

CORRIGENDUM TO NIT 52333

Date: 15.05.2020

Reference: EDN: PVENG:NTPC FSPV : 25MW: BOS Date: 14.03.2020

Due to COVID-19, this corrigendum is being issued for revised mode of offer submission as per following details.

A. Mode of offer Submission / Opening of Bids:

1. Due to existing Covid-19 lockdown and non-availability of proper courier and postal service, many bidders who are interested to participate in the tender informed BHEL that they are unable to submit hardcopy/paper bid in the tender box. Hence BHEL is seeking the offer from all bidders in two-part bid system in soft copies and same can be sent to our company email ID **finpvse1@bhel.in** [finpvse1(at the rate)bhel(dot)in] by two emails.
 - The bids shall be submitted to only the said email ID and no copy shall be marked to anybody else, to protect the secrecy of the bid. Any risk associated with violation of this instruction shall be entirely on the bidder.
 - The documents shall be accepted in **PDF** format only and the maximum allowed size of the document is **8 MB** only. The documents should not be password protected.
 - ONE email subject header indicating " Bidder name (Principal)–NTPCR100MW:BOS2- Technical bid" consisting of technical offer, PQC documents, commercial terms and conditions. If the size of email is bigger than allowed limit, kindly send email in parts clearly indicating in the subject header as part-1,2,3.....of Total no. of mails.
 - To reduce the size of Technical offers by bidder, Bidder has to fill and submit **Annexure-K** for deviation sheet against sealed and signed copies of technical and commercial terms of NIT. All other documents required in technical cum commercial bid format shall be submitted along with technical bid.
 - Another email subject indicating "Bidder name (Principal)–NTPCR100MW:BOS2 - Price bid" where in the price bid to be submitted as an attachment (format available in the tender document).
 - In case both the offers (Technical cum commercial and Price bid) are received in a single mail, offer may be treated as single part bid and both technical cum commercial and price bid be opened. Hence vendors to exercise caution and send the two offers (technical cum commercial and price bid) in separate mails.
 - **EMD SUBMISSION:** In case total amount of EMD is being submitted through SBI Collect, then electronic receipt of SBI collect to be submitted along with technical bid. In case the EMD shall be submitted in other forms (viz. BG/FDR etc.) as allowed in tender enquiry, the **scanned copy of the EMD document shall be mandatorily submitted** with technical bid and original EMD shall be sent to following address through speed post/courier/other available means:

Office of AGM (SC&PV- PCG, M)
SC & PV- ENGG., 5th Floor New Engineering Building
Bharat Heavy Electricals Limited

Electronics Division Mysore Road, Bangalore -560 026

Offers without EMD shall be liable for rejection. The date of EMD document shall be not later than the Bid submission due date and the original EMD should reach us before price bid opening/RA. In case, it would not have reached before price bid opening/RA, the offer shall be rejected.

2. Email is password protective and will be opened by tender opening committee on due date and time.
3. **Note: Please ensure submission of offer before the due date and time. No other mode of submission is permitted. Late offers will be rejected.**
4. All other terms and conditions will be as per tender conditions indicated in NIT.
5. Bidders who have already dropped/submitted the offers in the tender box are requested to send their offers again as per the above methodology since the hard copy offers dropped in tender box stands invalid.
6. Offer submission is bidder's responsibility, any issue arising while submitting the offer may be brought to the notice of BHEL well before tender due date and time so that BHEL has sufficient time to take suitable action, if any.

TECHNO-COMMERCIAL DEVIATION SHEET

Tender Enquiry No & Date: EDN: PVENG:NTPC FSPV : 25MW: BOS Date: 14.03.2020
