Sub Ash Handling System -Main Package

Project: 2X660MW ENNORE SEZ C. B. S. C.T. P

Corrigendum-3 dtd.12.08.2024

SCC Clause 21. Payment Terms A shall be read as below in place of existing:

"A. For Engineering:

(i) 50% of the basic price for Engineering Drawings along with respective GST shall be payable against submission of basic/ detail Engineering drawings/ documents on pro rata basis as per the approved Billing Schedule. The list of drawings enclosed under Annexure-VI to Technical Specifications of the tender.

(ii) 50% of the basic price for Engineering Drawings shall be payable against customer approval (CAT-I/II/CatRel) of basic/ detail Engineering drawings/ documents on pro rata basis as per the approved Billing Schedule. The list of drawings are enclosed under Annexure-VI to Technical Specifications of the tender.

Notes:

a. The total value for Engineering drawings (S No 1 of BOQ) shall not exceed 5% of Quoted price of Main Supply (S no2) of BOQ, failing which the break-up of prices shall be adjusted accordingly for ordering.

Notes b),c), d) shall not be applicable."
