			power plant, process plant, refinery, industry, or substation, involving a minimum supply of 2000 fixtures in a single order within the last seven years.	
5	PQR. No. 1	Technical PQR	We kindly request that in cases where type test and routine/acceptance test reports of the required wattage LED luminaire are not available, reports of higher wattage luminaires may be accepted as equivalent and valid for evaluation purposes. This would help accommodate technically compliant products with proven performance.	Tender conditions shall prevail.
6	PQR. No. 3	Technical PQR	We respectfully request that the acceptable period for qualifying orders be extended to seven (7) years from the date of bid opening, in line with the CVC guidelines , to allow for a more inclusive and competitive bidding process.	PQR Clause no. 3 requires PO of supply & E&C establishing continuity in business. Whereas, as per CVC circular, clause no. 5 (A) (ii) 7 year is referring to work order (for Civil / Electrical work) and that to experience certificate for completion certificate.
7	EMD	NIT	Non MSE bidder's M/s HPL & M/s Surya Roshini requested for EMD waiver in line with GeM GTC for bidders having turnover more than 500 Cr.	BHEL will review the same and revert in subsequent corrigendum. (if required)

Bidders present in the pre-bid meeting requested for bid extension.
