Corrigendum-IV

Reference: Tender Enquiry No. 2627-011E Dt. 21.05.2026 for the procurement of '*Wooden Packing Boxes & Planks*' on '*Annual rate contract basis*'.

Clarification in Payment Terms and LD Provisions

The tender permits supply of wooden boxes in both assembled and unassembled conditions. In case of unassembled boxes, assembly may be carried out within BHEL-IVP premises as per Special Term S7. Accordingly, it is considered necessary to clearly define the **Payment Due Date** for the purpose of payment release and **Date of Delivery** for the purpose of LD calculation.

Accordingly, the following corrigendum is proposed:

1. Payment Terms (Clause 9 of GCC) : The existing provision defining Payment Due Date shall be revised as under:

For supply of Wooden Planks and Assembled Wooden Boxes:

Vehicle entry date at BHEL Units/Sites/Delivery Destination, as recorded on the Lorry Receipt (LR), shall be treated as the Payment Due Date.

For supply of Unassembled Wooden Boxes:

Payment Due Date shall be the date of complete assembly of all wooden boxes covered under the particular consignment and submission of assembly completion intimation by the supplier in the prescribed format as defined under Special Term S7.

All other payment conditions shall remain unchanged.

2. Liquidated Damage (Clause 18 of GCC) :The existing provision relating to determination of delivery date for LD calculation shall be revised as under:

For supply of Wooden Planks and Assembled Wooden Boxes:

Vehicle entry date at BHEL Units/Sites/Delivery Destination, as recorded on the Lorry Receipt (LR), shall be considered as the Date of Delivery.

For supply of Unassembled Wooden Boxes:

Date of Delivery shall be the date of complete assembly of all wooden boxes covered under the particular consignment and submission of assembly completion intimation by the supplier in the prescribed format as defined under Special Term S7.

All other Liquidated Damage Condition of the tender shall remain unchanged.

All other terms and conditions of the tender remain unaltered.
