed on to vendor depending on the meter reading.
2. Point no. 12 in (6) Warranty :  
Guarantee /Warranty clause 16.0 in SCC enclosed in NIT shall be read as "Full Guarantee for the performance of the equipment and total system, for a period of 30 months from the date of dispatch or 24 months from the Operational Acceptance, whichever is later.
3. Point no. 13 in (6) Delivery Schedule :  
Ignore the this point, and Delivery Schedule stated in SCC cl 30.0 to be considered
4. Point no. 15 in (6) Terms of Payment :  
Ignore 20% indicated for Supply in this point, and Payment Terms in SCC cl 13.1.1 to be considered for Supply portion.  
Points indicated in this for Service portion are valid and ignore Payment Terms in SCC cl 13.1.2.
5. Point no. 16 in (6) Site Visit :  
This point may be read as "Bidders are advised to visit the site before submission of bids"
6. Point no. 18 in (6) E&C Charges :  
Ignore the this point, and E&C Charges stated in GCC cl 3.7 to be considered
7. Point no. 20 in (6) GCC and SCC for Power Sector:  
Pl. refer attachments GCC and SCC attached with this corrigendum, which are applicable for E&C portion.

(B) PRICE BID format:

Pl. Refer the **revised** price Bid format Doc No: Price bid/001 Rev **01. Bidder to submit the price offer as per the revised price format.**

(C) Service Tax: SCC- CI No.8.6.

The CI no CI No.8.6 of SCC shall be read As follows: "For Services rendered in Bhutan (i.e. Transportation, Insurance, Storage & Handling, Supervision, and Erection & Commissioning), wherein both the Parties (BHEL & Vendor/ Subcontractor) have their Registered Office in the Jurisdiction of Taxable Territory (India), Service Tax at the Rate of 15% will be Applicable"

(D) Freight & Insurance : SCC- CI No.9.0:

The CI no CI No.10.0 of SCC shall be read As follows: "Contractor shall deliver the goods on FOR WORKS including Packing & Forwarding and Freight up to site in vendor's Scope. **Insurance for Freight storage and E&C shall be in vendor's scope.**  
Contractor shall inform the underwriter as appointed / nominated by Purchaser, the details of dispatch under intimation to BHEL details such as LR no and date, Truck number, PO number, Project and Value."
