Sub: Corrigendum to Tender Enquiry for Rate Contract for Hiring of Taxis on Daily / Monthly basis for local & outstation journeys.

Ref: Tender Enquiry vide ref. TBHR/RATE CONTRACT/TAXIS/TENDER
dated 02nd November 2015

Dear Sir,

With reference to our tender enquiry for Hiring of taxis on daily / monthly basis for local and outstation journeys, following are the clarifications with respect to terms & conditions of the tender. This is for information of all.

1. The phrase “Daily Basis” may be replaced with “On Demand basis” as vehicles shall be hired as and when required.
2. With respect to Sl. No. 4 of Special Terms & Conditions (Annexure-C) - The revision of price of hiring of taxis shall be made effective from 1st day of the month subsequent to the month in which fuel prices have been revised by Govt.
3. With respect to Sl. No. 1 of Special Terms & Conditions (Annexure-C) -

Evaluation criteria formula = $0.4*(A*a + B*b) + 0.6*(C*c)/26$

0.4 indicates that 40% of the expenditure shall be incurred for taxis hired on demand basis i.e. taxis hired on “**as and when required**” basis.

Among the taxis hired on “On demand” basis

- i. $a = 0.57$ indicates that 57% of the total taxis shall be middle segment taxis like Swift Dzire/ Etios/Xcent/Indigo (or equivalent).
- ii. $b = 0.43$ indicates that 43% of the total taxis shall be 6-8 Seater segment taxis like Innova/ Tavera /Xylo (or equivalent).

0.6 indicates that remaining 60% of the expenditure shall be incurred for taxis hired on monthly basis.

In the taxis hired on monthly basis

c = 1 indicates that 100% of the total taxis shall be middle segment taxis like Swift Dzire/ Etios / Xcent/Indigo (or equivalent).

26 = Nos. of days in each month.

This is for information of all and all are kindly requested to comprehend the tender enquiry document after taking into consideration the above clarifications.

All other terms & conditions of NIT shall remain unchanged.

Thanking you.

Yours faithfully,
For Bharat Heavy Electricals Limited,
