COMMENTS ON GCC REV 7

S. No	Page no	Clause number	Description	Comments by BGR Energy Systems Ltd	BHEL Reply
1	1	NIT	Supervision of Fabrication: The personnel required for supervision shall be deputed by vendor on site within 10 days of intimation from BHEL.	Please identify the duration. How may days the vendor to depute this manpower. Please furnish approximate start and end date of each unit for planning the manpower cost.	Bidder to refer the technical specification Section-I, Annexure -XIII, Note-F. It is clearly mentioned that "bidder to consider 30 man days (6 visits of 5 working days each). Bidder shall depute his fabrication Engineer/ Expert to supervise and guide the fabrication of the vessels".
2	256	ANNEXURE-XIII: SCOPE MATRIX OF PRESSURE VESSELS & ATMOSPHERIC TANKS	Fabrication drawing: In the previous projects, the submission of fabrication drawings not required since the fabrication of vessels were in the vendor's scope. Whereas fabrication of vessels has been excluded and submission of fabrication drawing is included in our scope. Please clarify whether the approval of fabrication drawings is mandatory.	Preparation and submission of fabrication drawing will be prepared and submitted only after the approval of corresponding GA drawing to avoid excess engineering man hours. Please confirm.	Confirmed. However, bidder to submit the drawing as per technical specification requirement & Schedule.
3	256	ANNEXURE-XIII: SCOPE MATRIX OF PRESSURE VESSELS & ATMOSPHERIC TANKS	Fabrication drawing to be provided by the bidder.	Engineering charges upto 2% shall be paid as per clause no. 9.5 of GCC Rev07 is not sufficient and hence kindly provide revise as 10% of the contract value on prorata basis of approval of GA & its fabrication drawing.	Technical Specification is clear in this respect. Bidder to follow NIT.
4			During various discussion at various levels, we were informed by BHEL that this is a Fast Track project and will be completed as per the schedule.	We will extend our full support to complete the project on time however any delay due to BHEL, then please confirm the price escalation based on the duration. This will help us to complete the project within the schedule.	Please follow the technical specification. Also, Please note that delay due to BHEL account will not be attributable to Bidder.
