BHEL WEBSITE REF: NIT_38813

The Corrigendum contains following amendment in the specifications and shall be a part of the above tender. This corrigendum is to be submitted, duly signed and stamped along with the technical bid (Part-I).

1.0 BOQ Item No. 401 of BOQ CUM RATE SCHEDULE (ANNEXURE-AA) and TCC Clause No. 3.8.1 of TCC Chapter-III of NIT have been modified as follows:

Ref. No.	Existing Clause	Modified Clause
BOQ Item No. 401	Providing, straightening, cutting, bending, placing in position at all level, binding of mild steel reinforcements conforming to grade 1 of IS:432 part 1 in concrete including cost of reinforcement steel, binding wire, labour, scaffolding, transportation to & from stores etc. all complete as per specifications & drawings. (Reinforcement (TMT) will be issued free of cost (FOC)).	Providing, straightening, cutting, bending, placing in position at all level, binding of mild steel reinforcements conforming to grade 1 of IS:432 part 1 in concrete including cost of reinforcement steel, binding wire, labour, scaffolding, transportation to & from stores etc. all complete as per specifications & drawings. (Supply of mild steel reinforcement is in the scope of bidder).
TCC Clause No. 3.8.1	BHEL may provide free of charge limited open space, for office & storage shed, as and where made available by Customer (UPRVUNL). It is the responsibility of the contractor to construct sheds,	BHEL may provide free of charge limited open space, for office & storage shed, as and where made available by Customer (M/s UPRVUNL). It is the responsibility of the contractor to construct sheds, provide all utilities and

	<p>provide all utilities and dismantle and clear the site after completion of work or as and when required, as a part of his scope of work.</p> <p>Note: Due to space constraint at site, contractor may have to arrange for open space for Batching Plant, Storage Area etc. outside the plant premises. Any cost implication of the same shall be to the account of contractor and no extra payment shall be made for any such arrangements made by contractor (if required).</p>	<p>dismantle and clear the site after completion of work or as and when required, as a part of his scope of work.</p> <p>Note: Space for Installation of Batching Plant shall be provided inside the plant boundary only, as and where made available by Customer (M/s UPRVUNL).</p>
