Amended specifications (Revised Specifications) incorporated with the above specified amendments is enclosed. We request you to submit your Offer (Refer Note below) considering the above changes within the extended due date of **26.11.2015 by 10.00 AM.**

Note:

1. **Vendors who have already submitted Offers:** Please submit the impact (specifying the increase or decrease in %) on the each item for the item nos. 11, 12, 15, 16 & 21 on the already submitted Offer. Impact Cover should be superscripted with “Impact on the earlier submitted Offer” & Tender reference number. Filled Revised technical specifications shall be enclosed in the separate cover and Impact in the another cover. Both the covers should be placed in a cover superscripted with Revised Technical specifications & Impact on the earlier Price bid along with the Tender reference no.

If no impact is received within the extended due date from any of the participated Bidders, it will be presumed that there is no impact on their prices and their earlier bid remains valid, which will be considered for evaluation. No impact will be considered after opening techno-commercial bids and Bidders failed to submit the impact within the extended due date, shall absorb the impact in the original quoted prices only.

2. **Vendors who have not submitted their Offers earlier:** Please submit your fresh offer within the extended due date. For detailed Instructions (How to participate) and BHEL Commercial Terms & Conditions, please refer our Enquiry M2/15/6000002522/AS1 dated 29.10.2015 (Can be downloaded from www.bhel.com bearing NIT No.: 24983).

Yours faithfully,
