Dear Sir,

With reference to our tender enquiry for "Supply and installation of LED Display Board at Entrance", following clarification with respect to LED modules to be used in the display board as specified in the "Scope of Work" in the tender is provided for information of all.

"The wattage of LED modules to be used must be between 0.72 W to 1.20 W per module and after award of work, successful bidder shall be asked to show the sample of board with LED modules of different wattages [072 W to 1.2 W] so that suitability of LED module to be used can be ensured."

This is for information of all and all are kindly requested to comprehend the tender enquiry document after taking into consideration the above clarification.

Last date of submission of tender and date of opening of tender shall remain unchanged.

Thanking you.

Yours faithfully,
For & on behalf of
Bharat Heavy Electricals Limited,
