Subject: Corrigendum due to change in RA Clauses: -

Further to issue of corrigendum-06 dated 09.03.2021 for change in guidelines for Reverse Auction, following to be noted with respect to clause no. 10.1:

1. Reverse Auction will be conducted if two or more bidders are techno-commercially qualified. In case of two or three qualified bidders, there shall be no elimination of H1 bidder (whose quote is highest in sealed envelope price bid). In case of four qualified bidders, the H1 bidder shall be eliminated whereas in case of five qualified bidders, H1 & H2 bidders shall be eliminated.
2. In case of six or more qualified bidders are available, RA would be conducted amongst first 50% of the bidders arranged in the order of prices from lowest to highest. Number of bidders eligible for participating in RA would be rounded off to next higher integer value if number of qualified bidders is odd (e.g. if 7 bids are qualified, then RA will be conducted amongst lowest four bidders). However, there will be no elimination of qualified bidders who are MSE or qualifying under PPP-MII, Order 2017, irrespective of the number of bidders qualifying techno-commercially.
3. In case of multiple H1 bidders, all H1 bidders (excluding MSEs and bidders qualifying under PPP-MII, Order 2017) shall be removed provided minimum two bidders remain in fray, else no H1 removal.

This corrigendum will supersede the Corrigendum-06 and clause no 10.1 of Reverse Auction guidelines 2020.

All the other terms and conditions of the tender enquiry shall remain unchanged. All the bidders are requested to quote accordingly.
