A) The following revised clause 3.12.1 of Technical Conditions of Contract (TCC) to be read as below;

Sl. No.	Reference clause of Tender Document	Existing Clause in Tender	Revised Clause vide Corrigendum – 2 dated 24/05/2024	Revised Clause to be read as
1	Clause 3.12.1 of TCC	Construction water shall be arranged by bidder. Bidder has to make arrangement of further distribution of water at his own cost. No extra payment shall be made under this account.	<p>Case-I: NTPC will provide construction water on chargeable basis at single point.</p> <p>Please refer the clause no. 3.12 of TCC regarding Construction Water. However, in case bidder drawn water from BHEL water storage reservoir on chargeable basis which is approximately 1000mm – 1200mm from Main Power House / TG Foundation / Transformer Yard, then necessary cost of laying water pipe line from NTPC water point to BHEL storage reservoir and construction cost of water reservoir shall be proportionately recovered from bidder. It is also to be noted that further distribution line from BHEL water storage reservoir to bidder’s batching plant / actual construction site shall be constructed by bidder at their own.</p> <p>Case-II: NTPC will not provide construction water;</p> <p>Bidder to arrange construction water at their own.</p>	<p>Case-I: NTPC will provide construction water on chargeable basis at single point.</p> <p>Please refer the clause no. 3.12 of TCC regarding Construction Water. However, in case bidder drawn water from BHEL water storage reservoir on chargeable basis which is approximately 1 Km – 2 Km from Main Power House / TG Foundation / Transformer Yard, then necessary cost of laying water pipe line from NTPC water point to BHEL storage reservoir and construction cost of water reservoir shall be proportionately recovered from bidder. It is also to be noted that further distribution line from BHEL water storage reservoir to bidder’s batching plant / actual construction site shall be constructed by bidder at their own.</p> <p>Case-II: NTPC will not provide construction water;</p> <p>Bidder to arrange construction water at their own.</p>

Corrigendum - 4 dated 31/05/2024 to CPC Tender No. BHEL/CPC/LRA/TG FDN/25/010

B) The following clarification w.r.t Clause 2.13.3 of GCC issued vide Corrigendum – 2 dated 24/05/2024 is revised as below:

Sl. No.	Reference clause of Tender Document	Existing Clause	Bidder's Query	BHEL's Response vide Corrigendum – 2 dated 24/05/2024	BHEL's revised Clarification
1	CI No 2.13.3 of GCC	SECURED ADVANCE AGAINST MATERIAL BROUGHT TO SITE	Please clarify - exceptional circumstances for extending secured mobilisation advance. Construction Materials like sand, aggregate etc. will be supplied as per requirement at site, in such case how it will be assessed for payment of secured advance.	Secured advance will not be applicable for Construction Materials like sand, aggregate etc.	Secured Advance shall be applicable for Construction Materials like sand, aggregate etc. as per clause 2.13.3 of GCC with the approval of Construction Manager/ Project Director of BHEL.

C) Some of the Bidders had asked queries in the published tender specification. The clarifications issued by BHEL are furnished below:

Sl. No.	Reference clause of Tender Document	Existing Clause	Bidder's Query	BHEL's Response
1	TCC Clause 2.2	The brief scope of work is as follows:.....	In line with TCC clause 2.2, the scope details suggest that all works of Transformer Yard has to be done by the agency. This clearly means that this package will be on hold till CW Pipeline works are completed. As such 21 months time is expected to get extended for reasons beyond our control which will unnecessarily increase overheads costs thereby leading to increase in price. Request to kindly keep the scope of major transformer foundations in this package and other misc works like Drain, Pavement, Pits tracks, basin slav, etc may not be kept in this package	Kindly refer Clause No. 2.2 of TCC for brief scope of work. BHEL does not envisage any hindrance in work during execution. However, in case any such hindrance occurs, the same shall be dealt with as per provision of contract.

Corrigendum - 4 dated 31/05/2024 to CPC Tender No. BHEL/CPC/LRA/TG FDN/25/010

Sl. No.	Reference clause of Tender Document	Existing Clause	Bidder's Query	BHEL's Response
2			For giving a better optimised price request you kindly release the retention and subsequent BG amount in two parts after completion of transformer foundations. This shall help us to quote optimized price and maintain better cash flow.	Tender Conditions shall prevail
3			Shuttering item of TG Deck: - May kindly make provisions for payment against the supply of a) Scaffolding materials b) Shuttering materials.	Tender Specification shall prevail

Note:

- 1) All other terms and conditions against this NIT shall remain unchanged.**
- 2) This corrigendum is to be submitted duly signed and stamped along with the Techno-commercial bid (Part- I).**
