Sl. No.	Bidder's Query	BHEL's clarification
		attached herewith.
4	Furnish the approved vendor list for supply	Approved vendor list is attached after this corrigendum.
5	Furnish the Conveyor layout drawings, clearly mentioning height.	Conveyor drawing is under engineering stage. However the conveyor clear height from the ground ranges from El(+) 53.0 m to El(+) 70.0 m.
6	We assume that we will be sending transportable length structures and power for assembling fabrication will be free of cost.	As per tender conditions, fabrication shall be done at vendor works outside the project premise. For this all the required facilities shall be arranged by bidder at their own. Bidder has to supply finished product at site as per tender conditions. For pre assembly and erection of finished product at site, as per specified tender condition construction power shall be provided by BHEL free of charges. (Refer S No. 3.2.0 of Chapter III of Volume IA TCC).
7	Confirm that scrap if any generated at site for our supplies, will be property of ours and we will be allowed to take it back.	Finished product once supplied by the bidder at site shall be the property of BHEL. Therefore question of generating scrap does not arise. However any minor scrap from these materials generated during final erection as per drawing shall not be allowed to take it back.
8	Furnish the data sheet for PTFE type sliding bearing mentioning max sliding movement, maximum horizontal force, maximum vertical load etc	PTFE type bearing is under engineering stage. PTFE data sheet shall be provided during detailed engineering.
9	Whether power and land for labour colony is available on chargeable basis, if yes what are the charges?	Land and power for labour colony shall be arranged by the bidder on their own. (Refer Chapter III of Vol IA TCC of tender documents).
10	Price Variation Clause (PVC) may be put in the tender.	Tender conditions shall remain unchanged. PVC shall not be applicable
11	In case supply schedule gets extended beyond 15 months for non-fault of vendor, PVC may be allowed.	Tender conditions shall remain unchanged. PVC shall not be applicable
12	The tender has practical supply schedule of 12 months with peak production of 1200 – 1500 MT, which may require 3000 MT material in stock. Please keep advance (on material at least 10 %)	Tender conditions shall remain unchanged.
13	Interest free advance for steel supply may be considered.	Tender conditions shall remain unchanged.
