Load distribution shall be done after counter offering finalized L-1 rates of individual items to L-2 vendor. If L-2 vendor does not accept the counter offered rate, then subsequent vendors (L-3 to L-n (n is number of qualified vendors)) shall be counter offered the finalized L-1 rates in sequential order. If any of L2, L3,...n vendors do not accept the items offered to them as per load distribution above, the same will be ordered on L1 vendor.
