For the supply of Helium gas (commercial grade) in Supplier's cylinders.

Due on 14.08.2019

Ref: NIT_ 47993

Ref.: 2019_BHEL_463637_1

Corrigendum Details:- Annexure-A

(Before Revision) III--TERMS AND CONDITIONS OF THE ENQUIRY

---► (Page no.1--point no.3 & 4--at the end of the page)

3. On the due date of tender opening, only technical bids will be opened. The opened technical bids will be evaluated by us and clarifications required if any, will be called for from the bidders on technical and commercial points. If no reply is received from the vendor for the clarification raised by BHEL with in the final cut-off date those vendors offer will be processed with the documents available / submitted against this tender. Offers not meeting the required specification and technical condition will be summarily rejected. The price bids of technically suitable bidders will be opened on a later date with prior intimation to techno-commercially suitable bidders.

4. The offer will be evaluated based on the quote submitted by bidders at the time of Technical bid opening. However price prevailing at the time of supply shall be applicable. ◀-- (This point Removed in the Revision)

---► (page no.2--point no..5-- page starting)

5. In the event of more than one vendor becoming L1 for the item, negotiation will be conducted for deciding the L1 vendor. ◀--(This point modified in the Revision)

(After Revision) III--TERMS AND CONDITIONS OF THE ENQUIRY

---► (Page no.1--point no.3 & 4--at the end of the page)

3. On the due date of tender opening, only technical bids will be opened. The opened technical bids will be evaluated by us and clarifications required if any, will be called for from the bidders on technical and commercial points. If no reply is received from the vendor for the clarification raised by BHEL with in the final cut-off date those vendors offer will be processed with the documents available / submitted against this tender. Offers not meeting the required specification and technical condition will be summarily rejected.

4. The price bids of technically suitable bidders will be opened on a later date with prior intimation to technocommercially suitable bidders. If any difference is found in the terms in the Techno-commercial bid and price bid, the terms mentioned in the Techno-Commercial Bid will be considered ◀-- (Highlighted point added in the Revision)

---► (page no.2--point no..5-- page starting)

5.Ranking: In the event of more than one vendor becoming L1 for any of the item / items, revised bid will be invited for arriving L1. Even after getting revised offer, if more than one vendor becomes L1, lot system will be operated for arriving final L1.

IMPORTANT NOTE:

BHEL will consider the ranking after the loading is applied as referred in the terms and conditions wherever deviations are observed."

This is for your information.
